

**Data Controller (99.1%), Data Subject (93.8%), Organisational Measure (82.8%), Processing (93.5%):**

DoggoApps - Privacy Policy Privacy Policy for App PRIVACY POLICY FOR APP Thank you for downloading App.

**Data Controller (97.2%), Required Purpose (91.1%):**

This Privacy Policy (the Policy) has been established to help you understand our commitment to protecting your privacy, and the steps we take to ensure it.

**Right (83.3%):**

DoggoApps reserves the right, at any time and without prior notice, to modify the Policy.

**Data Controller (61.8%):**

It is the policy of DoggoApps to respect your privacy, and the privacy of all users of our applications.

**Processing (99.6%):**

Our guiding principle is that any information we collect from you will be treated with the utmost care and respect, and every effort will be made to ensure the information is kept private.

**Art. 17 Right to erasure (right to be forgotten) (74.9%), Consent (72.0%), Processing (81.0%):**

If you do not agree to this Policy, do not use or access the Application, and delete it from the device on which the Application was installed (the Device).

**Personal Data (99.5%), Processing (74.6%):**

If you have any questions about the Policy, please contact: DoggoApps Legal Services [legal@doggoapps.com](mailto:legal@doggoapps.com) No Collection of Personal Information DoggoApps does not gather any of your personal information while you are using the Application, except as provided for in this Policy.

**Processing (99.6%):**

Where certain information is collected, it will only be used for the stated purpose.

**Processing (95.9%):**

Application also includes any Application updates and upgrades that DoggoApps may provide to you or make available to you, or that you obtain after the date you obtain your initial copy of the Application, to the extent that such items are not accompanied by a separate Privacy Policy.

**Personal Data (67.9%), Processing (99.6%):**

General Information Transfer Any information or data the Application collects may be stored locally on your device, and DoggoApps may obtain information as a result of the data being sent to our servers from the Application.

**Processing (77.3%):**

Where the present Policy refers to DoggoApps, it may refer to the Application or DoggoApps or

both, depending on the context.

**Processing (99.2%), Technical Measure (96.5%):**

Additionally, you may share data between the Device and other devices via Bluetooth.

**Data Subject (74.2%):**

Your privacy is very important to us and we want you to know everything we do and don't do with the information you provide.

**Automated Decision Making (97.2%), Required Purpose (98.0%):**

Limited Gathering of Information for Statistical Purposes Where you have downloaded App, DoggoApps may automatically collect certain information using third-party programs to help us understand how our users use the Application, but none of this information identifies you personally.

**Technical Measure (99.1%):**

DoggoApps may use Google Firebase Analytics (see <https://firebase.google.com/features/analytics/>) or other similar services to collect such information.

**Third Party (87.9%):**

For more information about DoggoAppss use of Google Firebase Analytics, please see the Third Party Advertisements section below.

**Data Subject (64.4%):**

Moreover, DoggoApps does not sell any information regarding its Application users.

**Data Processor (70.5%):**

Only the employees, representatives, subcontractors, or officers of DoggoApps are responsible for the management and development of the Application, and only these individuals have access to the information collected therefrom.

**Legitimate Interest (87.3%), Required Purpose (85.3%):**

Notwithstanding anything in the Policy to the contrary, we may share any information we have collected about you or that you have submitted: (1) in response to subpoenas, court orders, or legal process, or to establish, protect, or exercise our legal rights or defend against legal claims or demands; (2) if we believe it is necessary in order to investigate, prevent, or take action regarding illegal activities, fraud, or situations involving potential threats to the safety of any person; (3) if we believe it is necessary to investigate, prevent, or take action regarding situations that involve abuse of the Application infrastructure, the Internet in general, or any telecommunications service in general; (4) to a parent company, subsidiaries, joint ventures, or other companies under common control with DoggoApps (in which case we will require such entities to honour this Policy); and (5) if DoggoApps is acquired by or merged with another entity (in which case we will require such entity to

assume our obligations under this Policy).

**Third Party (95.5%):**

Under no circumstances does DoggoApps collect, download or otherwise make copies of any recordings you make using the Application (hereinafter Recordings) and any reference to personal information in the present Policy does not include Recordings, or any personal information about you or any third party included in the Recordings.

**Consent (93.9%):**

By using the Application, you consent to the delivery of these advertisements and any data collected by Google, as per the Privacy Policy of AdMob (found at <http://www.admob.com/home/privacy>).

**Required Purpose (87.4%):**

The information may be used to serve you advertisements that will be of interest to you.

**Consent (78.1%):**

App was developed by, and are owned and operated by, DoggoApps, a duly incorporated company in the province of Quebec, Canada.

**Third Party (99.1%):**

Non-disclosure of Personal Information Except as provided in the following paragraph and following section, DoggoApps does not divulge any personal information gathered via the Application to third parties.

**Processing (71.3%):**

Permissions The following is a complete listing and description of what functions on the Device are accessed and / or modified by the Application.

**Non-Personal Data (76.0%):**

CHANGE YOUR AUDIO SETTINGS Allows the Application to modify global audio settings such as volume and which speaker is used for input/output.
