

Consent (82.8%), Data Controller (90.5%), Data Subject (85.7%), Legal Basis (67.0%), Non-Personal Data (68.8%), Personal Data (99.7%), Processing (99.1%), Required Purpose (92.6%):

When you purchase something from our store, as part of the buying and selling process, we collect the personal information you give us such as your name, address and email address.

Consent (65.8%), Personal Data (97.9%), Processing (98.4%), Required Purpose (95.0%):

Depending on how you respond to permission requests in our app, we record mobile device identifiers that allow us to send mobile device notifications.

Processing (85.0%), Required Purpose (93.1%):

The primary purpose of these notifications is to provide order status updates.

Data Controller (84.6%), Personal Data (91.8%), Technical Measure (82.5%):

We also record anonymised data (information with no recorded links to you) for: gauging the usage of the website and apps with Google Analytics.

Automated Decision Making (75.5%), Processing (99.4%), Required Purpose (95.7%):

Location and beacon services are only used to facilitate: identifying the nearest stores populating delivery address fields informing stores of your proximity for collection orders when in the range of their beacon devices When you browse our store(s), we also automatically receive your computers internet protocol (IP) address in order to provide us with information that helps us learn about your browser and operating system.

Consent (63.6%), Data Subject (73.2%), Personal Data (97.5%), Processing (70.9%):

Collected user data Location User location data will only be accessed upon user request.

Personal Data (97.5%), Required Purpose (90.7%), Third Party (60.4%):

The reason accessing fine user location is to ease the process of the checkout, by auto-populating fields like delivery addresses, postcodes, etc.

Personal Data (92.3%), Processing (99.4%):

The location info is not stored nor shared with any third-party services.

Personal Data (96.8%), Processing (99.5%):

Personal Info Name is a mandatory data that is collected during the checkout process.

Consent (74.5%), Personal Data (73.7%):

The name is not shared with any third-party services, apart from the payment processors - if the pay by card is the chosen payment option.

Processing (99.2%):

It is saved on our server only for a limited period of time.

Personal Data (63.7%):

The user will be only asked to provide the address upon delivery request.

Processing (92.6%):

If the user provides the address, it is not going to be shared with any third-party services and will be saved on our servers for a limited period of time.

Retention (91.9%):

The name associated with the order will be stored on our servers for a limited period of time.

Personal Data (69.1%):

Note that if the order is paid with a card, the user might need to provide the billing address for security reasons.

Personal Data (96.8%), Required Purpose (78.7%):

Phone Number is a mandatory field, and it is used only to associate the order with the user.

Personal Data (67.2%):

The number will be saved securely on our server only for a limited period of time.

Personal Data (95.5%), Technical Measure (63.5%):

Financial Info User Payment Info - payment information is only collected for the order paid with the card.

Personal Data (95.9%):

Privacy Policy [PRIVACY POLICY SECTION 1 - WHAT DO WE DO WITH YOUR INFORMATION?](#)

Data Subject (68.2%), Personal Data (67.0%):

Purchase history will only be saved for the registered users.

Data Controller (67.1%), Personal Data (80.7%), Required Purpose (93.6%):

App Activity App interactions are collected and shared with Firebase's services to perform basic usage analytics.

Non-Personal Data (81.5%):

App info and performance Crash logs will be collected from the third-party service Firebase.

Required Purpose (82.7%):

The logs are only used for future development.

Personal Data (72.1%):

Device IDs Firebase Instance ID - the Firebase ID is collected and stored securely on our servers.

Processing (97.2%), Required Purpose (94.1%):

When you provide us with personal information to complete a transaction, verify the delivery address validity and credit card, place an order, arrange for a delivery or return a purchase, we imply that

you consent to our collecting it and using it for that specific reason only.

Consent (70.6%):

SECTION 2 - CONSENT How do you get my consent?

Legal Basis (84.4%), Processing (98.3%):

SECTION 3 - DISCLOSURE We may disclose your personal information if we are required by law to do so or if you violate our Terms of Service.

Data Controller (82.2%):

SECTION 4 - HOSTING Our site and apps are hosted by Hungrrr Ltd.

Required Purpose (88.6%):

They provide us with the online e-commerce platform that allows us to sell our products and services to you.

Technical Measure (70.0%):

They store your data on a secure server behind a firewall.

Retention (93.2%):

Data Retention Policy We store your data securely on our server until is no longer required, or until you account is deleted - whichever comes first.

Non-Personal Data (90.2%):

Only the critical informations about the orders are being stored: like order items, total, any special requests etc.

Processing (96.0%):

Upon deletion request, all associated user history is completely deleted from our servers.

Personal Data (84.5%):

Upon deleting your account we are deleting all data that is associated with your account, like personal details (addresses, name, phone), past orders, delivery addresses etc.

Personal Data (99.2%), Third Party (95.7%):

If you have any concerns about how your data is stored, please give us a shout on: apps@hungrrr.co.uk Payment: If you choose a direct payment gateway to complete your purchase, then Stripe, Global Payments or PayPal Payment Processors stores your credit card data.

Technical Measure (76.4%):

It is encrypted through the Payment Card Industry Data Security Standard (PCI-DSS).

Organisational Measure (80.4%), Third Party (88.2%):

All direct payment gateways adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American

Express and Discover.

Personal Data (87.5%), Required Purpose (72.1%):

PCI-DSS requirements help ensure the secure handling of credit card information by our store and its service providers.

Personal Data (99.0%), Processing (83.4%), Required Purpose (98.0%):

The Hungrrr data storage only records identifiers, which do not incorporate payment cards details, provided by the payment processors to confirm the payment status and for refund operations

SECTION 5 - THIRD-PARTY SERVICES In general, the third-party providers used by us will only collect, use and disclose your information to the extent necessary to allow them to perform the services they provide to us.

Contract (85.5%):

However, certain third-party service providers, such as payment gateways and other payment transaction processors, have their own privacy policies in respect to the information we are required to provide to them for your purchase-related transactions.

Processing (79.6%):

For these providers, we recommend that you read their privacy policies so you can understand the manner in which your personal information will be handled by these providers.

Legal Basis (86.8%):

So if you elect to proceed with a transaction that involves the services of a third-party service provider, then your information may become subject to the laws of the jurisdiction(s) in which that service provider or its facilities are located.

Legal Basis (87.8%), Processing (98.6%), Scale Non-EU (83.4%):

As an example, if you are located in UK and your transaction is processed by a payment gateway located in the United States, then your personal information used in completing that transaction may be subject to disclosure under United States legislation, including the Patriot Act.

Consent (66.6%), Retention (76.1%):

Links When you click on links on our store, they may direct you away from our site.

Organisational Measure (87.7%):

SECTION 6 - SECURITY To protect your personal information, we take reasonable precautions and follow industry best practices to make sure it is not inappropriately lost, misused, accessed, disclosed, altered or destroyed.

Technical Measure (79.3%):

If you provide us with your credit card information, the data is processed by secure payment process

servers.

Processing (88.8%):

Although no method of transmission over the Internet or electronic storage is 100% secure, we follow all PCI-DSS requirements and implement additional generally accepted industry standards.

Personal Data (87.2%):

Hungrrr data servers do not store credit card details.

Legitimate Interest (70.2%), Processing (74.4%), Recipient (77.2%):

If our store is acquired or merged with another company, your information may be transferred to the new owners so that we may continue to sell products to you.

Data Protection Officer (92.4%):
