INFORMATION THAT WE COLLECT AS YOU USE ROTAGEEK SERVICES OR VISIT OUR SITES: Our Sites use cookies and other technologies to function effectively.

Non-Personal Data (97.3%), Personal Data (98.2%), Processing (99.0%):

These technologies record information about your use of our Sites, including: Browser and device data: We collect information about the browsers and devices that you use to access Rotageek services, such as IP address, device type, operating system name and version, device manufacturer and model, and language.

Processing (87.4%), Required Purpose (99.3%), Technical Measure (98.2%), Third Party (63.9%):

We and our third-party partners, such as our advertising and analytics partners, use cookies and other tracking technologies (e.g., web beacons, device identifiers and pixels) to provide functionality and to recognise you across different Services and devices.

Technical Measure (68.9%):

For more information, please see our Cookies Policy, which includes information on how to control or opt in or out of these cookies and tracking technologies.

Personal Data (73.7%):

Usage data: We collect information about your usage of our Services.

Non-Personal Data (90.8%):

This includes time spent on the Sites, pages visited, links clicked, language preferences and the pages that led or referred you to our Sites.

Personal Data (71.9%):

The information we collect includes Your name and email address when you visit www.rotageek.com and wish to contact us or download resources.

Personal Data (78.9%), Required Purpose (74.9%):

Your location information: We collect information about your location via GPS, which helps us offer features such as geofenced Check-In, when you are using our services.

Required Purpose (94.8%):

Why Rotageek collects data We use the information that we collect from all our Services for the following purposes: Provide our products and Services: We use your information to deliver Rotageek Services to the Organisation with whom we have contracted to provide the scheduling Services and to facilitate the business relationships we have with our Users, such as scheduling staff, receiving notifications about scheduling, leave and swaps and processing timesheets for payroll.

Required Purpose (99.5%):

Maintain and improve Rotageek: We use your information to ensure that our Services are working as intended, such as tracking downtime or troubleshooting issues with specific features.

Required Purpose (98.8%):

We also use your information to make continuous improvements to our Services - for example, understanding how you use a feature like the scheduler to make it faster for you to schedule shifts and notify your staff.

Required Purpose (95.0%):

In addition, we use your Personal Data when offering Support Services to Users and it is in these Support Services that AI might be utilised to process Personal Data via our Chatbot to speed up responses to your questions and to provide answers to frequently asked questions (FAQs).

Required Purpose (99.5%):

Develop new services: We use the information we collect in existing Rotageek Services to help us develop new ones.

Required Purpose (94.5%):

Measure performance: Rotageek is committed to delivering a resilient and efficient service.

Non-Personal Data (85.1%), Required Purpose (89.1%):

For example, we analyse data about your use of certain features in order to develop improvements to that feature.

Required Purpose (98.9%):

Communicate with you: We use information we collect, such as your email address, to interact with you directly.

Organisational Measure (60.9%):

We may send you notifications about your schedule updates or shifts that become available via email, SMS or push notification as well as information about our latest updates.

Required Purpose (81.1%):

We may also contact you from time to time if you visit our Sites or our application to update you with respect to updates relating to our business, Services or other relevant marketing material.

Third Party (79.9%):

Sharing your information We do not share your personal information with companies, organisations or individuals outside of Rotageek except in the following cases: With Organisation administrators: Your Organisation administrators will have access to your Rotageek account.

Processing (98.7%), Required Purpose (64.9%):

They may communicate with you to: Access and retain information stored in your account such as your email View data and statistics regarding your account such as how many times you've logged in and approved schedules Suspend or terminate your Rotageek account access Receive your Rotageek account information in order to satisfy applicable law, regulation, legal process or enforceable governmental request.

Required Purpose (96.7%):

These service providers may need to access Personal Data to perform their services.

Contract (61.7%):

We require such service providers to contractually commit to protect the security and confidentiality of Personal Data they process on our behalf in accordance with applicable Data Protection Legislation.

Scale EU (79.1%), Scale Non-EU (76.9%):

Our service providers are predominantly located in the European Union and the United States of America.

Required Purpose (67.1%):

All of our third-party suppliers are fully vetted to ensure their security practices are meeting our standards.

Legal Basis (89.0%), Third Party (93.3%):

We require all third parties to respect the security of your personal data and to treat it in accordance with the law.

Contract (81.8%), Organisational Measure (81.7%), Processing (96.7%):

We do not allow our third-party service providers to use your personal data for their own purposes and only permit them to process your personal data for specified purposes and in accordance with our instructions Where your data is transferred out of the UK for any processing activity, we have put in place with our sub-processors technical and organisational measures to protect your personal data to ensure a similar degree of protection is afforded to it by ensuring at least one of the following safeguards is implemented: We will only transfer your personal data to countries that have been deemed to provide an adequate level of protection for personal data; or Where we use certain service providers, we may use specific contracts approved for use in the UK which give personal data the same protection it has in the UK.

Personal Data (81.3%):

For Marketing: We use your contact information and information about how you use the Services to send promotional communications that may be of specific interest to you, including by email and by

displaying Rotageek ads on other companies' websites and applications, as well as on platforms like [Facebook and Google].

Required Purpose (91.9%):

These communications are aimed at driving engagement and maximising what you get out of the Services, including information about new features, survey requests, newsletters, and events we think may be of interest to you.

Required Purpose (60.7%):

We also communicate with you about new product offers, promotions and contests.

Authority (89.5%), Processing (98.1%), Right (93.2%):

For legal reasons: We will share personal information outside of Rotageek if we have a good-faith belief that access, use, preservation or disclosure of the information is reasonably necessary to:

- Comply with applicable law
- Enforce our contractual rights
- Protect the rights, privacy, safety and property of Rotageek, you or others
- Respond to requests from courts, law enforcement agencies, regulatory agencies and other public and government authorities, which may include authorities outside of your country of residence.

Organisational Measure (68.5%):

If you are an Employee, Rotageek will generally not collect your Personal Data directly from you.

Organisational Measure (83.4%), Personal Data (90.1%):

Security and Retention We make reasonable efforts to ensure a level of security appropriate to the risk associated with the processing of Personal Data.

Organisational Measure (72.8%):

We maintain organisational, technical and administrative measures designed to protect Personal Data within our organisation against unauthorised access, destruction, loss, alteration or misuse.

Data Subject (62.4%), Required Purpose (99.2%):

Your Personal Data is only accessible to a limited number of Rotageek personnel who need access to the information to perform their duties.

Contract (79.7%):

Anyone with this access is subject to strict contractual confidentiality obligations and may be disciplined or terminated if they fail to meet these obligations.

Organisational Measure (88.3%):

We understand that AI is iterative and that it can require human intervention and oversight.

Organisational Measure (92.6%):

Our systems allow us to intervene and override the AI processing at any time or upon your request.

Processing (80.3%):

Unfortunately, no data transmission or storage system can be guaranteed to be 100% secure.

Required Purpose (80.8%), Retention (89.1%):

We retain Personal Data after we cease providing Services to you, even if you close your Rotageek account, to the extent necessary to comply with our legal and regulatory obligations, and for the purpose of fraud monitoring, detection and prevention.

Consent (68.3%), Retention (92.5%):

If you have elected to receive marketing emails from us, we retain information about your marketing preferences unless you specifically ask us to delete such information.

Retention (96.3%):

We retain information derived from cookies and other tracking technologies for a reasonable period of time from the date such information was created.

Legal Basis (99.1%), Retention (65.8%):

Where we retain data, we do so in accordance with any limitation periods and records retention obligations that are imposed by applicable law.

Organisational Measure (79.6%), Processing (77.4%):

We review our information collection, storage and processing practices, including physical security measures, regularly to prevent unauthorised access to our systems.

Consent (73.0%):

Your rights You have a choice regarding our use and disclosure of your Personal Data.

Required Purpose (91.1%):

Please note that if you opt-out of receiving marketing-related emails from us, we may still send you important administrative messages that are required to provide you with our Services.

Processing (64.1%):
