In those circumstances the terms of the third party in relation to the collection and use of personal information will also apply.

Contract (94.0%), Data Controller (72.0%), Processing (95.7%), Required Purpose (96.9%):

Careers You may provide us with personal information as an applicant, contractor or employee to discuss roles and careers at 3P Learning.

Personal Data (66.2%):

You will receive our employer privacy statement and we will only use personal information for those discussions.

Legal Basis (92.4%), Non-Personal Data (88.3%), Personal Data (93.0%), Required Purpose (97.5%):

What we will do with your information The information collected from Registrants, customers or prospective customers may be used for the following purposes: to provide access to our products and services; to manage prospective purchases, purchased subscriptions and payments including to provide quotes or offers; to send a confirmation notice to the Registrant of the registration; to administer and manage accounts, including password resetting, responding to questions raised by Registrants, to contact the Registrant about any problems with the Registrant's account or conduct on the Site; to receive updates about our products and services; to send out a 3P Learning newsletter or emails about the Site including information about current events, changes, improvements, upgrades, new product development and rules of the Site; to publish the names of winners and high performers on the Site or in the 3P Learning newsletter and to provide results data for each Registrant or school class; to send prizes or certificates for participation and performance on the Site; for administrative, planning, product or service development, staff training, quality control and research purposes relating to our products and services; for marketing purposes, but only where we have express or implied consent to contact someone or we are otherwise permitted by law to do so.

Required Purpose (64.3%):

Hall of Fame leaderboards: 3P Learning strives to provide a highly engaging Site for students.

Consent (67.5%):

Given students have indicated their strong preference for their name to be shown publicly on our Sites in recognition of their achievements, we allow this but we do not allow full names (i.e.

Consent (62.0%), Personal Data (82.7%):

In addition, all administrative user access to any Site permits the partial (to initials only) or full anonymising (by use of a pseudonym) of names, where preferred by the user.

Data Subject (62.5%):

Access to, and use of customer feedback forums or our professional online communities, are designed and limited for use by parents, educators and/or other contributors who are not legally minors.

Consent (66.6%):

Registrants who do not give this consent (or do not have this consent provided on their behalf) cannot provide us with their personal information and cannot use the Site.

Consent (63.1%):

Personal information for account subscription For Home Customers, the parent or carer registering on behalf of their child(ren), must give their consent at the time of registration to provide us with information about them and their child(ren) to use our Services.

Personal Data (81.1%):

The Site may have additional features in which parents and teachers can give their consent, and/or give consent on behalf of a student, to access, disclose or use their personal information or learning activity information.

Processing (99.0%), Required Purpose (97.9%), Third Party (83.1%):

What we will not do with your personal information 3P Learning will keep your personal information confidential and not sell or disclose your information to advertisers or any external third parties, unless: we believe, in good faith, that we are required to share your information with a third party such as a regulator or court in order to comply with law, regulation, legal process, court order or subpoena; to enforce our Terms & Conditions or the terms of the licence granted to access and use the Site; the disclosure is to a third party that acts on our behalf, powers certain aspects of our Sites or processes data on our behalf, such as a distributor of our products and services, the licensor or owner of a product or resource that we distribute, or to a contracted service provider; in connection with any transaction involving our companies or assets, where another party acquires ownership or operation of the Site, in which case that successor organization will be subject to the obligations in

this Privacy Policy and any contractual representations we have entered into, and subject to law; or to protect the safety and security of our Registrants and our Site.

Processing (95.8%):

If third parties act on our behalf, we require them to hold, use and disclose your personal information in accordance with this Privacy Policy, applicable privacy obligations and our contractual obligations.

Required Purpose (82.7%), Third Party (66.2%):

Generally we will only use your information within 3P Learning, however, sometimes we provide data on results to government education departments, peak bodies managing or representing schools, or schools themselves, especially in the case of School Customers, who use the features of our products (such as performance reporting tools) for educational / teaching purposes.

Legitimate Interest (89.8%):

We will require these third parties to comply strictly with our instructions, use the information only for legitimate educational interests and not for any commercial purposes.

Not Required Purpose (63.7%), Personal Data (89.8%):

We do not use data to engage in targeted advertising to children and we do not create or build personal profiles of students other than for the purpose of supporting authorized educational/school purposes or as otherwise specifically authorized by a parent/student or school/educational institution customer.

Not Required Purpose (76.8%), Technical Measure (99.1%), Third Party (87.2%):

We do not use cookies or third party providers to engage in behavioural targeting of advertisements to students.

Processing (97.1%):

How long we hold your information We retain the personal information that we collect from and about our Registrants for as long as it is needed to provide access to the Site or to manage that Registrant's account.

Non-Personal Data (77.4%), Required Purpose (93.5%):

We may however retain and use personal information as necessary to comply with our legal and regulatory obligations, to resolve disputes and to enforce our agreements, and we may retain and use anonymous and aggregated information for performance reporting, benchmarking and analytic purposes and for product and service improvement.

Technical Measure (90.7%):

When you visit our Websites, we use the following cookies: Essential website cookies.

Non-Personal Data (90.9%):

These cookies collect information on how users use our Website, for example which pages you visit most often, whether you receive any error messages and how you arrived at our website.

Required Purpose (99.2%):

Information collected by these cookies is used to improve your use of our Website.

Retention (80.2%):

These cookies expire after a period of inactivity.

Required Purpose (97.9%):

These cookies are used to enhance the functionality of our Websites and Services, to improve your user experience by remembering the choices you have made when interacting with our websites and online products.

Required Purpose (89.9%):

In most cases these cookies are persistent cookies and remain stored, in order to recall your preferences, until you clear your cache.

Required Purpose (87.3%):

These cookies are used to make advertising messages more relevant to the user of the Website and are based on the user's browser settings.

Required Purpose (91.2%):

They perform functions like preventing the same ads from continuously reappearing, ensuring that ads are properly displayed for advertisers, and in some cases selecting ads that are based on your interests.

Required Purpose (93.4%):

Additional information about third party cookies Some of the third party cookies we use on our Website include: Cookies to monitor web traffic and analysis services.

Required Purpose (99.5%), Technical Measure (77.8%):

We use Google Analytics, LinkedIn and Microsoft page analytics services to help us understand how you use the site and ways that we can improve your experience.

Required Purpose (88.8%), Retention (64.5%):

Cookies may track things such as how long you spend on the site and the pages that you visit so we can continue to produce engaging content.

Processing (78.0%):

We do not sell data to advertisers (whether personal, anonymous or aggregated).

Required Purpose (80.4%):

Cookies used for advertising and marketing purposes to promote our Services and/or provide aggregated data to help us review our digital content.

Third Party (83.9%):

We may engage the services of Google AdWords, LinkedIn and Meta/Facebook.

Required Purpose (96.5%):

The data and insights we obtain from third party technologies are used by 3P Learning companies to help us deliver our services.

Required Purpose (97.8%):

Other third party technologies Other third party applications and services may be used to add features to our Website or Services, or to gauge the effectiveness of our website and marketing campaigns.

Data Subject (71.8%), Required Purpose (89.4%), Technical Measure (72.5%):

These may include but are not limited to: plug ins that help us better understand our site visitors and app users technologies to support the internal operations of our business services to allow users to share content on social media platforms for example, to share a news article from our public website.

Required Purpose (93.2%), Technical Measure (64.2%):

We sometimes contract third-party service providers, vendors, SDKs or plug ins to assist us in better understanding our site visitors and app users.

Required Purpose (97.3%):

These service providers are not permitted to use the information collected on our behalf except to help support the internal operations of our business.

Personal Data (98.2%):

IP Addresses Additionally, when visitors request pages from our Websites and Services, 3P Learning's servers log the visitor's internet protocol address ("IP address").

Non-Personal Data (97.7%), Personal Data (90.8%), Required Purpose (99.2%):

Your IP address, browser type, browser language, and the date and time of your query, enable us to better understand and improve the usability, performance and effectiveness of our websites for purposes of system administration, to infer a visitor's geographic location, to track the use of our websites, and to identify a visitor when 3P Learning feels it is necessary to enforce compliance with our policies.

Consent (90.2%):

We take reasonable steps to delete the personal information we collect if your registration to use our Site lapses and you (or if you are under 13 or legally a minor in your relevant location, a parent or guardian may request on your behalf) opt out of receiving further communications from us, or if you ask us to delete your information.

Required Purpose (96.9%):

We use technologies to support how the App operates and to check the performance of the App.
