- An electronic or physical signature of the person authorized to act on behalf of the owner of the copyright interest; - A description of the copyrighted work that you claim has been infringed upon; - A description of where the material that you claim is infringing is located; - Your address, telephone number, and e-mail address; - A statement by you that you have a good-faith belief that the disputed use is not authorized by the copyright owner, its agent, or the law; - A statement by you, made under penalty of perjury, that the above information in your notice is accurate and that you are the copyright owner or authorized to act on the copyright owner's behalf.

Processing (99.5%):

This privacy policy, as amended from time to time (the Privacy Policy) outlines how your information (as defined hereinafter) will be collected, used, processed and shared in connection with your access to and/or use of our products and services as described in detail herein below.

Third Party (95.1%):

The Privacy Policy applies only to information collected by us or our trusted and authorized partners

and not to information collected offline or through the websites of our third party business partners or corporate affiliates, even if their websites or services/ skills are linked to our products and services.

Third Party (98.0%):

Qubo and its authorized third parties hereby explicitly and specifically disclaim any and all representations, warranties or guarantees, whether written, oral, expressed or implied with respect to any information, details or particular on the platform(s) of Qubo or any third party including, without limiting the generality of the foregoing, any warranty as to the quality, value, fitness or merchantability of the products/ devices/ services offered to be sold on the platform (if any).

Data Source (87.0%):

We recommend you (hereinafter referred to as you, your, user, end-user, customer as applicable) to review the respective privacy statements of all the third parties with whom you interact.

Required Purpose (72.4%), Technical Measure (75.5%):

As we update, improve, change and expand our products and services and in view of changing technology and legal requirements and compliances thereof, this Privacy Policy may change or be modified from time to time, so please refer back to it periodically as you will be deemed to be governed by the terms of such modified Privacy Policy, as it comes into effect from time to time.

Consent (72.5%):

You are not required to provide the personal information that we have requested, but, if you chose not to do so, in many cases we will not be able to provide you with our products or services or respond to any queries you may have.

Required Purpose (79.1%):

You have a grant for this period to a limited, non-licensable and non-exclusive license to use, install, run and access a copy of our Product software on your purchased Product or on your mobile phone/ smart device solely for the purpose of personal and non-commercial purposes.

Non-Personal Data (73.2%), Personal Data (64.5%):

INFORMATION THAT WE GATHER We collect certain personal, non-personal and other information and correspondences from you, as indicated below, that we consider necessary for you to access certain products and services (hereinafter collectively referred to as information): The personal information we collect from users helps us personalize and regularly improve your experience and help us with basic information about Internet trends, number of users, website traffic, and related content with us.

Personal Data (99.7%):

Personal information means information that is about any individual, or from which any individual is directly or indirectly identifiable.

Personal Data (98.0%):

Personal information shall include all information that can be linked to a specific individual or used to identify any individual, such as (i) contact data (such as Your e-mail address, phone number and account details and password); (ii) demographic data (such as Your gender, Your date of birth, nationality, zip code); (iii) details of consents (records of consents given with the date and time and other relevant information); (iv) billing and payment information (as applicable); and (v) any and all details that may be necessary from the Customer (personal information).

Legal Basis (91.4%), Personal Data (92.6%):

We do not collect or otherwise process personal information about race, religion, sexual orientation or health or any other information that may be deemed to be sensitive under the relevant laws and regulations applicable in the relevant jurisdiction in the ordinary course of our business.

Right (89.9%):

The user shall not be entitled to withhold any payment while any complaint is being resolved or any claim is being investigated.

Non-Personal Data (98.5%):

When you visit the website or Alexa or Google Assistants public platform, relevant non-personal information may be collected such as domain and host from which you access the internet, your internet protocol (IP) address, operating system, browser type, and internet service provider.

Processing (99.4%):

We may also be collecting information through our products and services or otherwise.

Processing (95.6%):

Such data may be backed up to the cloud (i.e., our own cloud software and/ or other third part cloud services) and may be retrieved or restored from such cloud.

Personal Data (70.8%), Processing (97.2%), Required Purpose (96.2%):

Such data collected may be used for various purposes, including but not limited to (i) undertaking market analysis including relating to consumer and usage patterns; (ii) undertaking marketing and promotion of targeted and selected goods and services to you based on your use of products, services, applications and your consumption patterns; (iii) enhancing your user experience; (iv) administering and processing your requests; (v) advertisement profiling; and (vi) audience measurement.

Required Purpose (91.9%):

You have the opportunity to contact Qubo and modify the limitation to liability clause to account Qubo for any extended liability you assume we should be undertaking.

Third Party (96.2%):

Our products and services may enable you to perform certain tasks using your voice and other command controls, including accessing certain third party services.

Required Purpose (94.5%):

In this regard, we may collect, process (either independently or along with other information/ data collected), store and back up the voice and other control commands and inputs in order to provide any services or improve your user experience.

Consent (75.0%):

We endeavour to provide you with choices and obtain your clear, decipherable and indistinguishable consent regarding the information and personal information you provide to us.

Consent (67.9%):

PERSONAL INFORMATION COLLECTED DIRECTLY FROM YOU Log In/Registration Initiating an account with us will require the user to provide certain key personal information which will be required for installation and registration with Qubo web apps and mobile apps which is only collected by us when you voluntarily submit it to us and provide consent thereof.
