QR Code Generator Privacy Policy QR Code Generator Privacy Policy Updated November 6, 2022
QR Code Generator is developed and published by Ape Apps, LLC.

Consent (76.4%), Personal Data (99.5%), Processing (98.9%), Required Purpose (93.6%):

Ape Apps collects absolutely no personally identifiable information about our users without express consent.

Processing (98.7%), Third Party (97.6%):

Install and Error Tracking QR Code Generator utilizes Ape Apps' own in-house installation and error tracking server, and absolutely no information is shared with any third parties whatsoever.

Non-Personal Data (96.8%), Personal Data (60.5%), Processing (98.4%):

The server keeps a record of the date and time that the app was installed, what operating system the device is using (Android, iOS, Windows, etc), and which version of the app was installed.

Consent (92.5%), Required Purpose (94.1%):

Unless opted out by the user, AdMob utilizes the device advertising id in order to serve personalized ads to the user.

Data Controller (64.8%), Third Party (73.9%):

Google AdMob QR Code Generator is monetized using the Google AdMob advertising network, for non-premium users.

Processing (83.1%):

Ape Apps, LLC does not see, intercept or exchange any of this information with Google in any way.

Data Controller (85.0%), Required Purpose (86.9%):

Logging in with Ape Apps allows you to sync your in-app purchases across platforms and to sync your saved game data between devices.

Personal Data (99.8%), Processing (99.2%):

No personal information is collected besides your email address, and no private or payment information is ever stored on our servers.

Non-Personal Data (64.9%), Processing (96.0%), Required Purpose (92.2%):

Anti-Piracy Measures The first time the user launches QR Code Generator, anonymous data is transmitted to the Ape Apps server to verify the integrity of the install, in an effort to combat software piracy.

Required Purpose (81.7%):

These abilities are only there in order to improve app usability.

Required Purpose (84.7%):

For instance, QR Code Generator can detect movements in your device in order to facilitate the handling of shake related gestures.

Personal Data (63.7%):

In any event, no information relative to your device or your phone calls or contacts is ever collected or stored by Ape Apps.

Required Purpose (64.4%):

Underlying Philosophy At the end of the day, Ape Apps, LLC exists to provide entertainment and utility to our users.

Third Party (94.1%):

Ape Apps is an entertainment company first and foremost, and we have absolutely no interest in data mining our customers, or selling their information to third parties.
