Personal Data (95.9%):

This includes any data, attributes or activities associated with an identifiable person or can be combined to identify a person.

Legal Basis (97.7%), Processing (73.9%):

Any personal data you supply to us via our Apps or Devices will be treated in accordance with applicable data protection laws.

Legal Basis (87.5%), Organisational Measure (81.5%), Processing (95.3%), Third Party

(65.8%):

When you provide us with personal data about others, you must ensure you notify the relevant individual(s) before sharing their information and present this Privacy Notice (or your own legally compliant privacy notice), explaining that their personal information will be processed in accordance with the relevant Privacy Notice.

Legal Basis (95.6%), Third Party (93.0%):

By accepting our Privacy Notice you are confirming you have met this requirement and will comply with all applicable laws relating to the personal data of the relevant third party.

Processing (88.1%):

SALUS Controls does not knowingly collect, use or disclose personal data from anyone under 18 years of age.

Data Controller (76.1%), Legal Basis (72.4%), Personal Data (97.8%), Required Purpose (84.6%), Scale EU (74.1%):

For the purposes of the European Union (EU) General Data Protection Regulation (GDPR), SALUS Controls Plc acts as the data controller responsible for determining the purposes and means of any processing of your personal data.

Personal Data (68.4%):

SALUS Controls has appointed a Group Data Protection Officer (DPO) for you to contact if you have any questions or concerns about our personal data policies or practices.

Data Protection Officer (97.0%):

Data Controller and Data Protection Officer SALUS Controls Plc is the headquarters for the SALUS Controls Group and is a company located in Rotherham registered in the United Kingdom (company number: 05057362; registered address as Units 8-10 Northfield Forge Way, Parkgate, Rotherham, South Yorkshire, S60 1SD).

Data Controller (98.5%):

QL Controls Sp.

Contract (84.5%), Data Controller (99.1%), Data Subject (64.8%), Legitimate Interest (94.5%):

What We Collect and How We Use Your Personal Data SALUS Controls will collect and process your information when we have one or more of these reasons: To fulfil a contract we have with you (Contract) When it is our legal duty (Legal) When it is in our legitimate interest (Legitimate Interest).

Legitimate Interest (81.2%), Organisational Measure (89.8%), Right (95.9%):

We make sure we consider and balance any potential impact on you (both positive and negative) and your rights before we process your personal data for our legitimate interests.

Consent (85.8%), Legal Basis (92.1%), Not Required Purpose (60.6%):

We do not use your personal data for activities where our interests are overridden by the impact on you (unless we have your consent or are otherwise required or permitted to by law).

Processing (99.6%):

The table below describes the personal data SALUS Controls collects from users of our Apps and Devices, how we may use such personal data, and the reasons or purposes we rely on to do so.

Automated Decision Making (92.4%), Personal Data (96.4%):

TYPE OF PERSONAL DATA REASON / PURPOSE DETAILS Account Registration or Profile Information This is the personal data you enter and submit to register details on our App and includes: First and Last Name Email Address Password Address Postal Code Telephone Number Language Unique Device Reference or Identifier A Device Identifier is a number that is automatically assigned to your Device when you access our servers.

Contract (69.8%), Processing (84.0%), Required Purpose (90.6%):

Basis for Processing: CONTRACT This information is used to meet our contractual obligations and provide our services to you as described when you purchase our Devices, and in the Terms and Conditions you accept when you download and use our Apps.

Processing (62.3%):

If you do not agree with this Privacy Notice, then please refrain from downloading and using our Apps, or connecting our Devices to the Internet.

Required Purpose (80.1%):

In order to register an account with us you must be 18 years old.

Required Purpose (95.9%), Retention (60.7%):

For example, we use this information to: register and link Devices to an account or profile; authenticate a Device owner and manage your account; provide technical support, customer services, and assist you with the installation, use or configuration of your Devices and Apps; manage an account and provide services to support the operation of your Devices; administer your Device or App remotely; provide guidance or fixes for you to implement; log, diagnose and resolve issues or faults (whether or not in connection with the provision of our Healthcheck Services, as described in our End User Licence Agreement); deal with complaints and claims, and process refunds or a product replacement; organise an onsite engineer visit (whether or not in connection with the provision of our Healthcheck Services, as described in our End User Licence Agreement); and send you specifications, manuals or installation guides.

Art. 16 Right to rectification (66.5%), Legitimate Interest (93.9%), Required Purpose (90.2%):

Basis for Processing: LEGITIMATE INTEREST We have a legitimate interest to use this data to: support our audits and help meet our service standards, or for training purposes; send you servicing communications by email such as important notices, alerts, scheduled maintenance, updates or changes to our services; send you information on new features or functionality of existing products you may own, and information to help improve the safety, security and way you use our Devices and Apps; provide useful information to you on how to better utilise your heating, ventilation and cooling systems, and enhance the use of connected Devices and Apps you already own; request feedback about the services we are currently providing to you through a survey for research purposes (although you do not need to respond to them); investigate any suspected breach of our terms; and send you communications containing promotional information on SALUS products, offers, and services and to make suggestions and recommendations to you about goods or services that may be of interest to you.

Legitimate Interest (86.2%):

Our legitimate interest here is Necessary for our legitimate interests to develop our products/services and grow our business.

Consent (94.5%), Personal Data (74.1%):

Images you decide to upload where they are of a personal nature.

Retention (97.5%):

We also receive Device and App properties and information that will be treated as personal data when combined with Account or Profile Information for as long as it remains combined: How you use Devices in your home: For example, user behaviour when logging on or using our Devices or Apps usage history, including household energy and electricity, patterns and use.

Non-Personal Data (75.4%):

Device configuration, settings, and schedules including temperature and if Device is set to holiday mode.

Personal Data (98.7%):

The IP address associated with a smart device, phone or computer may provide an approximate location when you connect to our App, but this will be no more precise than the city, state or country.

Required Purpose (82.9%):

For example, we use this information to: add or remove Devices to your account; enable you to view real-time Device settings, status and monitor energy usage; enable you to control your Devices remotely through the Apps; enable us to perform analytics to diagnose and resolve problems which we may detect in your heating system or which you as the user may experience; enable us to

organise an onsite engineer visit (whether or not in connection with the provision of our Healthcheck Services, as described in our End User Licence Agreement); enable us to monitor stability of your Devices and connections between Device, gateway and Internet; and monitor compliance with these terms or other applicable terms and conditions.

Consent (60.7%), Legitimate Interest (97.6%), Personal Data (79.6%), Required Purpose (97.1%):

Basis for Processing: LEGITIMATE INTEREST We have a legitimate interest to use this data to: carry out historical or statistical research over aggregated information to gain a broader understanding of the performance and use of our Devices and Apps over time; personalise the content you see, based on the details given by you and /or your activity on the App; investigate any suspected breach of our terms; identify, develop and deliver improvements to our products and services for example to assess and enhance safety, Device battery life, stability of Apps, or identify issues with heating system or smart home Device and connections; and provide useful information on how to better utilise your heating, ventilation and cooling systems, and enhance the use of connected Devices and Apps you already own.

Personal Data (86.3%), Required Purpose (78.0%):

Basis for Processing: CONSENT When you opt-in to marketing communications we will use your email address to: send you communications containing promotional information on SALUS products, offers, and services to enhance the use of connected devices and apps Refer to Your Communications Choices below for details on how to update your choices.

Processing (96.9%), Technical Measure (97.7%):

Cookies SALUS Controls uses cookies to enable functionality of our Apps and improve the users experience.

Processing (97.9%):

Cookies are small text files which are stored in the memory of your computer or other device such as mobile phones or tablet devices.

Personal Data (98.7%), Required Purpose (92.6%):

We use cookies to save information about registered users on our Apps such as your username and password, provide secure log in, assess how our Apps are used, and personalize your experience.

Consent (69.6%), Required Purpose (98.2%):

Browsing session What Happens If You Dont Give Us Your Information To fulfil our contractual obligations we require our users to provide certain categories of personal data as described above.

Processing (98.7%):

Sharing of Personal Data and Locations of Processing SALUS Controls will only share personal data with others when we are legally permitted to do so.

Required Purpose (95.9%):

SALUS Controls is a global group of companies with subsidiaries and affiliates across Asia, North America and Europe supporting us to develop, engineer and sell our Devices and Apps, and provide technical support to users.

Data Processor (66.7%), Required Purpose (77.4%):

We may share your personal data with these group companies, acting as joint controllers or processors of personal data, for the purposes set out in the table above.

Required Purpose (90.4%):

We also use third party data processors to process personal data on our behalf who help provide and support our products and services.

Third Party (79.4%):

Some third party data processors are based outside of the UK or are part of an international group of companies.

Processing (95.4%):

As a result of the above, personal data may be transferred, stored and accessed outside the countries where we and our data processors are located.

Scale EU (66.9%):

This includes countries outside the European Economic Area (EEA).

Legal Basis (74.2%), Organisational Measure (75.4%), Processing (88.9%), Scale Non-EU (70.2%):

SALUS Controls take steps to ensure all personal data is provided with adequate protection and that transfers of personal data outside the EEA are done lawfully.

Contract (64.0%), Right (77.5%), Scale EU (61.7%), Scale Non-EU (79.6%):

Where we transfer personal data outside of the EEA to a country not determined by the European Commission as providing an adequate level of protection for personal data, the transfers will be under an appropriate framework that protects the fundamental rights of anyone in the EU for such

international data transfers, such as the EU-US Privacy Shield or a European Commission approved standard contractual clauses.

Legitimate Interest (85.7%), Processing (92.6%), Required Purpose (93.6%):

If you would like more information on our international data transfer mechanisms please contact us via the details in section Data Controller and Data Protection Officer Personal data held by us may be transferred to the following categories of third party (whether as data processor or joint controller): Affiliates and subsidiaries in the same group of companies as us: for administration purposes, to fulfil our contract, deploy our products and services to you, and as necessary to pursue our legitimate interests; Our Agent: to provide technical support in countries they exclusively offer and sell our SALUS branded products and services we may share or give access to our Agent (QL Controls Sp.

Required Purpose (93.7%), Third Party (85.5%):

Third party cloud providers: to provide Internet of Things and Internet connection services; provide cloud-based solutions including infrastructure, servers and software; perform diagnostics and support for the stable operating of our Apps and connected Devices; provide security, back up and system availability services; and support problem management to resolve issues.

Legal Basis (65.9%), Legitimate Interest (68.2%), Required Purpose (97.8%):

Other service providers, data processors and advisors: such as companies that support our IT and provide cloud hosting services, help develop and test our Apps, process payments, send communications to our customers, provide us with legal, accountancy, insurance and banking advice, and generally help us deliver our services to you; Third-party installers and service engineers: to share operating and system diagnostics information, to book appointments with you and to provide installation, Device inspection and maintenance services, and any other onsite support (whether or not in connection with the provision of our Healthcheck Services, as described in our End User Licence Agreement); Market research partners: to contact our customers to help us find out how to improve our products and services; Parties involved in corporate transactions: as part of a purchase, merger or transfer, or in the event of a bankruptcy; Parties as a requirement by law: to comply with the law or respond to compulsory legal process; to assist government or regulators; and to verify or enforce compliance with policies governing our services.

Organisational Measure (84.6%):

We endeavour to apply suitable safeguards including technical, administrative and physical measures designed to protect the privacy and security of your personal data.

Processing (99.1%):

SALUS Controls also minimizes the risk to your rights and freedoms by limiting access to personal data to only those who have a business need and not collecting or storing special categories of information about you through our Apps or Devices.

Processing (96.4%):

Unfortunately, the transmission of information via the Internet is not completely secure.

Processing (90.6%):

Although we will do our best to protect your personal data, we cannot guarantee the security of your information transmitted to and from our Apps or Devices.

Organisational Measure (79.0%):

Once we receive your information, we will use strict measures and security features to try to prevent unauthorised access.

Processing (81.2%):

Security of Personal Data SALUS Controls is committed to keeping personal data secure.

Retention (99.0%):

Retention of Personal Data SALUS Controls will keep your personal data for as long as is reasonably necessary for the purposes we have described.

Legal Basis (94.4%), Retention (87.9%):

These periods vary depending on the nature of the information and your interactions with us, our legal basis for processing the information and the requirements imposed on us by law and regulations.

Retention (73.0%):

The retention period may also be affected by our litigation, accounting or reporting requirements.

Retention (71.2%):

When we no longer need (or are obliged) to process your personal data, we will take reasonable steps to securely destroy your information or permanently de-identify it.
