You can enable the Global Privacy Control (GPC) on your browser to communicate your privacy preferences.

Organisational Measure (81.3%):

You can prevent tracking of emails we send you by changing your settings to turn off HTML or disable downloading of images.

Organisational Measure (63.6%):

How do we use and share the personal information that we collect from kids?

Organisational Measure (83.7%):

We implement technical, organizational, administrative, and physical security measures designed to protect your personal information from unauthorized access and improper use.

Non-Personal Data (85.5%), Required Purpose (96.1%):

Pokemon tournament ratings and rankings portion of our websites, we will use personal information about you to track your tournament results, player ranking, rating, and player status (e.g., active, terminated, winner, etc.).

Non-Personal Data (67.1%), Personal Data (99.3%):

Except for those jurisdictions where privacy law specifies a different age, (a) if you are 13 or older, we will post your full name or first name and last initial (as you direct us), as well as your state and country/region with your player ranking; and (b) if you are under 13, your parent or guardian can choose to post your screen name, full name, or first name and last initial in the player rankings.

Non-Personal Data (80.2%), Personal Data (97.8%), Processing (75.6%):

Pokemon events, we will retain your first name, first initial of last name, date of birth, and any championship points earned for participating in any event where this information alone cannot identify you and is not considered personal information.

Non-Personal Data (83.6%), Third Party (90.5%):

Pokemon tournament ratings and rankings portion of our websites, we will share your personal information with independent third parties (such as League Leaders and Tournament Organizers) who run Play!

Third Party (68.2%):

In most cases, these are independent third parties and not Pokemon employees.

Non-Personal Data (80.6%), Third Party (73.8%):

If you've signed up to play our products or participate in competitions and provide us with non-Pokemon account information (e.g., a Nintendo Account) where that function is available, we will receive your date of birth and account ID from the other account operator.

Non-Personal Data (91.8%):

Pokemon championship points, the date of birth from your non-Pokemon account will be verified against your Pokemon Trainer Club (PTC) Account, and information about whether there was a match or not, and your PTC ID will be shared with the other account operator.

Processing (98.8%):

How is your personal information shared?

Recipient (73.1%):

These third-party sources include, for example: Non-Pokemon account operators: please see Play!

Processing (93.5%):

How long do we keep your personal information?

Retention (98.0%):

Pokemon Apps Pokemon will keep your personal information within a Pokemon app for as long as you keep the app on your device.

Processing (97.0%), Retention (63.0%):

If you create an account, the app sends your personal information to our servers.

Retention (95.3%):

We keep your data for as long as you maintain an account and for 90 days after you disable the account, in case you choose to reactivate the account or in case the request to disable the account was in error.

Organisational Measure (64.6%):

You can turn push notifications on or off through settings within the app or your device.

Consent (82.7%):

PokemonCenter.com If you provide information to create an account or as part of a transaction, payment, or other account action, Pokemon may deliver marketing communications to you about similar goods or services if you have not opted out of such marketing when given the chance to do so.

Required Purpose (87.4%), Third Party (70.2%):

We may also use third parties, such as Authorize.net and PayPal, to process payment transactions and facilitate fraud protection.

Required Purpose (83.5%), Third Party (76.0%):

Our international affiliates and third-party websites or apps that our Services link to, or with whom we may have a presence, or with whom we may license use of our trademarks and copyrights, may collect and use personal information for their own purposes.

Required Purpose (93.5%):

PayPal and other third-party entities may use your information for their own purposes, including to service accounts you have with them and for fraud prevention.

Scale Non-EU (78.5%):

PokemonCenter.com's services are intended for customers in the United States and Canada.

Automated Decision Making (78.5%), Scale Non-EU (91.1%):

Vending Machines) Pokemon operates automated retail devices (also known as vending machines) in certain locations in the United States.

Personal Data (98.4%), Required Purpose (97.2%):

If you make a purchase from one of these devices, the device will collect payment card and other payment information for the purpose of processing and completing your purchase.

Required Purpose (94.3%):

The device will also request your email address for the purpose of sending purchase receipts.

Processing (94.5%), Technical Measure (61.9%):

Pokemon 's automated retail devices are equipped with camera equipment that counts the number of people passing in front of the device, but the devices do not store or transmit video.

Art. 20 Right to data portability (74.6%), Art. 21 Right to object (71.4%), Automated Decision Making (79.2%), Lodge Complaint (63.6%), Processing (98.6%), Right (85.2%):

Information for individuals You have the following rights: A right to be informed of the ways in which we use your information; A right to request from Pokemon access to personal data, including (i) the categories and specific pieces of information we have collected about you, (ii) the categories of sources collected, (iii) the purpose for collecting or using the information, and (iv) the third parties with whom we share your personal information; A right to request rectification of your personal data; A right to request deletion/erasure of your personal data under certain circumstances and subject to a number of exceptions; A right to object to the processing of your personal data or obtain a restriction of such processing under certain circumstances; A right to receive personal data we hold about you in a structured, commonly used, and machine-readable format under certain circumstance, or have your personal data transferred to another organization should it be technically feasible for Pokemon to do so; If the processing of personal data is based on your consent, a right to withdraw consent at any time (without affecting the lawfulness of processing before its

withdrawal); We do not use solely algorithmic or other automated decision-making that produces legal or otherwise significant effects; however, you have a right to object to such automated decision-making; and A right to bring your complaint to a regulator.

Authority (79.7%):

If you are based in the European Economic Area (EEA) and believe that we have not complied with data protection laws, you can complain to our regulator, the UK Information Commissioner's Office, or your local supervisory authority; however, regardless of where you are based, we would appreciate it if you would give Pokemon the chance to deal with your concerns directly by contacting us.

Personal Data (91.0%):

If you submit a request, we will require you to verify your identity either by making the request through your existing account and/or by providing a form of governmental identification through our customer service portal, where, if feasible, we may match your identification information with personal information we have about you, depending on the type of request made and verification measures proportional to the risk of the personal information involved with the request(s).

Personal Data (99.5%):

There is no reasonable method by which we can verify your identity to the degree of certainty required by law for certain pieces of personal information, for example: unique identifiers such as cookie IDs, device ID, and IP address (where that information is not held by us in connection with directly identifiable information).

Legal Basis (99.2%):

Pokemon will use reasonable efforts to fulfil your request within the response times of the applicable laws.

Processing (74.0%):

Enforce Compliance with our Terms, Agreements and Policies: when you access or use our Services, you are bound to our terms.

Processing (61.5%):

When you access or submit information to us, your personal information may be transferred to, processed, maintained, and used on computers, servers and systems located where the data protection laws may not be as protective as those in your jurisdiction.

Scale Non-EU (86.6%):

If you choose to provide personal information to us in connection with your use of the Services, please note that we may transfer your personal information to servers located in the United States of

America, the United Kingdom and other countries or regions.

Contract (89.4%), Scale EU (74.9%):

Whenever we transfer your personal data from inside the EEA, Switzerland, or the United Kingdom to other countries or regions, the transfer will be based on at least one of the following: (a) Standard Contractual Clauses approved by the European Commission and the UK International Data Transfer Addendum issued by the Information Commissioner's Office as providing an adequate level of data protection.

Personal Data (99.1%):

(b) Transfer to a country, territory, or specified sector within a country or territory that the European Commission has determined to ensure an adequate level of protection of personal data.

Legal Basis (94.3%), Required Purpose (87.2%):

(c) The transfer is necessary for the performance of a contract with you, is necessary for the conclusion or performance of a contract in your interest, or to take measures that you have requested, or is based on your explicit consent, or other legal methods available to us under applicable law.

Authority (77.4%):

Such obligations may include lawful requests by public authorities, including to meet national security and law enforcement requirements.

Legal Basis (61.1%):

This may include a requirement for Pokemon to release personal information in response to a legal obligation or legal process.

Organisational Measure (91.7%):

When we disclose your personal data to comply with a legal obligation or legal process, we will take reasonable steps to ensure that we disclose only the minimum personal data necessary for the specific purpose and circumstances to comply with legal obligations or valid legal processes such as search warrants, subpoenas, or court orders.

Contract (85.5%):

When we do, transfer your personal data we use a variety of legal mechanisms, including contracts and standard contractual clauses / model clauses, so that your rights and protections travel with your data.

Legal Basis (73.4%):

DPF), the UK Extension to the EU-U.S.

TABLE OF CONTENTS Privacy Notice What does this Privacy Notice cover?

Data Controller (63.3%):

For any complaints that cannot be resolved with us directly, you may refer the matter to BBB Data Privacy Framework Services, operated by BBB National Programs, Inc.

Lodge Complaint (70.5%):

If your complaint remains unresolved after contacting Pokemon, and the BBB Data Privacy Framework Services, you also have a right to lodge a complaint with a supervisory authority.

Data Protection Officer (80.3%):

How to contact us about your personal information and this Privacy Notice If you have questions or comments about our data practices or this Privacy Notice, you can contact us or our data protection officer at: The Pokemon Company International, Inc.

Right (78.3%):

You have a right not to be discriminated against for exercising any of these rights.

Required Purpose (85.8%):

If you have authorized an agent to submit a request to know or a request to delete, Pokemon may require that you (i) provide written permission for a named agent to do so; (ii) verify your identity directly with Pokemon; or (iii) provide the authorized agent with a valid power of attorney.

Consent (67.7%):

We do not share our customers' personal information with unaffiliated third parties for their own

direct marketing purposes without your consent.

Art. 17 Right to erasure (right to be forgotten) (69.9%):

If you are a California resident under the age of 18, and a registered user of any Service where this privacy notice is posted, you may request and obtain removal of content or information you have publicly posted.

Legal Basis (94.6%):

If you are a California consumer whose personal information is collected through the Services (customer), the California Consumer Privacy Act (CCPA) provides you with certain rights including those described in Section 9 together with the rights and disclosures set forth below.

Personal Data (77.7%):

In the past 12 months, we have collected the following categories of personal information, as described in the CCPA: Identifiers (e.g., contact information); Commercial information (e.g., purchase history and details); Internet activity information (e.g., usage data); Demographic information (e.g., date of birth); Geolocation data (e.g., your current location derived from your IP address); Audio and visual information (e.g., customer support center calls); Other personal information as defined under California law; and Inferences drawn from any of these categories.

Required Purpose (83.2%):

For details about the data we collect and the categories of sources from whom we collect, please see Section 2 What personal information is collected about you? We collect personal information for the business and commercial purposes described in Section 3 How is your personal information used?.

Organisational Measure (74.8%):

We may amend this Privacy Notice at any time by changing the last updated date.

Consent (66.3%), Organisational Measure (83.3%), Processing (64.8%):

If we make material changes to how we collect, use, or share your personal information, we will describe the changes, and, if required by law, seek your consent for such changes.

Data Source (66.8%):

Our guests can use some of our Services, view content, and enjoy many features without registering for an account or our collection of any personal information subject to COPPA.

Required Purpose (90.7%), Third Party (93.0%):

For example, once a parent has provided consent to create an account, a kid can: Link an account from one of Pokemon's Services with an account from another Service operated by Pokemon or an affiliate of Pokemon Participate in games, reward programs, contests, sweepstakes, events, or

promotions Send us questions or correspond with us via email or our customer support portal concerning the Services or the kid's participation in organized events Participate in polls, surveys, or questionnaires Use our Email-a-Friend feature and participate in canned chat, where a kid can select words from a list prepared by Pokemon to send messages to other website users Enable push notifications (you can turn push notification on or off by modifying the settings within the applicable Service, or within your device's settings) Note that some Services may enable a kid to publicly disclose personal information and/or communicate with other users.

Processing (98.8%):

We do not have control over third parties (e.g., other users) who may have copied or reposted publicly posted information.

Processing (94.3%), Required Purpose (75.2%):

Until we receive verifiable parental consent, the parent's contact information gathered from a kid is used only to obtain the parent's consent for our information collection practices.

Required Purpose (93.1%):

With parental consent, we may also use a kid's contact information to send the kid emails and messages with promotional information about new products and features, special offers, contests, and sweepstakes, as well as other interesting information concerning new products, events, and updates about Pokemon.

Personal Data (77.5%), Required Purpose (77.9%):

If a kid wins a prize from a sweepstakes, contest, or other promotional event, we will notify the parent at the parent's email address and request that the parent provide their postal address for the purpose of delivering the prize.

Personal Data (99.4%), Processing (79.2%):

With the appropriate consent, we may publish a winner's first name, city, state of residence, and country/region.

Processing (99.1%):

Pokemon shares kids' personal information with the same entities and for the same purposes described in the general Privacy Notice.

Consent (65.9%):

Also, if a parent chooses to allow a kid to participate in the Play!

Required Purpose (65.9%):

Points Rules & Resources Play!

Organisational Measure (77.0%):

This email notifies the parent that their kid wishes to register, and it asks the parent to create an account to grant consent for their kid to register.

Organisational Measure (94.4%):

If the parent ignores or refuses to register their kid, we will delete the kid and parent's contact information within 14 days of such notice.

Consent (73.0%):

California Civil Code Section 1798.83 permits customers who are California residents to request certain information regarding disclosure of personal information to third parties for their own direct marketing purposes.

Personal Data (95.6%), Required Purpose (84.8%):

To help verify that the parent is the person providing consent, Pokemon (in the US in conjunction with Veratad, a leading age and identity verification company) asks for the sum of the first and last digit of the parent's Social Security number, as well as other pieces of information to verify the parent's identity, such as name, birth date, and physical address.

Required Purpose (88.6%):

The parent should include their kid's username and the parent's email address in the email so that we can better assist with the inquiry or request.

Organisational Measure (82.0%):

We may amend our Kids' Privacy Notice at any time; when we do so, we will change the last updated date.

Legal Basis (85.1%), Organisational Measure (61.9%):

We will apply material changes to our Kids' Privacy Notice only when the changes are in compliance with applicable law, including any parental consent requirements.
