Art. 20 Right to data portability (69.2%), Authority (69.1%), Legal Basis (71.8%), Organisational Measure (92.8%), Retention (91.0%), Third Party (93.3%):

General Principles applicable Regarding general principles applicable to the processing of personal data, FRVR ensures that this data is: a Subject to lawful, fair and transparent processing;

a Collected for specific, explicit and legitimate purposes, not being later processed in an incompatible manner with those purposes; a Adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed; a Accurate and updated whenever necessary, taking all appropriate measures so that the inaccurate data, taking into account the purposes for which it is processed, is erased or rectified; a Kept in a way that allows the identification of the user only for the period necessary for the purposes for which the data is processed; and a Processed in a way that guarantees dataas safety, including protection against its unauthorized or unlawful processing and against its accidental loss, destruction or damage, implementing appropriate technical and organizational measures.

Personal Data (94.8%), Processing (99.4%), Required Purpose (95.2%):

Personal Data FRVRas primary objective in collecting user information is to provide and enhance the Service and to enable users to easily navigate and enjoy the Service.

Data Source (60.9%), Processing (91.4%), Third Party (94.9%):

When you install any of the FRVR games or applications, we may collect and record the information you provide us voluntarily through third parties such as www.facebook.com (aFacebooka) in accordance with the policies and terms of such third parties.

Data Controller (98.5%), Non-Personal Data (96.8%), Personal Data (99.7%), Processing (97.9%):

We may collect, process, store and transfer different types of data grouped by the following categories: a Identification data such as first name, last name, gender, username, display name, city / region of the world (retrieved from IP address), unique ID (Facebook ID; Apple ID; FRVR ID) and global user ID (when it is possible to associate different types of IDs from different games and platforms), other advertisement IDs (IDFA; GAID); a Contact data such as email address; a Game data such as events, play session ID, play session time, days elapsed, games, among other; We note that most of this information is treated without us knowing who the user is.

Personal Data (97.6%), Processing (97.8%), Required Purpose (70.9%):

In the case of Facebook we might have access to your first name and Facebook profile photo URL but note that this information is not processed actively by us and we do not use it for other purposes than to send push messages through Facebook.

Data Source (78.9%), Personal Data (94.9%):

Other information collected is last name, gender and names of Facebook, friends and Messenger connections that you provide us.

Processing (99.5%):

Sources of data FRVR collects two types of data on our users: passive and active.

Non-Personal Data (90.5%), Personal Data (70.1%):

This data contains the following information: a City/region based on your IP address; a Session duration; a In-game activity - we may collect aggregated information including but not limited to internet protocol addresses, browser type, browser language, referring / exit pages and URLs, platform type, number of clicks, domain names, landing pages, pages viewed and the order of those pages, the amount of time spent on particular pages, and the date and time of this activity.

Required Purpose (99.5%), Right (61.8%):

We use this information to better tailor the Service to your interests, to provide you more efficient customer support, and to overall enhance the Service.

Non-Personal Data (95.3%):

Active sources data Our active data collection is currently limited to gameplay information such as high scores or game session duration.

Consent (97.1%), Required Purpose (93.9%):

In the cases where users can and choose to provide information when using their Facebook account to log in, we store: a User Access Token: we simply use this token to identify a user from one play session to the next.

Personal Data (97.0%), Required Purpose (97.1%):

We do not gain access to any details about the user; a If you use Facebook Instant Games and provide consent for such actions, we process your first name and Facebook photo URL to send push messages for our games through bot messages.

Data Subject (83.1%):

Users can turn off notifications as we explain in section XIV aUseras rightsa.

Data Source (64.2%), Personal Data (79.1%):

We may also collect data based on direct interactions you have with us such as: a Contact enquiries: when you send us an email with an enquiry about a game or other type of questions we may process your contact details, such as your email.

Consent (60.9%):

a Newsletter: you can subscribe to our newsletter through our website.

Consent (79.3%):

When you do, you are providing us your consent to send you information regarding our Services.

Consent (71.1%), Data Subject (73.7%):

Your consent can be revoked at any time.

Processing (97.9%):

FRVR may also invite you to share other information about yourself that may include but is not limited to your: a Name and surname; a Email; a Age or date of birth; a Gender; a Information about the hardware you may own; a Favorite websites, friend information and fan pages.

Non-Personal Data (94.9%):

Finally, any time you access the Service, we may collect aggregate information including but not limited to internet protocol addresses, browser type, browser language, referring / exit pages and URLs, platform type, number of clicks, domain names, landing pages, pages viewed and the order of those pages, the amount of time spent on particular pages, and the date and time of this activity.

Processing (66.9%), Required Purpose (91.7%):

Once again, we do not store any data that can be used to identify and track an individual.

Processing (95.2%), Required Purpose (99.8%):

However, if non-personal information is collected, for an activity that also requires personal information, FRVR may combine your non-personal information with your personal information to provide you with a better user experience, to improve the quality and value of the Services and to analyse how our Services are used.

Required Purpose (79.3%), Technical Measure (64.9%):

The following data is collected only when interacting with FRVR games where Admiralas technology is implemented: a IP Address a used for approximate location determination and fraud prevention.

Non-Personal Data (92.5%):

a User-Agent a provides details about the browser and device type.

Processing (71.2%), Required Purpose (68.1%):

a URL a tracks the specific pages visited where Admiral is active.

Personal Data (86.0%), Required Purpose (81.2%):

a First Party Unique Identifiers a may be used to track engagement over multiple sessions.

Required Purpose (94.0%):

This data is collected and sent to Admiralas servers to assess the number of users utilizing Ad Blockers and to estimate the potential revenue impact of ad-blocking.

Legal Basis (77.2%):

FRVR does not use this data for user tracking beyond ad-block management, and all data is processed in accordance with GDPR.

Legal Basis (69.4%), Processing (95.2%), Required Purpose (80.6%):

Other Disclosure of Your Personal Information You understand and agree that we may be required

to disclose any personal information if required to do so by law or in the good faith belief that such disclosure is reasonably necessary to avoid liability, to comply with legal process, including but not limited to a search warrant, subpoena, statute, or court order, or to protect our rights and property, or that of the public.

Legal Basis (99.0%), Personal Data (92.3%), Processing (87.9%):

Additionally, in the event of a merger, acquisition, reorganization, bankruptcy, or other similar event, customer information may be transferred to FRVRas successor or assignee, if permitted by and done in accordance with applicable law.

Technical Measure (96.9%):

Cookies FRVR uses cookies or similar technologies on its websites and games.

Third Party (97.6%):

The fact that the Service links to a website or presents a banner ad or other type of advertisement does not mean that FRVR has responsibility on what is shown to the users, nor it is a representation of our affiliation with that third party.

Third Party (97.9%):

Third Party Platform When you use or connect to a FRVR website or download a FRVR mobile app by or through a Third Party Platform, such as Facebook or other social networking site, you may consent that FRVR accesses and/or collects information from that platform, if applicable, as informed by such services.

Data Source (70.1%), Processing (64.1%), Third Party (98.1%):

Those third parties may also collect information from your interactions with our services, that collection is managed by that third party, according to the terms of the agreement and your privacy settings with the third party Platform.

Processing (97.1%), Required Purpose (96.4%), Third Party (71.7%):

Data communication with third parties In all cases of data access and collection, the information you provide will not be disclosed, rented, leased, loaned, sold, or otherwise voluntarily distributed to unaffiliated third parties and will be used solely for the purpose of providing you with and improving the Service.

Non-Personal Data (70.5%), Processing (76.7%):

We do communicate your data to third parties but in an aggregated and anonymised form, which is not possible for these third parties to identify you as a person.

Required Purpose (98.2%), Third Party (72.7%):

Thus we share your anonymised or aggregated information with the following third parties: Analytics

Partners as they allow us to better understand how users interact with our Services and help us improve them.

Third Party (72.7%):

These partners may also collect data via their own technologies although FRVR has no responsibility for these matters.

Third Party (78.1%):

Payment Partners as FRVR does not have payment partners.

Data Controller (95.9%):

Admiral's Data Collection When using certain FRVR services that integrate with Admiral's Ad Block Detection and Management tool, additional data may be collected to assess ad-blocking trends and improve ad-serving strategies.

Required Purpose (90.2%):

Ad Block Detection and Management Partner as We partner with Admiral, a third-party service provider, to assess the number of users employing Ad Blockers and to analyze potential revenue recovery.

Non-Personal Data (85.9%), Personal Data (78.1%):

Admiral may collect analytics data, including IP Address, User-Agent, URL, Ad Blocker status, First Party Unique Identifiers, page-level metadata, user interaction with ad-related messaging, and script performance metrics.

Legal Basis (91.7%), Scale Non-EU (82.4%):

International Transfers FRVR does not transfer personal data to organisations outside the European Economic Area, unless explicitly required for ad-block detection and management services, in which case, data is processed in compliance with GDPR and relevant data protection laws.

Consent (80.1%):

Minors Services may be used by minors, submitted to permission given by parents or guardians.

Organisational Measure (70.3%):

This classification materializes by establishing a minimum recommended age for playing our games.

Non-Personal Data (87.4%):

We do not process this information in the same way we process users' game data and we do not track or identify our users through these data points.

Not Required Purpose (71.8%), Personal Data (98.9%):

As we mentioned previously, most of our user's game data is processed anonymously, thus we do not gear our Services towards children under the age of 13 and we do not knowingly collect

personal identifiable information from children under the age of 13.

Organisational Measure (83.0%), Third Party (82.1%):

Note that if a third-party data controller, such as an advertising partner or a payment processor, is responsible for the information, we will take reasonable steps to inform them of your request, but we recommend you contact them directly in accordance with their own privacy policies to ensure your rights are executed lawfully.

Art. 15 Right to access by the data subject (77.3%), Art. 16 Right to rectification (90.9%), Right (63.8%):

Our users have the following rights: a Right of Access: right to obtain confirmation that personal data concerning the user is or is not subject to processing and, if so, the right to access such personal data and certain information.

Art. 16 Right to rectification (93.5%):

a Right of Rectification: right to rectify inaccurate personal data concerning the user or to request incomplete personal data to be completed.

Art. 17 Right to erasure (right to be forgotten) (94.1%), Retention (85.1%):

a Right to Erasure: right to obtain the erasure of personal data, without undue delay as long as there are no valid grounds for its conservation, such as cases in which data has to be kept in order to comply with a legal obligation or because legal proceedings are underway.

Art. 18 Right to restriction of processing (80.7%), Legal Basis (91.3%):

a Right to restriction of processing: right to request a limitation on the processing of personal data, in the form of suspension of processing or limitation of the scope of processing to certain categories of data or processing purposes, in accordance with article 18 of the GDPR.

Art. 20 Right to data portability (81.0%), Processing (98.7%):

a The right to data portability: right to receive personal data that concerns the user in a structured, of common use and automatic reading format and / or the right to transmit this data to another controller.

Art. 21 Right to object (60.5%), Legitimate Interest (76.7%):

a Right of Objection: right of the users to object to the processing of data at any time, as long as there are no legitimate reasons for such processing that prevail over the interests, rights and freedoms of the users, or for the purposes of declaration, exercise or defence of a right in a judicial proceeding.

Retention (92.4%):

This shall be applied to all services (games and website) provided by FRVR as long as the user

provides the needed information.

Art. 18 Right to restriction of processing (66.2%):

You may also exercise your right of erasure or restriction of processing as what regards advertisement by resetting your mobile advertising identifier (IDFA or GAID) or activate aLimit Ad Trackinga in your deviceas settings in order to make previously collected data non linkable to you or your device anymore and limit further data collection.

Retention (61.7%):

In these cases, and if FRVR is aware of any risks to the data subjectA s rights and freedoms we will report these breaches to the relevant Supervisory Authority within 72 hours from the moment we are aware of the occurrence.

Organisational Measure (76.7%):

FRVR Limited has an escalated process to ensure the security of user data.

Organisational Measure (83.1%):

We may amend the Privacy Policy from time to time, and we encourage you to consult the Privacy Policy regularly for changes.

Organisational Measure (96.4%):

For convenience, we identify the last date of update on the top of this Policy.

Third Party (90.0%):

This does not apply to third party websites where FRVRas games are embedded or that may be accessed through a link made available on our website and/or applications, which are not managed nor controlled by FRVR.

Personal Data (97.7%), Required Purpose (72.1%):

A cookie is a small data file that we transfer to your computeras hard disk, generally to quickly identify a useras computer and to aremembera things about the useras visit, such as your preferences or a username and password.

Processing (96.1%):

The Service sends cookies to your computer when you access or view content of a FRVR service.
