Privacy Policy - i6.com i6.com Home Top Games Popular Games Latest Games Action Games Arcade Games Girls Games Puzzle Games Racing Games Shooting Games Sports Games Privacy Policy - Police Car Drift Simulator Information We Collect Non-personal Information Unless directly stated otherwise Police Car Drift Simulator does not need or collect any personal information of our users which may identify them as an individual.

Data Controller (95.7%), Processing (96.8%), Required Purpose (95.0%), Technical Measure (70.7%), Third Party (98.5%):

In some cases we also use third party tools which also may store non-personal information to function.

Personal Data (99.8%):

Personal information is information which can be directly linked to you as a person.

Organisational Measure (65.1%), Personal Data (99.6%):

This includes information such as name, nickname, email, uploaded images or location.

Non-Personal Data (63.4%), Processing (77.5%), Required Purpose (95.6%), Technical Measure (98.1%):

Analytics Police Car Drift Simulator uses Google Analytics or Google Firebase to help analyse users behavior in the game.

Retention (73.0%):

We mainly look out for how long users have spent in the game and how many levels were played.

Processing (88.0%):

Personal Information In cases where personal information is used it's clearly stated before collection and requires acceptance of our terms of services beforehand.

Required Purpose (98.6%):

This information is then used to evaluate use of our game and to improve the usability.

Processing (99.1%):

All information collected via Google Services is anonymous non-personal data.

Required Purpose (99.4%):

Google privacy policy: <https://policies.google.com/privacy> Apple privacy policy: <http://www.apple.com/uk/legal/privacy/> Advertisements Free Games & Apps We display advertisements in our free apps and games to fund the development process for current and future services.

Consent (65.9%), Personal Data (90.2%), Processing (94.5%), Recipient (71.4%), Required Purpose (99.8%), Third Party (99.0%):

The advertisements are provided by third party companies and if the user consented to personalised ads then your advertising identifier will be shared with the ad provider to select ads relevant to you.

Consent (82.1%):

Our apps may contain advertising from any of these networks: Google (AdMob) privacy policy: <https://policies.google.com/privacy> MoPub privacy policy: <https://www.mopub.com/legal/privacy/> AdColony privacy policy: <https://www.adcolony.com/privacy-policy/> Unity (Unity Ads) privacy policy: <https://unity3d.com/legal/privacy-policy> Facebook (Facebook Ads) privacy policy: <https://www.facebook.com/policy.php> AppLovin privacy policy: <https://www.applovin.com/privacy/> Personalised Ads Police Car Drift Simulator includes a GDPR ad personalisation opt in screen which appears upon launch if the user has not yet opted into personalisation.

Personal Data (99.4%):

Upon opting into personalisation, advertisers are permitted access to the advertising identifier on the device, no personal identifiable information linked with the user is used.

Third Party (98.7%):

Paid Games & Apps Our paid apps and games do not contain third party advertisements and thus no data is collected by third parties.

Processing (97.5%):

No user specific or app specific information is stored or recorded.

Processing (86.9%):

Advertisement Caching We cache images used for internal advertisements by storing them in the application root directory allowing us to re-display advertisements without needing to download them again keeping data usage to a minimum.

Automated Decision Making (93.0%):

Auto-Renewing Subscriptions These subscriptions will automatically charge you until manually cancelled.

Retention (77.6%):

When left unpaid the subscription will be cancelled at the end of the billing period and any rewards for continuous subscription periods may be lost.

Consent (87.1%):

The majority of our apps do not collect personal information but in cases where we do, we ask the user to agree to our terms of service and agree that they're at least 13 years of age or ask that a

parent consents for them.

Organisational Measure (81.5%):

We do not knowingly collect or track personal information from users under 13 years old without prior parental consent.

Art. 17 Right to erasure (right to be forgotten) (64.4%), Organisational Measure (83.2%):

If informed of any personal information collected from users below this age without consent then we will delete the information and stop any further collection from the individual (account removal).
