Information Collected by Cookies: When you access the Service, we may send one or more cookies to your computer or mobile device.

Non-Personal Data (63.3%), Processing (95.6%), Required Purpose (99.3%):

A "cookie" is a small line of text that is stored with your browser, which we use to help provide better service to you.

Consent (94.4%), Organisational Measure (74.6%), Required Purpose (96.2%):

Your browser has options to accept, reject or provide you with notice when a cookie is sent.

Automated Decision Making (95.0%), Processing (96.4%), Third Party (69.5%):

Log File Information: Our servers automatically record certain information that your browser sends whenever you access the Service.

Non-Personal Data (97.0%), Personal Data (79.5%):

These server logs may include information such as your web request, Internet Protocol ("IP") address, browser type, browser language, referring / exit pages and URLs, platform type, number of

clicks, domain names, landing pages, pages viewed and the order of those pages, the amount of time spent on particular pages, the date and time of your request, and one or more cookies that may uniquely identify your browser.

Non-Personal Data (82.4%):

Mobile devices collect information about device type, operating system, user location to make a route, push message identifier.

Personal Data (99.2%), Processing (98.5%), Third Party (71.7%):

Any personal information that you voluntarily disclose online (in messages, within your public profile page, through User Content that you submit, etc.) becomes publicly available and can be collected and used by others.

Consent (68.6%), Data Subject (68.0%):

By accessing the Service at any time after such modifications, you are agreeing to such modifications.

Consent (97.3%), Required Purpose (96.5%):

If you have not opted out from receiving these communications from us, we may use your email address, phone number or other personally identifiable information to send commercial or marketing messages.

Required Purpose (68.7%):

You cannot opt out of receiving communications for non-marketing or administrative purposes.

Non-Personal Data (89.4%), Personal Data (96.4%), Required Purpose (99.5%):

We use aggregated information (such as anonymous user usage data, cookies, IP addresses, browser type, clickstream data, etc.) to improve the quality and design of the Service and to create new features, promotions, functionality, and services by storing, tracking, and analyzing user preferences and trends.

Personal Data (77.8%):

In addition, we may use cookies and log file information to deliver content (which may include third party advertisements) specific to your interests, and remember information so that you will not have to re-enter it each time you visit the Service.

Required Purpose (96.7%), Third Party (99.0%):

We may use cookies for many purposes, including (without limitation) to save your password so you don't have to re-enter it each time you visit the Service, and to deliver content (which may include third party advertisements) specific to your interests.

Consent (84.7%), Processing (94.0%):

We will not share your personally identifiable information with other, third-party companies for their commercial or marketing use without your consent or except as part of a specific program or feature for which you have the ability to opt-in or opt-out.

Recipient (83.9%), Required Purpose (76.9%):

We may provide personally identifiable information to employees, consultants, affiliates or other businesses or persons for the purpose of processing such information on our behalf.

Contract (79.8%):

In such circumstances, we require that these parties agree to protect the confidentiality of such information and to comply in all respects with this Privacy Policy.

Non-Personal Data (83.9%), Recipient (77.5%), Required Purpose (88.6%):

We may share non-personally-identifiable information (such as anonymous User usage data, referring / exit pages and URLs, platform types, number of clicks, etc.) with interested third-parties to assist them in understanding the usage patterns for certain content, services, advertisements, promotions, and/or functionality on the Service.

Legal Basis (78.8%), Processing (94.2%), Required Purpose (96.0%), Right (89.3%):

In addition, we may release personally identifiable information: (i) to the extent we have a good-faith belief that such action is necessary to comply with any applicable law, enforce any provision of the Terms of Service, protect ourselves against any liability, defend ourselves against any claims, protect the rights, property and personal safety of any user or protect the public welfare; or (ii) to respond to a court order, subpoena, or search warrant.

Third Party (78.6%):

Third Party Advertisers We may allow other companies, called third-party ad servers or ad networks, to serve advertisements within the Service.

Required Purpose (75.2%), Technical Measure (92.2%):

These third-party ad servers or ad networks use technology to send, directly to your browser, the advertisements and links that appear on the Service.

Processing (84.1%):

They automatically receive your IP address when this happens.

Required Purpose (97.5%), Technical Measure (95.8%):

They may also use other technologies (such as cookies, JavaScript, or Web Beacons or Mobile app libraries) to measure the effectiveness of their advertisements and to personalize the advertising content you see.

Organisational Measure (73.3%), Required Purpose (77.6%):

We have implemented security measures to protect personally identifiable information collected on the Service against loss, misuse or alteration.

Required Purpose (63.1%):

In addition, your account information is protected by a password for your privacy and security.

Personal Data (72.0%), Processing (99.2%):

Moreover, despite the precautions described above, we cannot and do not guarantee that the individual user information you have transmitted will not be intercepted by others and/or decrypted or accidentally disclosed, and we accept no liability for any unintentional disclosure.

Processing (85.2%):
