Data Controller (97.7%), Data Processor (60.1%), Processing (95.8%), Required Purpose (96.3%):

et Cie, S.C.A., 22-24 Boulevard Royal, L-2449 Luxembourg Paypal privacy statement Paypal contact for questions about privacy For the execution of credit card payments your credit card data will be shared with our payment service provider Braintree.

Processing (92.0%):

This includes the transfer of personal data into a third country (USA).

Contract (72.3%), Organisational Measure (79.0%), Processing (63.8%), Required Purpose (80.8%), Retention (72.8%):

An agreement entered into with Braintree defines appropriate safeguards and demands that the data is only processed in compliance with the GDPR and only for the purpose of execution of payments.

Personal Data (67.9%), Processing (96.2%):

Tuta provides services for saving, editing, presentation and electronic transmission of data, such as email service, contact management and data storage.

Automated Decision Making (77.6%), Personal Data (70.6%):

This content data is voluntarily entered into Tuta by the customer.

Consent (93.1%), Processing (95.9%):

When signing up for a Tuta account, you give consent to the processing of this data according to

Art.

Processing (86.2%):

This data can be deleted by the user.

Personal Data (84.5%), Recipient (71.5%), Required Purpose (87.2%):

In order to maintain email server operations, for error diagnosis and for prevention of abuse, mail server logs are stored max.

Personal Data (99.6%), Processing (61.6%):

These logs contain sender and recipient email addresses and time of connection but no customer IP addresses.

Legitimate Interest (87.8%):

Storage takes place for the purposes of the legitimate interests pursued by the controller according to Art.

Personal Data (94.1%), Processing (81.4%), Required Purpose (89.7%):

In order to maintain operations, for prevention of abuse and for visitors analysis, IP addresses of users are processed.

Organisational Measure (65.8%), Third Party (73.4%):

With the exception of payment data, we will not disclose your personal data including your email address to third parties.

Retention (91.0%):

Period of data storage The personal data shall be deleted no later than 30 days after termination of the contract, unless specific reasons to the contrary apply in an individual case.

Personal Data (60.7%):

In case a customer objected to the amount of the charged fees, the accounting data may be stored until the objections are terminally clarified.

Retention (97.1%):

Furthermore, inventory data can be stored for up to two years if the handling of a complaint and other reasons require this for an orderly settlement of the contract.

Retention (92.4%):

Moreover the deletion of inventory and billing data may be omitted provided that legal regulations or the prosecution of claims require this.

Retention (93.3%):

Order-related data and the addresses associated with the order are stored in respect to tax, contract and commercial law retention periods and erased at the end of those periods.

Consent (90.1%), Personal Data (66.4%), Required Purpose (96.7%):

Usage statistics We use technical analysis options very sparingly and only if you have consented in advance and to the extent that this is necessary for the further development and improvement of Tuta.

Technical Measure (97.8%):

In particular, we do not use analysis tools such as Google Analytics or other third-party tools.

Required Purpose (93.3%):

Our goal is to improve the user interface and the handling of Tuta.

Required Purpose (89.4%):

For this it is necessary to identify the places in Tuta that do not yet work perfectly.

Consent (87.7%), Recipient (71.6%):

If you have given consent in advance, your anonymized usage data will be sent to our servers.

Non-Personal Data (66.3%), Personal Data (79.6%), Processing (96.7%):

For this purpose, we generate and store a random ID on your device, which is shared by all accounts logged in on this device.

Personal Data (67.1%):

This ID is sent along with the usage test data to the server in case usage statistics are performed for the function used in the client.

Third Party (98.2%):

Third parties have no access to the random ID stored on your device.

Organisational Measure (88.9%):

You can revoke your consent to participate in the anonymized usage statistics at any time by deactivating this function in the settings of your account.

Retention (96.8%):

The random ID stored on your device is used only as long as users of the device participate in the collection of usage statistics.

Processing (79.8%):

You can delete the random ID stored locally on your device yourself at any time, for instance, like this: In the web client (<https://app.tuta.com>): In the browsers menu settings by clearing the website data (e.g., Clear browsing data or Clear cookies and other site data).

Required Purpose (72.8%):

The anonymized usage data may be used for research purposes.

Processing (84.3%):

Otherwise, the usage data is not passed on to third parties.

Required Purpose (89.1%):

Campaign analysis In order to be able to evaluate campaigns with partners and advertising campaigns (e.g.

Personal Data (84.7%), Required Purpose (86.1%), Retention (69.4%):

advertising via Google or other search engines), we store an ID of the campaign with your Tuta account when you reach Tuta via a campaign link and register a Tuta account.

Non-Personal Data (74.6%), Required Purpose (79.7%):

To be able to assign returning users to a campaign, we store a cryptographic hash of the IP address and the user agent (including information about the users browser and operating system) together with the campaign ID when you visit our website via a campaign link.

Personal Data (95.5%):

If you visit our website via a search query and an advertising campaign, we also store the keywords and the search query together with the hash and the campaign ID.

Personal Data (91.1%):

All textual content is encrypted for the user and its communication partners in a way that even Tutao GmbH has no access to the data.

Personal Data (63.5%), Retention (97.8%):

The hash and the campaign ID, keywords and search query stored together with the hash are deleted after 72 hours.

Required Purpose (72.6%), Retention (91.6%):

Beyond this period of 72 hours, for the purpose of evaluating the campaign and until the completion of the evaluation, only completely anonymized campaign data (keywords and search query) are stored and processed without any link to the hash.

Legitimate Interest (83.9%):

Our interest in being able to evaluate advertising campaigns and to improve our marketing activities constitute a legitimate interest within the meaning of Art.

Legal Basis (79.5%), Right (95.3%):

Rights of the data subject According to European data protection law, you have the right in accordance with Art.

Art. 18 Right to restriction of processing (66.6%), Automated Decision Making (71.8%), Processing (91.8%):

In particular, you may request information about the processing purposes, the category of personal

data, the categories of recipients to whom your data have been or will be disclosed, the planned storage period, the existence of a right to rectification, erasure, restriction of processing or objection, the existence of a right of complaint, the origin of your data if it has not been collected by us, and the existence of automated decision-making, including profiling, and, if applicable, meaningful information about its details; in accordance with Art.

Art. 17 Right to erasure (right to be forgotten) (85.9%), Legitimate Interest (67.5%):

17 GDPR, to request the erasure of your personal data stored by us, unless the processing is necessary for the exercise of the right to freedom of expression and information, for compliance with a legal obligation, for reasons of public interest or for the establishment, exercise or defense of legal claims; in accordance with Art.

Art. 18 Right to restriction of processing (92.9%), Art. 21 Right to object (61.1%):

18 GDPR, to request the restriction of the processing of your personal data, insofar as the accuracy of the data is disputed by you, the processing is unlawful, but you object to its erasure and we no longer require the data, but you need it for the assertion, exercise or defense of legal claims or you have objected to the processing pursuant to Art.

Authority (87.4%), Processing (87.6%):

20 GDPR, to receive your personal data that you have provided to us in a structured, common and machine-readable format or to request the transfer to another controller; and to complain to a supervisory authority in accordance with Art.

Art. 21 Right to object (83.9%), Right (65.9%):

f GDPR you have the right to object to the processing of your personal data pursuant to Art.

Automated Decision Making (73.1%), Required Purpose (91.9%):

In doing so personal data is voluntarily transferred to us, stored automatically and only used for the purpose of dealing with the request and getting in contact with the affected person.

Not Required Purpose (71.5%):

We will not disclose this personal data to third parties.
