This information includes but may not be limited to name, email address, messages and images that you send and any other information you include in one of our online forms.

Consent (67.5%), Non-Personal Data (89.5%):

Data we collect Automatically We collect information about any orders that you place including but not limited to item information, price and payment method.

Data Source (68.8%), Non-Personal Data (87.9%), Personal Data (93.8%):

When you use our apps we may also collect information about your device and your app usage (your device, your IP address, your general location as estimated from your IP address and provided by your device location system).

Consent (86.1%), Non-Personal Data (92.5%), Processing (91.4%):

If you consent to background data collection (which can be changed anytime in App settings), we

collect the following information: information about connected wi-fi networks & neighbourhood networks, their configuration and signal strengths mobile network parameters such as connection type (2g/3g/4g/5g), signal strength bandwidth usage of 3rd party apps your advertising device ID internet measurements such as video streaming quality, throughput, latency, web page loading speed.

Non-Personal Data (66.4%), Required Purpose (90.7%):

Aggregated (summary) Data We may use any data relating to the speed of your Internet connection to provide aggregated data relating to speeds in and around your area.

Personal Data (99.2%):

This is not personal information and is not linked to any personal information that we have.

Processing (91.4%):

Collected Location Data This section describes how our apps determine your location and explain that it cannot be used to personally identify you.

Organisational Measure (68.3%), Personal Data (96.7%), Processing (84.6%), Technical Measure (93.3%):

When Speedchecker is requested to provide a location result, we may collect approximate location information that is provided or generated in any of the following ways: GPS coordinates Using the MAC address of wireless routers (an alphanumeric code that is unique to that hardware device) Using the Received Signal Strength Indicator (a measurement of the strength of the access points signal at the time it is received by the mobile device) to identify the cell ID of nearby cell towers Using the IP address of the requesting device, Bluetooth UUIDs, Received Signal Strength Indicator and associated Bluetooth data.

Personal Data (86.9%), Processing (99.2%):

This location data is collected anonymously in a form that does not personally identify a user.

Non-Personal Data (95.5%), Processing (67.3%), Recipient (78.1%), Third Party (97.7%):

The location data along with speed tests and network measurements may be shared with third parties to compile aggregate information about network statistics and usage in particular areas.

Personal Data (98.5%):

The IP address information we collect is not associated with you or any other individual and, for this reason, is not Personal Information.

Technical Measure (96.6%), Third Party (87.5%):

Cookies and Third-Party Data Collection Some data is collected by third-party companies (such as Google Ads) that have content (ads) and links on our sites.

Required Purpose (96.6%):

Order Processing The information we request at the time of purchase is essential for us to provide you with our products and services.

Required Purpose (97.4%):

The information may also be used as necessary to process future orders and renewals.

Required Purpose (95.4%):

Our Apps The information we collect when you use our online apps is used for statistical purposes and analysis for management purposes in order to administer the website or improve our products and services.

Non-Personal Data (92.1%), Personal Data (95.4%), Processing (94.0%), Recipient (90.9%), Required Purpose (63.4%):

If you use our broadband speed checker or availability checker apps we will use your location, postcode or telephone number to check which broadband services may be available to you, which will involve sharing those details with the providers of those broadband services, and we will also use your location or postcode, and information about the capacity of your internet connection, to aggregate anonymous statistics regarding internet usage and availability.

Required Purpose (93.2%):

Internal record keeping, and administrative purposes, and to inform you about our events, services or products, or other related information that we think would be of interest to you.

Required Purpose (92.7%):

To communicate marketing messages, newsletters and details of our business or the businesses of carefully-selected third parties which we think may be of interest to you by post or email or similar technology (you can inform us at any time if you no longer require marketing communications).

Required Purpose (97.4%):

Marketing Information collected during purchasing or using our website may also be used for marketing purposes.

Consent (75.0%):

In this section we describe how this information is used with your continued consent.

Personal Data (92.0%), Required Purpose (96.3%):

From time to time, we may also use your information to contact you for market research purposes or to customise the website according to your interests.

Consent (96.6%):

Any marketing email you receive will also have the option to decline to receive further information of

that type from us.

Processing (96.5%), Required Purpose (98.0%):

Information Sharing (Third Parties) To be able to deliver the Application and its functionalities to you, we use third party sub-suppliers, to whom we may transfer data.

Legal Basis (98.3%), Processing (86.8%), Third Party (70.0%):

One of these partners is AppVestor, please follow the link to read Appvestor's Privacy Policy Lawful Bases for Processing The lawful bases we use for processing your data depends on the Services and Apps you use.

Required Purpose (96.1%):

We collect and process your data when: It is necessary to provide and operate the Services and Apps we provide and to offer support and other necessary features.

Non-Personal Data (76.2%), Required Purpose (98.7%):

It satisfies our Legitimate Interests such as in the provision of aggregate anonymous data, to market and to promote our Services.

Personal Data (98.2%), Processing (69.0%):

This is not an absolute right To obtain and reuse personal data across different services.

Right (87.3%):

Your Rights You have the following rights: To be informed about the collection of your personal information To have access to your personal information To have inaccurate personal information corrected To have personal information deleted To request that the processing (use) of your data is restricted.

Art. 21 Right to object (79.9%):

This is the Right of Portability To object to the processing of information.

Art. 21 Right to object (64.3%):

To object to your data being used for automated decision-making and profiling.

Legal Basis (69.3%):

Note: we do not do this but this is one of your rights under the GDPR regulation and is added for your information.

Legal Basis (96.1%):

We want to ensure that your personal information is accurate and up to date and is being used not only in accordance with the law but with your full knowledge and cooperation.

Consent (67.6%), Right (67.7%):

You cannot object to our collection of this information at this time but you can withdraw consent later

and this does not affect your other rights.

Processing (61.2%), Recipient (87.0%):

Sale of business If this business is sold or integrated with another business your details may be disclosed to our advisers and any prospective purchasers and their advisers and will be passed on to the new owners of the business.

Processing (98.2%):

Cookies and Log Files Cookies Cookies are text files stored on your computer, and accessible only to the websites which create them.

Required Purpose (98.4%), Technical Measure (97.9%):

Our website may from time to time use cookies and log files for statistical analysis, to understand user behaviour, to administer the site, to tailor the information presented to a user based on their preferences, and to improve user experience.

Processing (95.2%):

Any information gathered by our use of cookies is compiled on an aggregate, anonymous basis.

Automated Decision Making (95.7%):

Most web browsers automatically accept cookies; however, you may delete, or disable cookies by following the instructions at <http://www.allaboutcookies.org/manage-cookies/>.

Processing (95.0%), Required Purpose (93.1%):

Our website uses cookies to keep you logged in, so disabling cookies may impair your experience of the service.

Non-Personal Data (87.9%), Personal Data (97.9%):

Log Files Our systems automatically gather some anonymous information about visitors, including IP addresses, browser type, language, and the times and dates of webpage visits.

Personal Data (99.6%), Required Purpose (92.7%):

Unless otherwise indicated in this privacy policy, the data collected includes personally identifiable information and is used as described above, such as for statistical analysis, to understand user behaviour, and to administer the site.

Technical Measure (97.1%):

Google Analytics Our website uses Google Analytics, a web analytics service provided by Google, Inc.

Processing (90.2%), Scale Non-EU (84.1%):

The information generated by the cookie about your use of our website (including your IP address) will be transmitted to and stored by Google on servers in the United States.

Required Purpose (97.1%):

Google will use this information for the purpose of evaluating your use of our website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage.

Processing (93.3%):

Further information about Google's privacy policy may be obtained from <http://www.google.com/privacy.html>.

Processing (79.5%), Required Purpose (94.4%):

Google may store or retrieve a cookie from your computer when serving adverts, in order to display those which are more relevant to you.

Personal Data (97.7%), Required Purpose (84.0%):

These cookies are used to record information including the number of times you have seen an advertisement but will not lead to the transfer of your name, contact details or other personally identifiable information.

Organisational Measure (79.8%), Personal Data (70.2%):

However, we take reasonable technical and organizational precautions to prevent the loss, misuse or alteration of your personal information.

Organisational Measure (93.0%):

We have put in place various security procedures as set out in this policy.

Organisational Measure (90.4%):

For example, our security and privacy policies are periodically reviewed and enhanced as necessary and only authorised personnel have access to user information.

Personal Data (81.1%), Processing (69.8%), Technical Measure (77.2%):

We use secure server software (SSL) to encrypt financial information you input before it is sent to us, and our database is hosted in a secure data centre.

Organisational Measure (79.0%):

Whilst we cannot ensure or guarantee that loss, misuse or alteration of data will not occur, we use our best efforts to prevent this.

Organisational Measure (79.1%):

Changes to Our Privacy Policy We may make changes to this privacy policy from time to time.

Organisational Measure (89.6%):

If we change our privacy policy we will post the changes on this page.

Legal Basis (80.2%):
