If you want more information, you can visit our Privacy Policy and Cookies Policy or ask a parent or teacher to contact our Data Protection Officer by contacting Teach Your Monster Privacy Policy - full version We are Teach Your Monster Limited.

Data Controller (94.2%):

Our registered office address is Usborne House, 83-85 Saffron Hill, London, EC1N 8RT.

Data Source (71.9%), Data Subject (86.4%), Non-Personal Data (82.0%), Required Purpose (61.5%):

Teachers and parents/guardians may register on the site, and as a result become Users.

Data Subject (91.3%):

(Students).

Data Controller (84.8%), Personal Data (99.8%):

Teach Your Monster Limited (we) are committed to protecting and respecting your privacy and

personal data.

Processing (99.1%), Required Purpose (71.8%):

This Privacy Policy relates to your use of the Teach Your Monster Game Service as the processing of some data is essential to the functioning of the Game Service.

Data Subject (71.8%), Required Purpose (68.1%):

Teach Your Monster (Web-based Version) Privacy Policy The Basics This site and the games and other services offered through it, the Game Service, is intended to be used by teachers and parents/guardians as reading and maths related teaching tools for children.

Art. 17 Right to erasure (right to be forgotten) (94.2%), Contract (92.7%), Processing (98.8%), Required Purpose (89.7%):

The purpose of this Privacy Policy is to let you know what kinds of information we may gather about you (whether you are a User or a Student), how we may use that information, why your information will be used, namely for purposes of the performance of our contract with you as our User, whether we disclose it to anyone, and the choices you have regarding our use of the information.

Data Controller (87.9%), Legal Basis (77.4%):

In these cases, we will be the data controller for the purposes of data protection law.

Legal Basis (85.7%), Personal Data (99.6%), Required Purpose (89.5%):

Where schools, educators and/or teachers set up accounts on behalf of students, we are processing your personal information on behalf of the educator/school/teacher in order that they can provide educational services to their students.

Right (96.3%):

What are your rights?

Processing (99.4%), Required Purpose (93.0%):

It is important that you read this policy, together with any other privacy notice we may provide on specific occasions when we are collecting or processing personal information about you, so that you are aware of how and why we are using such information.

Personal Data (99.8%):

Personal information we collect from you Personal data, or personal information as we sometimes call it, means data which relates to an identifiable living person.

Data Source (82.2%), Non-Personal Data (97.7%), Personal Data (99.3%), Processing (89.6%):

Users may from time to time provide us with personal data, such as the following: The Users name and email address and potentially postal address and telephone number(s); Partial identification information relating to the Users Student(s), such that the User is able to identify the Student in

question;; but no-one else would be capable of doing so; Correspondence through the Game Service, and correspondence sent to us by the User; Information based on Students activities on and interactions with the Game Service, such as Students performance, points gained and prizes awarded; and Information we ask the User to submit to verify identity; Photographs and/or Videos of Students (we will only use this information where you have signed our consent form providing us permission specifically for this use); Quotes from Students and Users (we will only use this information where you have signed our consent form providing us permission specifically for this use) Audio recordings, transcriptions of such recordings, and personal data contained within, from User and Student interviews Information given to us in User feedback surveys; Technical information about the device you access the Game Service from such as IP address, mobile network information and your mobile operating system; Marketing and communication preferences.

Consent (62.8%):

Your information is protected by a secret code so that it cannot be seen by anyone else without our permission.

Data Source (64.4%):

Due to the nature of the service that we provide we do not normally collect special categories of sensitive personal data from our Users.

Organisational Measure (63.4%), Required Purpose (79.5%):

In the event you provide us with any special category data, we will take extra care to ensure your rights are protected.

Automated Decision Making (96.7%), Non-Personal Data (78.3%):

As you interact with our website, we may automatically collect technical information about your equipment, browsing actions and patterns.

Technical Measure (98.5%):

We collect this personal information by using cookies, server logs and other similar technologies.

Automated Decision Making (83.4%), Non-Personal Data (72.5%), Personal Data (89.4%), Required Purpose (76.9%):

We may use this automated technology to collect anonymous information about the use of the Game Service.

Processing (62.5%):

Automated technologies or interactions.

Non-Personal Data (91.0%), Personal Data (87.3%):

For example, our web server may automatically log which parts of the Game Service Users or

Students view, their IP addresses and which web browsers they use.

Required Purpose (76.9%):

This technology does not identify the User or Student personally, but enables us to compile statistics about the use of the Game Service so we can improve it over time; it also enables us to adapt the Game Service to a Students progress and ability.

Processing (99.1%):

Cookies Cookies are small files which, depending on your browser settings, may be automatically stored on your computer's hard drive when your Web browser accesses a specific Web page.

Legal Basis (86.1%):

We will only use your personal information when the law allows us to.

Legitimate Interest (82.1%), Right (81.1%), Third Party (96.1%):

Where it is necessary for our legitimate interests (or those of a third party) and your interests and fundamental rights do not override those interests.

Required Purpose (64.0%):

Where we need to comply with a legal or regulatory obligation.

Data Processor (73.2%), Processing (99.2%), Required Purpose (97.4%):

Your personal information will be collected, processed, stored and used by us, and passed to and processed by our subsidiary and/or affiliated companies and other data processors acting under contract with us for the following purposes: To register you as a User To provide and promote the Game Service To communicate with Users To provide customer support To administer and protect our business and our website (including troubleshooting, data analysis, testing, system maintenance, support, reporting and hosting of data) For research and marketing purposes To use data analytics to improve our website, marketing, relationships and user experiences.

Legal Basis (61.4%), Required Purpose (78.3%):

This privacy policy describes the information we collect and use to support our website and the games and other services we offer, including Teach Your Monster to Read, Teach Your Monster Reading for Fun and Teach Your Monster Number Skills.

Consent (76.6%), Legal Basis (82.2%), Retention (91.7%):

We will retain your personal information only as long as is necessary for the purposes to which the User agrees to under this Privacy Policy and any related agreement(s) with us, or as is required by applicable law, and then we will delete it.

Consent (66.5%), Personal Data (64.9%), Processing (91.0%):

Email Communications By registering as a User and agreeing to this Privacy Policy, you will receive

certain emails from us, namely: Updates about new features, products and services we make available on or through the Game Service News about other games and products or information about literacy that we think will interest Users Each of the above emails will give you the opportunity of opting-out of receiving future similar communications from us.

Non-Personal Data (62.0%), Processing (70.9%):

In addition, we send emails specifically relating to the usage of the Game Service to Users, such as emails about forgotten passwords, User and Student account activation, and emails which notify Users that a new report on Student progress is available.

Data Subject (63.7%):

Should you wish to stop receiving these emails from us, you must de-register as a User.

Personal Data (99.3%):

Note that we only hold email addresses for Users: we do not send emails to Students.

Legal Basis (90.8%), Legitimate Interest (96.0%), Recipient (98.7%), Required Purpose (92.7%), Third Party (91.5%):

Sharing your personal data In our capacity as data controller, we will share your personal information with third parties where required by law, where it is necessary to administer the working relationship with you or where we have another legitimate interest in doing so.

Required Purpose (63.5%), Third Party (68.7%):

We may share your personal information with: With third party service providers, in connection with services performed on our behalf.

Required Purpose (88.0%):

For example, analytics and search engine providers that assist us in the improvement and optimisation of our website.

Third Party (65.5%):

Alternatively, we may seek to acquire other businesses or merge with them.

Contract (61.9%), Required Purpose (70.6%):

Any third parties will be bound by contractual provisions with us and only have access to personal data to perform the described purposes, and may not use it for other purposes.

Required Purpose (67.3%):

Where we need to perform the contract we are about to enter into or have entered into with you.

Legal Basis (94.3%):

Further, they must process the personal data in accordance with this Privacy Policy and as permitted by the UK GDPR.

Scale Non-EU (78.2%), Third Party (61.2%):

It is possible that some of the computer systems and companies that process your data on our behalf may be based in countries outside the UK .

Scale Non-EU (91.2%):

Where data is stored on the Website servers it shall be processed by TYM Ltd in accordance with the Websites privacy policy below (or at www.teachyourmonster.org) It is possible that some of the computer systems and companies that process your data on behalf of TYM Ltd may be based in countries outside the UK.

Legal Basis (98.9%):

Countries outside the UK may not have as well-developed data protection laws to protect your information as those inside the UK, but we will contractually require that personal data which is processed on our behalf is treated in compliance with UK law and this Privacy Policy.

Art. 17 Right to erasure (right to be forgotten) (91.2%), Scale Non-EU (77.4%):

Our Legal Status This Privacy Policy provides you with certain information that must be provided under the UK General Data Protection Regulation (UK GDPR).

Organisational Measure (91.2%):

Security We take appropriate technical and organisational measures to guard against unauthorised or unlawful processing of your personal data and against accidental loss or destruction of, or damage to, your personal data.

Organisational Measure (81.8%):

While no computer system is completely secure, we believe the measures implemented by our site reduce the likelihood of security problems to a level appropriate to the type of data involved.

Organisational Measure (85.0%):

We have security measures in place to protect our User and Student database and access to this database is restricted internally.

Required Purpose (89.5%):

Users may set up individual accounts for their Students, which allow the Students to access, and the User to track Students performance in their use of, the Game Service.

Legal Basis (85.0%), Organisational Measure (70.3%):

We have put in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator of a suspected breach where we are legally required to do so.

Required Purpose (93.4%):

Marketing with third parties We will obtain your express consent by opt-in before we share your

personal data, with any third party for marketing purposes.

Processing (94.5%):

Such personal data sharing may include, but is not limited to, information given to us via User feedback surveys and interviews.

Scale Non-EU (95.1%):

Where we store personal information The personal information that we collect is stored on a customer management system which is located within the United States of America.

Scale Non-EU (89.7%):

The analytical data that we collect is stored in the UK.

Legal Basis (85.6%), Organisational Measure (61.3%):

We have taken all steps reasonably necessary to ensure that personal information is treated securely and in accordance with data protection law including the UK GDPR.

Required Purpose (73.8%):

If so, to provide you with a description of the personal data we hold, the reasons it is being processed, and with whom we share it.

Required Purpose (83.6%):

To provide you with a copy of the personal data we process in an intelligible form, and (where this is available) to inform you about the source of the data.

Art. 17 Right to erasure (right to be forgotten) (93.7%):

This enables you to ask us to delete or remove personal information where there is no good reason for us continuing to process it.

Art. 21 Right to object (61.4%), Legal Basis (96.6%):

You also have the right to ask us to delete or remove your personal information where you have exercised your right to object to processing (see below), where we may have processed your information unlawfully or where we are required to erase your personal information to comply with local law.

Art. 21 Right to object (82.3%):

d) Object to processing of your personal information where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground.

Art. 21 Right to object (74.9%):

You also have the right to object where we are processing your personal information for direct marketing purposes.

Legitimate Interest (63.9%):

In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your right to object.

Art. 21 Right to object (77.7%), Right (66.0%):

e) You also have the absolute right to object any time to the processing of your personal data for direct marketing purposes.

Personal Data (97.7%):

c) Request erasure of your personal information.

Art. 21 Right to object (77.1%), Retention (75.9%):

This enables you to ask us to suspend the processing of your personal information in one of the following scenarios: If you want us to establish the data's accuracy; Where our use of the data is unlawful but you do not want us to erase it; Where you need us to hold the data even if we no longer require it as you need it to establish, exercise or defend legal claims; or You have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it.

Personal Data (97.8%):

If you want to review, verify, correct or request erasure of your personal information, object to the processing of your personal data, or request that we transfer a copy of your personal information to another party, please contact .

Processing (74.1%):

Auditors, accountants and financial organisations; Insurers, solicitors, professional advisers and consultants; Survey and research organisations; Police forces, courts, tribunals; With third parties to whom we may choose to sell, transfer or merge parts of our business or our assets.

Required Purpose (87.1%):

We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights).

Processing (72.7%):

This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

Required Purpose (75.9%):

We may also contact you to ask you for further information in relation to your request to speed up our response.

Retention (80.0%):

Occasionally it could take us longer than a month if your request is particularly complex or if you

have made a number of requests.

Consent (89.5%):

Most commonly, we will use your personal information in the following circumstances: Where you have provided your consent.

Processing (89.6%), Right (84.3%):

Right to withdraw consent In the limited circumstances where you may have provided your consent to the collection, processing and transfer of your personal information for a specific purpose, you have the right to withdraw your consent for that specific processing at any time.

Consent (78.0%), Legal Basis (67.2%):

Once we have received notification that you have withdrawn your consent, we will no longer process your information for the purpose or purposes you originally agreed to, unless we have another legitimate basis for doing so in law.

Lodge Complaint (82.1%):

If you think our collection or use of personal information is unfair, misleading or inappropriate or if you have concerns about the security of your personal information, you also have the right to make a complaint to the Information Commissioners Office.

Retention (83.3%):

It makes you aware of how and why your personal information will be used, namely for the purposes of the performance of our contract with you as our User, and how long it will usually be retained for.

Data Controller (88.4%):

You can contact the Information Commissioners Office at the following address: Information Commissioners Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF Contact us: You can e-mail us at contact or write to us at the following address TYM Ltd, 83-85 Saffron Hill, London EC1N 8RT.

Non-Personal Data (71.0%), Processing (99.3%):

Game progress may be transferred between the App and the Website.

Data Subject (86.0%):

In this Privacy Policy the terms you, your and yours refer to both 1) the Device Owner (being either the owner of the device on which the App has been downloaded or the owner of the account used to purchase the App and 2) the player of the game on the App (if different).

Non-Personal Data (80.6%), Personal Data (88.1%), Required Purpose (98.7%):

When you use the App we will automatically collect the following non-personal data: A set of data which encapsulates a players progress through the game, the rewards theyve collected, the design

of the players monster and other information to provide continuity of the App experience (Saved Data); and we may collect Technical information, including the type of mobile device you use, a unique device identifier (for example, your Device's IMEI number), mobile network information, your mobile operating system (Device Information); We will collect the following personal data:- Standard Mode (Standard Mode enables you to set up players within the app).

Personal Data (92.0%):

When creating a player we will ask you for the players first name and the first letter of the surname.

Required Purpose (99.0%):

The players name and progress made in the Website version of the game will be transferred to the App to enable the continuation of play with that account through the App.

Personal Data (99.4%):

No additional types of personally identifiable information will be added when this data is sent.

Third Party (83.7%):

You may also register/sign in to your account using certain social logins such as Google and Apple.

Data Source (93.9%), Personal Data (87.7%):

If you register/sign in to the App using a social login, we will receive and store information about you from your social login provider, including your email address, first and last name and a reference number.

Personal Data (76.2%):

We may also receive limited additional data such as your profile picture but we do not use or store this additional data.

Required Purpose (70.0%):

Any personal data provided by you via the Website prior to using Login Mode in the App will be governed by the Websites privacy policy below or at www.teachyourmonster.org/legals Additionally, you may give us information about you if you corresponded with us (for example via email), take part in our User feedback surveys or report a problem with the App or our services.

Required Purpose (78.6%):

Cookies & Uses Made of the Information Saved Data will be stored within the App and periodically this data and/or the Device Information may be sent to the Website servers and stored for the purposes of analytics.

Processing (81.0%):

The players name will be stripped from this data and no additional data will be sent to the server by the App when using the Standard Mode.

Required Purpose (83.3%):

Saved Data will be sent to the Website when using Login Mode to allow for continuity of game play via the Website version of the game.

Retention (76.9%):

We will retain your personal data only as long as is necessary for the purposes to which the Device Owner consents under this Privacy Policy and any related agreement(s) with us, or as is required by applicable law, and then we will delete it.

Legitimate Interest (67.8%):

In circumstances where we are a data processor, it is the educator/school/teacher who decides what personal information to collect and how that information is used.

Required Purpose (79.5%):

For example, analytics and search engine providers that assist us in the improvement and optimisation of the App.

Legal Basis (60.1%), Processing (91.3%):

Here is a list of our third party providers We may disclose some or all of the data we collect from you when you download or use the App to any member of our group, which means our subsidiaries, our ultimate holding company (where applicable) and its subsidiaries (as defined in section 1159 of the Companies Act 2006) and to TYM Ltd who operates the Website and any personal data shared with TYM Ltd will be processed in accordance with the Websites privacy policy below or at www.teachyourmonster.org/legals Any third parties will be bound by contractual provisions with us and only have access to personal data to perform the described purposes, and may not use it for other purposes.

Data Processor (62.3%), Personal Data (91.8%), Processing (91.4%):

Payment information for in-App purchases will be managed through the payment system of the relevant third-party App store provider and is therefore subject to the parental controls of the relevant device being used to access our App.

Third Party (93.8%):

External Websites The App may, from time to time, contain links to external websites.

Processing (96.6%):

How is your personal information collected?

Personal Data (99.7%):

If you follow a link to any of these websites, please note that these websites and any services that may be accessible through them have their own privacy policies and that we do not accept any

responsibility or liability for these policies or for any personal data that may be collected through these websites or services, such as contact and location data.

Required Purpose (92.9%):

Your personal data will be collected, processed, stored and used by us, and passed to and processed by our subsidiary and/or affiliated companies and other data processors acting under contract with us for five main purposes: To register you as a User To provide and promote the App Service To provide customer support To communicate with Users To process in-App purchases To administer and protect our business and our website (including troubleshooting, data analysis, testing, system maintenance, support, reporting and hosting of data) To use data analytics to improve our website, marketing, relationships and user experiences For research and marketing purposes.

Organisational Measure (93.7%):

Changes to Privacy Policy and your duty to inform us of Changes We keep our privacy policy under regular review.

Personal Data (92.7%):

Please keep us informed if your personal data changes during your relationship with us, for example a new address or email address.

Required Purpose (98.0%):
