Terms & conditions This Roon Software Privacy Policy (Software Privacy Policy or Policy) explains how Roon Labs LLC, a New York limited liability company (Company ,Roon Labs, Roon, We , Us or Our) may gather, collect, record, hold, distribute, share, disclose, or otherwise use any information or data about any user (User or You or Your) of the Companys audio and music management software presently named Roon(Roon Software).

**Consent (98.9%), Required Purpose (78.8%):**

Overview At Roon Labs, Our mission is to connect people with music.

**Processing (90.2%):**

Unlike many other music players, Roon doesnt just display your music and let You play it, but instead creates rich context about Your music using information about the music.

**Data Controller (91.7%), Non-Personal Data (60.8%), Personal Data (67.2%):**

This metadata includes editorial information (like genre, rating, and review) as well as factual information (like which label released a recording, who performed on it, and who composed, produced, and conducted the performance).

**Organisational Measure (71.9%), Processing (98.3%), Required Purpose (97.4%):**

Roon uses all that information to make it easy to access the music You want to listen to, to display the most relevant possible music in a given context, to provide insight into relationships between pieces of music, and to give You a healthy dose of serendipity.

**Personal Data (82.7%), Processing (91.0%), Recipient (68.6%):**

What that means in practice is that Roon has to identify the music You have so it can be

cross-referenced by our metadata service, and to achieve this We send information about Your music collection to Our servers.

**Required Purpose (82.4%):**

We also have mechanisms for authenticating Our users, collecting payments, and communicating with them.

**Personal Data (99.7%), Processing (99.0%), Third Party (98.5%):**

Thus, the provisions of Section 2 and Section 3 of this Software Privacy Policy, and the additional notices and disclosures set forth in Sections 1, 2 and 3 of Our Standard Privacy Policy (a copy of which is available at this link to the Companys website: <https://roon.app/privacypolicy-site>), provides Roons explanation, notice and disclosure to all Users of the Roon Software regarding what personal information may be collected about You, how We and Our third parties use that personal information, and how and to whom We share Your information.

**Data Source (66.0%), Personal Data (98.6%), Processing (99.5%), Required Purpose (97.2%):**

The following provisions demonstrate Our commitment to privacy: Your personal information (name, email address, password) is collected and stored in Our account database to facilitate Your access to Our software.

**Personal Data (74.2%), Processing (99.3%), Recipient (69.7%), Retention (94.7%):**

Your payment information (credit card details) is transmitted to our payment processor when You enter it and is held in Our systems only as long as necessary to facilitate that payment process.

**Personal Data (94.2%), Required Purpose (94.0%):**

Your location information is used to determine which content (for example, lyrics and streaming music) We are allowed to display to You.

**Data Source (84.8%), Processing (96.3%):**

To do that, We make software and provide information services used by that software.

**Required Purpose (99.3%), Third Party (74.4%):**

Information about Your music collection is used to provide You with rich metadata, and is stored in Roons database on Your computer.

**Data Subject (68.3%):**

Information about how one particular User utilizes Roon is generally stored separately from information about another User.

**Processing (88.8%):**
