Organisational Measure (61.6%):

You do this through your browser settings.

Authority (74.9%), Required Purpose (88.0%):

They are put in place to provide a positive experience for users.

Processing (92.5%), Required Purpose (92.9%):

<https://support.google.com/adwordspolicy/answer/1316548?hl=en> Google, as a third-party vendor, uses cookies to serve ads on our site.

Required Purpose (82.8%), Technical Measure (96.5%):

Google's use of the DART cookie enables it to serve ads to our users based on previous visits to our site and other sites on the Internet.

Data Controller (89.8%), Required Purpose (94.7%), Technical Measure (94.4%):

We have implemented the following: We, along with third-party vendors such as Google use first-party cookies (such as the Google Analytics cookies) and third-party cookies (such as the DoubleClick cookie) or other third-party identifiers together to compile data regarding user

interactions with ad impressions and other ad service functions as they relate to our website.

Third Party (80.8%):

Third-party disclosure Third-party links Google Google's advertising requirements can be summed up by Google's Advertising Principles.

Consent (85.7%):

Opting out: Users can set preferences for how Google advertises to you using the Google Ad Settings page.

Consent (64.4%), Legal Basis (72.2%), Processing (89.9%):

COPPA (Children Online Privacy Protection Act) When it comes to the collection of personal information from children under the age of 13 years old, the Children's Online Privacy Protection Act (COPPA) puts parents in control.

Authority (84.6%), Scale Non-EU (66.3%), Third Party (80.3%):

The Federal Trade Commission, United States' consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

Third Party (90.2%):

Do we let third-parties, including ad networks or plug-ins collect PII from children under 13?

Legal Basis (96.6%):

Fair Information Practices The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe.

Legal Basis (87.1%), Personal Data (81.0%):

Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

Right (90.4%):

In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur: CAN SPAM Act The CAN-SPAM Act is a law that sets the rules for commercial email, establishes requirements for commercial messages, gives recipients the right to have emails stopped from being sent to them, and spells out tough penalties for violations.

Consent (82.7%):

We collect your email address in order to: To be in accordance with CANSPAM, we agree to the following: If at any time you would like to unsubscribe from receiving future emails, you can email us at and we will promptly remove you from ALL correspondence.

Consent (63.6%), Personal Data (80.5%), Processing (98.5%):

User Permission We need user permission for recording your voice and processing recorded data.
