Processing (99.8%):

Jellyfish Connect Ltd is the controller of your personal data provided to, or collected by or for, or processed in connection with the above Services.

Processing (76.9%), Required Purpose (72.9%):

Purpose of this Privacy Policy We are committed to respecting and protecting the personal data gathered via our websites and applications whilst it is in our care, using it only in accordance with this Privacy Policy and our Cookie Policy.

Required Purpose (94.0%):

We collect your personal data because it helps us to understand your needs, improves our Services and guides the way in which we interact and communicate with you about our products and services now and in the future.

Third Party (98.7%):

Please note that our Services may contain links to products and websites that are owned and operated by third parties.

Consent (98.0%):

These products will have their own privacy policies which you should review if you choose to visit these products or websites.

Data Subject (78.8%), Recipient (90.8%), Required Purpose (98.1%):

In certain circumstances we will need to disclose your data to the owner of a product (Product Owner) you have purchased from us to facilitate its fulfilment, in this case the Product Owner will be a data controller.

Consent (85.3%), Personal Data (61.4%), Processing (92.5%), Required Purpose (72.7%):

In these circumstances, the Product Owner will handle your data according to their own Privacy Policy and may use your data for the purposes of sending occasional email communications relating to similar products and services if you have agreed to receive these.

Retention (71.9%):

Each Service has its own Terms & Conditions which are entered into when making a purchase or creating an account.

Personal Data (89.1%):

How we collect your personal data We collect personal data that you submit to us directly, such as when you register with us, when you purchase a product or subscription, and when you engage with us and our email correspondence.

Automated Decision Making (94.6%), Data Source (78.9%), Personal Data (96.1%), Required Purpose (61.1%), Retention (70.9%):

We may also collect personal data automatically when you interact with one of our Services, for example when you browse our websites or applications.

Non-Personal Data (77.2%), Retention (77.8%):

We collect both personal and anonymous data when you send us information or use one of our Services.

Personal Data (98.6%):
