Legal Basis (99.4%), Processing (67.4%), Scale Non-EU (75.0%):

Notice to California Residents If you are a California resident, California law requires us to provide you with some additional information regarding how we collect, use, and share your personal information and sensitive personal information (as defined in the California Consumer Privacy Act (CCPA)).

Processing (95.0%), Required Purpose (90.1%):

We describe the categories of information we collect, our business purposes for collecting such information, the sources and uses of such information and the entities to which we share such information in the Personal Information We Collect, Use of Your Personal Information, and Disclosure of Your Personal Information sections of this Privacy Notice.

Processing (89.2%):

Throughout this Policy, we discuss in detail the types of Information we collect from and about users and discuss how we use and share such information.

Personal Data (99.4%):

The following are the categories of personal information under the CCPA that we collect and that we may, as discussed throughout this Policy, use and disclose for our business purposes: Identifiers (such as name, address, email address); commercial information (such as transaction data);

financial data (such as credit card information); device identifiers (such as IP address and unique device identifiers); internet or other network or device activity (such as browsing history or app usage (such as your notes and highlights in the Services)); physical characteristics or description (such as voluntarily submitted profile photo); audio information (such as recorded calls with our Customer Relations team); limited medical information (Such as voluntarily provided medication allergies to be used in an emergency situation, or details related to an SOS call); general and precise geolocation data; any user-generated content or feedback you provide; professional or employment related data; and other information that identifies or can be reasonably associated with you.

Personal Data (77.2%):

but, in the specific cases set out in Who is responsible for my information, it means another Globalstar entity.

Personal Data (98.8%):

The categories of sensitive personal information are account log-in and password, financial data, other credentials allowing access to your account, precise geolocation, and health information.

Non-Personal Data (88.8%):

For example, we may disclose your identifiers and precision geolocation to first responders for Search & Rescue, and your identifiers and internet or other network or device activity with dealers for the purpose of determining and verifying commissions and maintaining business records.

Scale Non-EU (86.3%):

California Privacy Rights California residents can make certain requests about their personal information under the CCPA.

Processing (61.4%):

Specifically, if you are a California resident, you may request that we: provide you with information about the categories of personal information we collect, disclose or sell about you; the categories of sources of such information; the business or commercial purpose for collecting or selling your personal information; and the categories of third parties with whom we share personal information.

Right (77.0%):

The CCPA further provides you with the right to not be discriminated against (as provided for in applicable law) for exercising your rights.

Required Purpose (96.5%):

For example, we need certain information in order to provide the Globalstar services to you.

Personal Data (85.5%):

If you have questions or concerns about how those independent businesses use or disclose your personal information, you need to contact them directly.

Required Purpose (70.8%):

Some people have taken the position that when a website uses third parties cookies or similar technology for its own analytics or advertising purposes, the website is engaged in a sale under the CCPA if the third parties have some ability to use, disclose or retain the data to improve their service or to take steps beyond the most narrowly drawn bounds of merely providing their service to the website/app.

Third Party (97.8%):

Some take this position even when the website pays the third party (not vice versa), and in most cases merely provides the third party with an opportunity to collect data directly, instead of providing personal information to the third party.

Personal Data (95.5%):

As part of these analytics and advertising services, these technologies may access identifiers (like IP addresses), internet or other electronic network activity information (like information regarding an individuals browsing interactions on our Site), and commercial information (like the fact that a browser visited a page directed to people who are considering purchasing the Globalstar services).

Processing (92.2%):

The CCPA also requires businesses that "share personal information to provide an opt out from such sharing.

Required Purpose (87.8%):

We share information for these purposes to provide more relevant and tailored advertising to you regarding the Globalstar services.

Personal Data (88.8%), Third Party (86.5%):

As part of this advertising, we may "share identifiers (like IP addresses and email addresses), internet or other electronic network activity information (like information regarding an individuals browsing interactions on our websites), and commercial information (like the fact that a browser visited a page directed to people who are considering purchasing the Globalstar services) with advertising platforms and advertising networks.

Personal Data (98.0%):

Sensitive Personal Information.

Required Purpose (92.5%):

Notice of Financial Incentive We provide certain rewards or incentives for providing your email

address or referring contacts and may occasionally run sweepstakes and contests where participants may provide personal information in return for a chance to win or compete to win certain prizes.

Consent (64.8%):

You can opt into these incentives, sweepstakes, or contests by taking the requested action.

Consent (67.4%):

As part of our participation in Data Privacy Framework, if you have a dispute with us about our adherence to the Data Privacy Framework Principles, we will seek to resolve it through our internal complaint resolution process, or alternatively through the independent dispute resolution body, JAMS Alternative Dispute Resolution, and under certain conditions through the Data Privacy Framework arbitration process.

Right (71.5%):

Your participation is completely voluntary, and you have a right to withdraw from these incentives at any time.

Consent (62.7%):

If you decide you don't want to participate in these financial incentives, you can refrain from taking the requested actions.

Legal Basis (66.2%), Required Purpose (76.5%):

Shine the Light: California Law permits visitors who are California residents to request once per year certain information regarding our disclosure of personal information to third parties for such third parties direct marketing purposes.

Technical Measure (67.7%):

To opt out of targeted advertising or sales, please visit this link: Do Not Sell or Share My Personal Information, or email us at .

Legal Basis (95.6%), Scale Non-EU (69.0%):

Notice to Nevada Residents Under Nevada law, certain Nevada consumers may opt out of the sale of covered information for monetary consideration to a person for that person to license or sell such information to additional persons.

Personal Data (85.3%):

Covered information includes first and last name, address, email address, phone number, Social Security Number, or an identifier that allows a specific person to be contacted either physically or online.

Organisational Measure (75.3%):

Note we will take reasonable steps to verify your identity and the authenticity of the request.

Organisational Measure (71.1%):

Once verified, we will maintain your request in the event our practices change.

Third Party (82.6%):

Under the CCPA, sharing is defined as the targeting of advertising to a consumer based on that consumers personal information obtained from the consumers activity across websites.

Third Party (91.2%):

Globalstar has no responsibility for such third party websites.

Personal Data (63.1%):

and Globalstar Europe Satellite Services as joint controllers see section 13 for more information in this regard; you work for a supplier to another Globalstar entity and we accordingly hold limited information about you such as your job title and contact details, in which case we mean that other Globalstar entity; you have applied for a job with another Globalstar entity, in which case we mean that other Globalstar entity; or you are on our payment processing page which is operated by CyberSource.com.
