HOW WE COLLECT YOUR DATA We may collect and receive information which may be considered personal data according to applicable laws in a variety of ways.

Automated Decision Making (70.8%), Technical Measure (99.3%), Third Party (91.5%):

More specifically: - Directly from you when you submit it to us (for example, when registering an account with us, subscribing to our communications, sending support enquiries to us, or responding to our surveys); - Directly from you and/or your device by automatic means when you use our Services or interact with our ads outside of our Services (for example, on third-party websites or applications), including through cookies or similar technologies or software development kits (SDKs); - From our advertising partners involved in the delivery and measurement of ads when you interact with third-party ads in our Games or Tilting Points ads outside of our Services (for example, on third-party websites or applications); - If you choose to connect a third-party account (for example, a social media account) with our Services, from the third-party account provider; - If you make purchases in our Services, from the third-party payment service provider involved in those transactions; - With your consent, from other sources explained to you when asking for your consent.

Processing (89.8%):

However, we are unable to provide the Services, or some parts or features of the Services, without processing your data.

Consent (75.0%):

If you use our Services, we will collect data relating to you for some or all of the purposes described in this Policy, depending on the Services you decide to use and your choices when using them.

Art. 18 Right to restriction of processing (61.0%):

You have a number of options to limit or control the extent to which your data is processed.

Organisational Measure (86.7%):

For example, you can choose to not connect your third-party accounts with our Games, use your device settings to reset or limit the use of your Advertising ID, withhold consent for customized advertising, or disable some or all cookies from your browser settings.

Legal Basis (96.1%), Processing (80.0%):

GENERAL When we process or collect your data, we ensure that we have a legal basis to do so.

Authority (78.8%), Contract (62.2%), Organisational Measure (71.6%), Processing (97.1%), Required Purpose (99.0%):

Below, you can find examples of the different purposes for which we process your data and the legal basis we have for each of those reasons: - To carry out our obligations as a result of any contract entered into between you and us and to provide you with the information and services that you request from us, including to set up, manage and administer your betting account (including for anti-money laundering, prevention of terrorist financing, processing any self-exclusion requests and identity verification purposes) and to make, settle and pay bets; - To notify you about changes to the products and services that we offer and (where you have indicated your consent) to directly market these products and services to you; - To administer our websites for internal operations, including troubleshooting, data analysis, testing, research, statistical and survey purposes; - To allow you to participate in interactive features of our products and services (including our casino products); - As part of our efforts to keep our products and services safe and secure; - To measure or understand the effectiveness of our advertising and marketing; - To operate and improve our products and services; - To set up and maintain your registration with the Service; - To improve customer service; - To provide features available in the Service; - To audit and analyze the Service; - To ensure the technical functionality and security of the Service; - To inform you of promotions, rewards, upcoming events, and other news about products and services offered by Smart Fun; - To send you related information, including confirmations, invoices, technical notices, updates, security alerts, and support and administrative messages; - For statistical and research purposes (including market research, marketing and data analysis purposes); - To identify your betting behaviour, habits and preferences; - To analyse your credit risk (if applicable); - To handle payment and collection processes to and from customers; - To ensure the effective operation of software and IT services procured by us (including disaster recovery); - For anti-money laundering, prevention of terrorist financing, and identity verification purposes; - To comply with licensing and regulatory requirements that are applicable to us; - For other reasons with your consent.

Recipient (88.9%), Third Party (98.8%):

In some of our Games, we may show our own ads and also ads from third parties.

Technical Measure (97.9%):

Mobile advertising relies on the use of certain online identifiers, in particular Advertising IDs but also IP addresses or other identifiers.

Organisational Measure (64.3%):

You can control the extent to which your Advertising ID is used for these purposes.

Personal Data (98.3%):

Please consider that resetting or limiting the use of your Advertising ID will not stop you from seeing ads or necessarily reduce the number of ads you see, but the ads you see may be less relevant to you and will not be served based on your personal data.

Not Required Purpose (73.0%), Required Purpose (64.4%):

In each case, they may use such data for a number of purposes, including to limit the number of times you see an ad or to personalize the ads you see to make them more relevant to you (for example, based on the past activity they have associated with your Advertising ID).

Third Party (73.4%):

"Games" refers to online games or applications that we own and operate.

Third Party (75.2%):

2) When you see our ads outside of our Services (for example, on third-party properties such as websites or applications), the ad network involved in delivering that ad to you may, based on information such as the past activity they have associated with your Advertising ID, have determined that you may be interested in our Services.

Non-Personal Data (94.7%):

3) For both ads in our Games and our ads outside of our Services, Advertising IDs or other identifiers are also used for ad measurement, which involves the collection of metrics such as total views, clicks, or installs generated by an ad.

Processing (98.5%), Technical Measure (85.4%):

Measurement data may be directly or indirectly collected or received by multiple parties involved in ad delivery (including us and our advertising partners), for example through technologies such as web beacons inserted into ads.

Processing (90.7%):

Advertising IDs are used for interest-based advertising and other advertising related purposes.

Required Purpose (98.8%):

This data is used for purposes such as to provide measurement services, to detect, investigate and

prevent fraud or fraudulent behavior, or to settle payments between the parties involved in ad delivery.

Processing (97.7%), Recipient (76.8%), Required Purpose (99.5%):

replacement providers If the management and operation of NOODLE GAMES LIMITED and its affiliates are transferred from us to another company, we may disclose your personal data to the other company so the products and services can continue to be provided to you.

Recipient (76.4%):

In the event that we sell or buy any business assets, we may disclose your personal data to the prospective seller or buyer of such business or assets.

Processing (78.3%), Third Party (92.3%):

If NOODLE GAMES LIMITED or substantially all of its assets are acquired by a third party, personal data held by us about our customers will be one of the transferred assets.

Required Purpose (81.0%):

We will keep your data for as long as necessary to achieve the purpose(s) for which it was collected, including to provide you with the Services or to comply with any legal, accounting, or reporting requirements.

Organisational Measure (74.1%), Retention (89.4%):

After the applicable retention period necessary for safe performance of Services, we will either delete or de-identify your data or, if neither deletion nor de-identification is possible (for example, due to data being stored on a backup server), isolate your data from further processing until deletion or de-identification is possible.

Non-Personal Data (71.9%):

We may continue to use data that is not identifiable to you (for example, aggregate data).

Automated Decision Making (81.8%), Personal Data (91.0%):

We take the security of your Personal Data very seriously.

Organisational Measure (89.4%):

We implement the appropriate technical and physical safeguards to ensure that your Personal Data is protected against accidental or unlawful loss, destruction, alteration, unauthorized access or disclosure, or any other use or unlawful processing of Personal Data you have provided to us.

Third Party (74.6%):

Our security mechanisms for Personal Data are similar to those of other game developers.

Organisational Measure (64.4%):

We will seek to deal with your request without undue delay.

Personal Data (76.5%):

Please note that we may keep a record of your communications to help us resolve any issues which you raise.

Art. 15 Right to access by the data subject (73.8%):

You have a right to know what Personal Data we hold about you, how and why we handle your Personal Data.

Art. 15 Right to access by the data subject (88.1%):

You can ask us for a copy of your Personal Data and in some cases to have the information communicated to you.

Art. 15 Right to access by the data subject (66.0%):

If you would like to exercise your right of access please contact us as described below and let us know what information, in particular, you would like to receive.

Personal Data (99.7%):

Our advertising partners may also collect non-personal information directly from our Games through technologies such as software development kits (SDKs).

Art. 17 Right to erasure (right to be forgotten) (82.1%):

In certain specific circumstances, you have a right to ask us to delete your Personal Data which we are holding about you.

Processing (88.5%):

We will pass your request onto other recipients of your personal information unless that is impossible or involves disproportionate effort.

Art. 17 Right to erasure (right to be forgotten) (72.0%), Required Purpose (82.4%):

If you would like to ask us for further information on the specific circumstances, and who the other recipients are, and/or exercise your right to erasure please contact us.

Organisational Measure (65.2%):

In that case, you will permanently lose all your game progress, Virtual Currency, and Virtual Goods without the right to data recovery or refund.

Processing (92.9%), Required Purpose (96.9%):

Where we delete Personal Data about you, we may still retain some or all of that information for other purposes such as maintaining financial records, protecting or enforcing legal rights, maintaining marketing suppression lists, or for technical reasons such as maintaining technical security or our database integrity.

Required Purpose (77.1%):

We may also retain your information in an anonymized form.
