Once we become aware of that, we will delete them.

Personal Data (99.5%), Processing (99.2%):

This Privacy Policy aims to acquaint you with the main moments related to the processing of your personal data.

Required Purpose (72.6%), Right (95.7%):

The Data Controller reserves the right to update it, and its current version will be at your disposal at any time on the Service as listed above.

Personal Data (98.3%), Processing (99.5%), Technical Measure (95.3%):

Cookies: means small pieces of data stored on the users device.

Data Controller (73.3%), Legal Basis (76.0%), Processing (99.2%), Required Purpose (87.5%):

Data controller: means a person who (either alone or jointly or in common with other persons) determines the purposes for which and the way any personal data are, or are to be, processed.

Art. 17 Right to erasure (right to be forgotten) (64.6%), Authority (61.2%), Data Processor (90.4%), Organisational Measure (60.3%), Processing (99.2%):

Data processor or service providers: means a natural or legal person, public authority, agency, or other body (other than an employee of the Data Controller) who processes the data on behalf of the Data Controller.

Data Subject (91.5%), Personal Data (99.5%), Third Party (73.0%):

Personal data: means any information relating to an identified or identifiable natural person (the Data Subject) via an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural, or social identity of that natural person.

Automated Decision Making (80.9%), Processing (98.0%), Required Purpose (76.7%), Retention (83.4%):

Processing: means any operation or set of operations which is performed on Personal Data or on sets of Personal Data, whether by automated means, such as collection, recording, organization, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

Processing (98.6%), Third Party (91.1%):

Recipient: means a natural or legal person, public authority, agency, or another body, to which the personal data are disclosed, whether a third party or not.

Automated Decision Making (93.6%), Processing (99.1%), Retention (90.3%):

Usage data: means the data collected automatically either generated using the Service or from the Service infrastructure itself.

Data Subject (70.4%), Required Purpose (68.1%), Retention (71.5%):

User: means the individual visiting and using our Service.

Organisational Measure (91.7%), Required Purpose (68.0%), Retention (60.1%):

Principles 2.1 The main principles on which the Data Controller bases the processing of personal data are: (i) legality; (ii) good faith and transparency; (iii) minimizing data and limiting the purposes and retention period; (iv) accuracy; (v) integrity and confidentiality; (vi) accountability.

Contract (93.9%), Legitimate Interest (79.9%), Personal Data (83.3%), Retention (82.3%):

2.1.1 In order for the Processing to be lawful, the Data Controller processes your Personal Data based on legitimate grounds, when necessary, in the context of a contract or with an expressed intention to conclude such.

Art. 15 Right to access by the data subject (74.5%), Processing (96.9%):

This principle applies to the information that you as a Data Subject receive about the identity of the Data Controller and the purposes of the Processing, as well as to the additional information guaranteeing conscientious and transparent Processing.

Legal Basis (94.0%), Processing (99.0%), Required Purpose (67.1%), Retention (72.8%):

2.1.3 Compliance with the third principle, namely to minimize data and limit the purposes and period of storage by the Data Controller, is ensured by collecting only those data that are absolutely necessary for the purposes and activities of the Data Controller and its compliance with the legal requirements, as they are processed only for specific, explicitly stated and legitimate purposes, and are not processed in a way incompatible with these purposes, and are stored for a period not longer than necessary or provided by the law.

Processing (94.5%), Required Purpose (86.5%), Right (62.1%):

2.1.4 The principle of accuracy requires that all Personal Data processed by the Data Controller be accurate and kept up to date, and for this purpose the Data Controller relies on you as a Data Subject, on your correctness and assistance.

Organisational Measure (87.5%), Required Purpose (85.9%):

2.1.5 In accordance with the principle of integrity and confidentiality, the Data Controller processes your Personal Data in a way that ensures an appropriate level of security, including protection against unauthorized or unlawful processing and against accidental loss, destruction, or damage, applying appropriate technical or organizational measures.

Personal Data (99.4%):

2.2 The Data Controller ensures that all persons involved in the Personal Data processed by it are familiar with the basic principles set out here, this Policy, as well as the applicable legal requirements regarding the protection of your Personal Data.

Non-Personal Data (86.8%), Organisational Measure (74.5%), Personal Data (99.3%),

Technical Measure (88.5%), Third Party (89.1%):

The categories of Personal Data may include, but are not limited to: First name and surname
Country and country code Email address Phone number (if applicable) Habitual residence (if applicable) Google, Facebook, Huawei, Microsoft and/ or Apple credentials and profile pictures (if applicable) Billing and payment data credit or debit card number, bank account information (if applicable) and information about payments Cookies and Usage Data device type, device ID and/ or IP address, crash logs data, diagnostic data, music files data and other information as clarified below (if applicable) Communications and content, including audio, video, text (typed, inked, dictated, or otherwise), in a message, email, or chat (if applicable).

Personal Data (83.4%), Processing (82.6%), Retention (84.4%):

3.2 The Data Controller receives your Personal Data in the following ways: (i) personally from you, when you visit and start using the Service; (ii) from other sources like Google, Facebook, Apple, etc.

Data Source (67.3%), Technical Measure (78.3%):

but only as supplementary information to that, already provided voluntarily by you; and (iii) through so-called Cookies and other unique identifiers.

Personal Data (78.7%), Processing (91.4%), Third Party (96.0%):

3.3 Integration with third party services (Google, Facebook, Huawei, Microsoft, Apple, Stripe, and more) may require exchange of information, such as username, open ID, single-sign-on tokens, and any other data required for implementation of said integration.

Processing (98.6%):

Any data received from third party service is covered by this Privacy Policy.

Automated Decision Making (66.1%), Non-Personal Data (73.0%), Required Purpose (69.4%):

3.4 Please note that when you provide your credit or debit card number on the Service, this Personal Data is automatically redirected for Processing to our Service Providers of Payments as enumerated in item 9.4 below.

Personal Data (91.7%):

We process only a derivative information about your payments (amount paid, date of payment, return, if any, transaction history, etc.).

Legal Basis (84.8%), Organisational Measure (75.4%), Personal Data (84.0%):

3.5 Where required by law, we store the data and information we collect from you when you are unauthenticated (not signed in) separately from any Account Personal Data that directly identifies you, such as your name, email address, or other.

Processing (63.9%):

d) Sentry.io is used in our Windows apps for error and performance monitoring to help us diagnose, fix, and optimize our applications.

Required Purpose (95.7%), Technical Measure (66.5%):

i) AI Service Providers We use third-party AI services to power certain intelligent features in our products.

Personal Data (99.7%):

In particular, we employ: OpenAI - <https://openai.com> Microsoft Azure AI - AI Services Microsoft Azure Google Cloud Vertex AI - Vertex AI Platform These providers may process your inputs (text, images, metadata and other Non-personal information) in order to deliver, improve and secure the AI-powered functionality you access.

Organisational Measure (62.1%), Processing (90.7%):

They act as independent data controllers or processors and handle your data in accordance with their own privacy policies.

Personal Data (98.2%), Required Purpose (99.3%):

When you create a personal Account, you will be asked to provide certain Personal Data and we will assign a unique ID number to identify your Account and the associated information.

Required Purpose (63.2%):

Thus, you become an Account Holder.

Required Purpose (99.6%):

Signing into your Account enables personalization, consistent experiences across products and devices, permits you to use cloud data storage, allows you to make payments using payment methods stored in your Account, and enables other features such as chats, file sharing and others.

Required Purpose (93.9%):

We may use the Personal Data provided therein for the purposes as enumerated in item 5.1 above, including but not limited to contact you via email messages regarding your Account and maintenance related issues, newsletters, as well as marketing or promotional information that may be of your interest.

Organisational Measure (75.9%):

Whenever made possible, you can also update your Personal Data directly within your Account settings.

Retention (86.1%):

When you close your Account, we begin deleting certain Personal Data and Information that we no longer have a business reason to retain.

Retention (93.5%):

However, we typically retain Personal Data related to our contracts and business transactions for

five years after your last interaction with us or upon the contract expiration.

Retention (84.4%):

We cannot restore any of these once your Account is closed.

Automated Decision Making (83.1%), Organisational Measure (73.9%), Required Purpose (87.4%):

12.2 With regard to automated processing, the Data Controller is applying measures aiming at:

12.2.1 control over access to equipment to deny unauthorized persons access to the equipment used for Personal Data Processing

12.2.2 control of data carriers to prevent reading, copying, modification or removal of data carriers by unauthorized persons

12.2.3 control over storage to prevent the entry of Personal Data by unauthorized persons, as well as the performance of checks, modification, or deletion of stored Personal Data by unauthorized persons

12.2.4 consumer control to prevent the use of automated processing systems by unauthorized persons through the use of data transmission equipment

12.2.5 control over access to data to ensure that persons who are allowed to use an automated processing system have access only to the Personal Data covered by their access authorization

12.2.6 control over communication to ensure the possibility of verification and establishment of which persons have been or may be transferred Personal Data, or which persons have access to Personal Data through data transmission equipment

12.2.7 control over data entry to ensure the possibility for subsequent verification and establishment of what Personal Data have been entered into the automated processing systems, as well as when and by whom they were entered

12.2.8 control over the transfer to prevent the reading, copying, modification or deletion of Personal Data by unauthorized persons during the transfer of Personal Data or during the transfer of data carriers

12.2.9 recovery to ensure the possibility of recovery of the installed systems in case of failure of the functions of the systems

12.2.10 reliability to ensure the implementation of the functions of the system and the reporting of defects in the functions

12.2.11 integrity to ensure that the stored personal data is not damaged due to improper functioning of the system.

Organisational Measure (73.4%):

12.4 We follow generally accepted standards to protect the Personal Data submitted to us during Processing including HTTPS.

Legal Basis (95.3%), Organisational Measure (60.2%):

We will aim to address all your request, complaints and/ or worries within reasonable time as of their receipt by being compliant with our high standards for Personal Data protection and the applicable legislation.

Right (78.5%):

Your rights as data subject.

Legal Basis (75.9%), Scale EU (64.9%), Scale Non-EU (68.5%):

GDPR compliance 14.1 Although the main establishment of the Data Controller is in California (USA), this Privacy Policy takes under consideration and is made to comply with the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons regarding the processing of personal data and on the free movement of such data (GDPR).

Art. 16 Right to rectification (71.7%), Authority (78.8%), Lodge Complaint (91.0%), Organisational Measure (64.3%):

In addition, we have implemented processes in place to support Users having habitual residence in EU to receive information how their Personal Data is processed and how to exercise their rights, which are as follows: 14.1.1 Right of access: you have the right to obtain from the Data Controller confirmation as to whether or not Personal Data concerning you are being processed, and, where that is the case, access to the Personal Data and the following information: (a) the purposes of the Processing; (b) the categories of Personal Data concerned; (c) the Recipients or categories of Recipient to whom the Personal Data have been or will be disclosed, in particular Recipients in third countries or international organizations; (d) where possible, the envisaged period for which the Personal Data will be stored, or, if not possible, the criteria used to determine that period; (e) the existence of the right to request from the Data Controller rectification or erasure of Personal Data or restriction of Processing of Personal Data concerning you or to object to such Processing when it is marketing purposes; (f) the right to lodge a complaint with a supervisory authority; (g) where the Personal Data are not collected from you, any available information as to their source; (h) the existence of automated decision-making, including profiling or at least in those cases, meaningful information about the logic involved, as well as the significance and the envisaged consequences of such Processing for you and (i) other processing-relevant information.

Art. 16 Right to rectification (95.2%):

14.1.2 Right to rectification: you shall have the right to obtain from the Data Controller without undue delay the rectification of inaccurate Personal Data concerning you right to have incomplete Personal Data completed, including by means of providing a supplementary statement.

Art. 17 Right to erasure (right to be forgotten) (79.2%), Required Purpose (60.9%):

14.1.3 Right to erasure (to be forgotten): you have the right to request the Data Controller to delete without undue delay the Personal Data that concern you, when they are no longer needed for the

purposes for which they were collected and/ or processed; when you withdraw your consent, on which their processing is based and there is no other legal basis for it; when you object to their Processing for the purposes of direct marketing and there are no legitimate grounds for processing to take precedence; when your Personal Data is processed in violation of the principles outlined above; when it must be deleted in order to comply with a legal obligation for the Data Controller or the Personal Data have been collected in relation to the offer of information society services.

Legitimate Interest (79.4%), Required Purpose (68.6%):

This right shall not apply to the extent that Processing is necessary: (a) for exercising the right of freedom of expression and information; (b) for compliance with a legal obligation to which the Data Controller is subject or for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Data Controller; (c) for reasons of public interest in the area of public health; (d) for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes in so far as the right is likely to render impossible or seriously impair the achievement of the objectives of that Processing; or (e) for the establishment, exercise or defense of legal claims.

Required Purpose (79.9%):

12.3 Through measures under the previous point, the Data Controller is aiming to ensure the protection of Personal Data at the design stage, considering the achievements of technical progress, implementation costs and the nature, scope, context, and objectives of Personal Data Processing, as well as risks to the rights and freedoms of individuals.

Art. 18 Right to restriction of processing (85.4%):

14.1.4 Right to restriction of Processing: the Data Controller restricts the processing of Personal Data without deleting them when: (i) the accuracy of the Personal Data is disputed by you as a Data Subject and this cannot be verified, or (ii) Personal Data must be kept for evidentiary purposes.

Art. 20 Right to data portability (87.5%), Contract (68.3%):

14.1.5 Right to data portability: you have the right to receive the Personal Data concerning you, in a structured, commonly used, and machine-readable format and have the right to transmit those data to another controller without hindrance from the Data Controller to which the Personal Data have been provided, when the Processing is based on a contractual obligation and is performed in an automated manner.

Right (81.5%):

If you are unable to do this by yourself, please contact us to make the necessary changes.

Art. 21 Right to object (75.3%):

14.1.6 Right of objection: If you have consented to the Processing of your Personal Data for the purposes of direct marketing, you have the right to object to this Processing at any time, including when it involves profiling.

Legitimate Interest (71.7%), Right (79.4%):

In case you exercise this right, the Data Controller is obliged to apply appropriate measures to protect your rights, freedoms, and legitimate interests, ensuring human intervention and giving you the right to express your point of view and challenge its decision.

Personal Data (92.5%):

General standards The Data Controller respects your privacy no matter where your habitual residence is.

Personal Data (88.9%):

The application must contain: (i) name, surname, habitual residence, IP address (if applicable); (ii) a description of the request; (iii) a preferred form of obtaining information in the exercise of rights; (iv) signature, date of filing of the application.

Retention (95.7%):

The period may be extended by two (2) months when this is necessary due to the complexity or number of requests.

Organisational Measure (81.1%):

Where requests from a Data Subject are manifestly unreasonable or excessive, in particular because of their recurrence, the Data Controller may: (i) charge a fee commensurate with the administrative costs of providing the information or correspondence, or of acting on the request, or (ii) refuse to act on the request.

Organisational Measure (79.4%):

14.4 In case of the Personal Data breach, and provided that, it is likely to result in a high risk to your rights and freedoms, we will notify you thereof without undue delay and describe in clear and plain language the nature of the Personal Data breach, the likely consequences of it and the measures taken or proposed to be taken by us to address it, including, where appropriate, measures to mitigate its possible adverse effects.

Organisational Measure (86.9%):

In some cases the communication shall not be required, especially when: (i) we have implemented appropriate technical and organizational protection measures, and those measures were applied to the Personal Data affected by the Personal Data breach, such as encryption; (ii) we have taken subsequent measures which ensure that the high risk to your rights and freedoms is no longer likely

to materialize; (iii) it would involve disproportionate effort, in which case, you will be informed in an equally effective manner like via a public communication or other.

Legal Basis (91.2%):

g) We use Microsoft Clarity on our website and mobile applications, which is a GDPR compliant user behavior analytics tool.

Authority (92.6%):

You have an additional opportunity to file a claim against us before the competent court.

Legal Basis (99.3%):

CCPA compliance 15.1 WE DO NOT SELL OR RENT ANY COLLECTED PERSONAL DATA AND INFORMATION WITH ANY THIRD PARTY.

Personal Data (99.7%):

15.2 The CCPA defines Personal Information as information that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular consumer or household, inter alia, (i) identifying information, such as real name, postal address, unique personal identifier, IP address, email address, account name, social security number, passport number, drivers license number, or other similar identifiers; (ii) commercial information, including records of personal property, products, or services purchased; purchases considered; or other purchasing histories; (iii) browsing history, search history, and information regarding a consumers interaction with a website or advertisement; (iv) geolocation data; (v) education information; (vi) inferences drawn from this information, such as personal characteristics, predispositions, intelligence, aptitude, etc.

Personal Data (99.0%):

Cookies are sent to your browser from a website and stored on your device.

Personal Data (99.5%):

15.2.1 Right of access: you have the right to request (and receive) disclosure from us regarding: (i) specific pieces of Personal Information collected about you; (ii) categories of Personal Information collected; (iii) categories of the sources from which the information was collected; (iv) categories of Personal Information that we share or disclosed for a business purpose; (v) categories of third parties with whom the Personal Information was shared or disclosed; and (vi) the business or commercial purpose for collecting or sharing Personal Information.

Personal Data (98.3%), Processing (69.6%):

This disclosure is limited to information collected, sold, or disclosed in the past 12 months and does not cover sensitive information like consumers social security number, drivers license number,

account password or financial account numbers.

Required Purpose (80.0%):

In addition, we are not required to search for Personal Information if we: (i) do not maintain the Personal Information in a searchable or reasonably accessible format; (ii) maintain the Personal Information solely for legal or compliance purposes; (iii) do not sell the Personal Information and do not use it for any commercial purpose; and (iv) describe to you the categories of records that may contain Personal Information that we did not search because it meets the three conditions stated above.

Art. 17 Right to erasure (right to be forgotten) (83.8%):

15.2.2 Right to request deletion: you also have a right to request your Personal Information to be deleted.

Art. 17 Right to erasure (right to be forgotten) (70.3%), Processing (74.0%), Required Purpose (65.0%):

In this case, we will: (i) permanently and completely erase your Personal Information on existing systems and direct our partners and/ or Service Providers to do so, provided that, no exceptions are in place, or de-identifying the information or otherwise modifying it to make it unreadable or undecipherable through any means, and notify you that your Personal Information have been backed up or archived and will be deleted when those systems are next accessed.

Required Purpose (96.6%):

Neither we, nor our Service Providers are required to comply with your deletion request, if the Personal Information is necessary to: (i) complete a transaction for which the Personal Information was collected, provide a good or service requested by you, or otherwise perform a contract between us and you; (ii) detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity (or prosecute those responsible); (iii) debug to identify and repair errors that impair existing intended functionality; (iv) exercise or ensure the right of another to exercise free speech or another legal right; (v) comply with a legal obligation; or (vi) otherwise use the information internally in a lawful manner compatible with the context in which you have provided it.

Personal Data (85.7%):

15.2.3 Right to opt-out of the sale of personal information.

Organisational Measure (84.6%):

CCPA Regulations require us to treat your user-enabled global privacy controls, such as a browser plug-in or privacy setting, device setting, or other mechanism, that communicate or signal your choice to opt-out of the sale of your Personal Information as valid opt-out requests.

Organisational Measure (69.6%):

If it proves impossible to correct inaccurate Personal Data provided by you, the Data Controller shall delete them in a timely manner, considering the purposes for which they are processed.

Organisational Measure (85.2%):

We must comply with it as soon as feasibly possible, but at least within 15 days from receiving the request.

Processing (91.4%), Third Party (68.7%):

Please be advised that in practice the following scenarios involving transfers of Personal Information between entities are potentially excluded from the scope of a sale: (i) the linking, at the consumers request, of one online account to another; (ii) sharing a particular device identifier with vendors to give effect to a consumers opt-out request; (iii) standard relationships with third party vendors or service providers who process data, provided appropriate contractual restrictions are in place; or transfers of data on a merger, acquisition or insolvency event.

Organisational Measure (77.7%):

15.3 Upon verifying your identity, we will notify you that your request has been received and is being processed.

Organisational Measure (88.8%):

We will respond within 45 days after verification to any of your access requests and deletion requests.

Organisational Measure (83.7%):

The 45-day response time can be extended but only with appropriate notice and explanation.

Processing (98.9%):

The Data Controller maintains records of your requests.

Required Purpose (71.4%):

15.4 To meet CCPA requirements under item 15.2.3, provide links to the relevant opt out methods of our Service Providers as per item 9.3 above.

Right (82.0%):

15.5 Non-discrimination: the CCPA provides that you may not be discriminated against for exercising the above rights.

Authority (87.5%):

You can also designate an authorized agent to exercise these rights on your behalf.

Legal Basis (62.8%):

15.6 In addition to the above, we comply with the requirements of the Privacy Rights for California

Minors in the Digital World Act (the Eraser Law) as far as it is applicable to our Service.

Legal Basis (92.5%):

This is in addition to any other specific notification obligations for data breaches contained in other statutes.

Legal Basis (71.5%):

VCDPA compliance The Virginia Consumer Data Protection Act (the VCDPA) takes effect on January 1, 2023, and affects companies and organizations that do business in Virginia or that deliver products or services to residents of Virginia.

Required Purpose (61.4%):

In a nutshell, what the VCDPA requires from companies and organizations to do is to discover what personal data is processed, map out how and to whom they share personal data, and manage how personal data is stored, as well as protect personal data from breaches and abuse.

Right (75.3%):

Stoyan Gogov at in case you need assistance or clarification, want to exercise your legal rights, or file a complaint.
