Art. 17 Right to erasure (right to be forgotten) (71.7%), Processing (70.1%):

You can delete your imported address book contacts from ScoreStream at any time.

Data Controller (96.4%), Personal Data (77.7%), Processing (85.3%), Required Purpose (60.2%), Third Party (98.8%):

ScoreStream receives your information through our various websites (including ScoreStream.com), SMS, APIs, email notifications, mobile applications (including the ScoreStream mobile application), buttons, widgets, ads, and commerce services (the "Services" or "ScoreStream") and from our partners and other third parties.

Personal Data (79.5%), Processing (83.6%):

If you email us, we may keep your message, email address and contact information to respond to your request.

Personal Data (92.7%), Third Party (79.0%):

If you connect your ScoreStream account to your account on another service in order to cross-post between ScoreStream and that service, the other service may send us your registration or profile information on that service and other information that you authorize.

Personal Data (98.2%):

For example, you send us information when you use ScoreStream from our website, post scores and photos from the ScoreStream mobile application.

Non-Personal Data (88.0%), Personal Data (94.7%), Processing (76.2%):

This includes not only the scores and photos/videos you post, the metadata provided with those posts, such as when you posted, but also the games and teams follow, the people you follow, and many other bits of information that result from your use of the Services.

Personal Data (66.0%):

You may unsubscribe from notifications from ScoreStream by following the instructions contained within the notification or the instructions on our website.

Required Purpose (94.5%):

We may use this information to customize the content we show you, including ads.

Consent (67.7%), Personal Data (98.2%), Retention (85.8%):

Our default is almost always to make the information you provide public for as long as you do not delete it from ScoreStream, but we may give you settings to make the information more private if you want.

Personal Data (96.5%), Processing (96.7%):

For instance, your public user profile information and public posts are immediately delivered via APIs to our partners and other third parties, including search engines, developers, and publishers that integrate ScoreStream content into their services.
