Technical Measure (79.2%):

These services collect data through the DoubleClick cookie and through our implementation of Google Analytics and AdWords.

Non-Personal Data (78.0%), Personal Data (98.6%):

These tools and technologies collect and analyze certain types of information, including cookies, IP addresses, device and software identifiers, referring and exit URLs, onsite behavior and usage information, feature use metrics and statistics, usage and purchase history, MAC Address, mobile unique device ID, and other similar information.

Personal Data (99.6%):

We will not run interest-based advertising campaigns that collect personally identifiable information (PII) including, but not limited to, email addresses, telephone numbers and credit card numbers.

Organisational Measure (68.5%):

We will not use or associate personally identifiable information with remarketing lists, cookies, data feeds or other anonymous identifiers.

Processing (99.3%), Required Purpose (96.3%):

Our main goal in collecting information is to improve the Services and provide you with the best possible experience on the Services.

Personal Data (99.7%), Required Purpose (98.9%):

We may also use your personal information to: Enable you to participate in online transactions Make our products, services, and Services better Compile, analyze and do research on our users demographics and behavior Detect, investigate and prevent activities that may violate our policies or be illegal We use location data only to provide and improve our service.

Contract (84.6%), Processing (90.2%), Third Party (79.7%):

When acting as a service provider on behalf of a government partner, the Company complies with the contractual requirements of the government partner with respect to processing and transfers of your information.

Personal Data (97.9%), Processing (70.5%):

Except as provided in this Privacy Policy, only the Company and our affiliates and service providers will have access to your personal account information.

Processing (99.3%):

When you are on our Services and are asked for personal information, you are sharing that information with the Company and our affiliates and service providers.

Personal Data (78.8%):

If you do not want your data to be shared, you can choose not to allow the transfer by not using that particular service.

Processing (81.8%):

Direct Collection We collect much of the information listed above directly from you when you submit it through our Services.

Personal Data (99.6%):

If you submit personally identifying information to any of those sites, your information is subject to their privacy statements.

Consent (66.4%), Legal Basis (82.1%):

We will not disclose any of your personally identifiable information except when we have your permission or under special circumstances, such as when we believe in good faith that the law requires it or under the circumstances described below.

Processing (93.7%):

This privacy policy does not apply to products or services provided, or information obtained, other than through the Services.

Data Processor (74.9%), Recipient (78.5%), Required Purpose (70.5%), Third Party (82.5%):

Service Providers We may provide your personally identifying information to companies that provide services to us (such as web hosting providers, call center service providers, sweepstakes vendors, payment processors, data enhancement, or fraud prevention providers) or that help us market and provide our products and services.

Required Purpose (90.5%), Third Party (97.1%):

These third parties are authorized to use your personally identifying information only as necessary to provide these services to us.

Processing (95.8%):

In addition, when you use our Services that involve voice commands, you have to talk to Alexa, Google or similar device that can register such information.

Required Purpose (87.5%), Third Party (81.1%):

This voice input is sent to Amazon, Google or another third party service provider, and us, where we use it to understand what our Service should do for you.

Non-Personal Data (93.2%), Recipient (84.0%), Third Party (89.8%):

Data in the Aggregate We may disclose blinded aggregated data and user statistics to prospective partners and other third parties.

Legitimate Interest (61.1%), Right (93.3%), Third Party (83.9%):

For example, we may disclose such information (1) as required by law, such as to comply with a subpoena, or similar legal process, (2) when a governmental unit is investigating activity related to the Services or (3) when we believe that we must disclose information to identify, contact or bring legal action against someone who may be violating our terms and conditions of use, or may be causing injury to or interference with our rights or property, or those of a third party.

Processing (67.4%), Required Purpose (94.2%):

The Company and our service providers may disclose, access or monitor your personal information when we believe in good faith that the law requires it and for administrative and other purposes that we deem necessary to maintain, service and improve our products and services and our information security.

Required Purpose (61.4%):

As we continue to develop our business, we may buy or sell businesses or assets.

Personal Data (99.1%), Processing (91.6%):

In the event of a transaction involving the sale of some or all of Companys businesses, customer and website visitor information may be transferred and may be disclosed in connection with negotiations relating to a proposed transaction.

Processing (77.8%):

These are some of the ways that your information may be disclosed: Government Partners We make available your personally identifiable information and other information collected through the Services to the government partner with which we have contracted to provide the Services.

Consent (89.8%):

We may also share your information at your direction or request, or with your express permission.

Art. 16 Right to rectification (63.9%), Personal Data (86.6%):

If you wish to access, change, or update your Personally Identifiable Information or account preferences, you may do so by logging into your Registered Account at <https://wildlifelicense.utah.gov/> and saving your changes and preferences to your Registered Account or you may contact us at privacy@egov.com with any questions.

Art. 17 Right to erasure (right to be forgotten) (72.4%):

We provide this access so you can review it, make corrections or request deletion of your data.

Organisational Measure (67.5%):

If we cannot honor your request within the 30-day period, we will notify you.

Third Party (91.3%):

Do Not Track (DNT) is a privacy preference that users can set in some web browsers to signal their preference regarding potential "tracking" by third party websites.

Authority (68.9%), Scale Non-EU (90.1%):

While the United States Federal Trade Commission has endorsed DNT, our Services do not currently support DNT codes.

Organisational Measure (78.0%):

What security precautions are in place to protect against the loss, misuse, or alteration of my information?

Organisational Measure (81.4%), Personal Data (94.4%):

We maintain administrative, technical and physical safeguards to protect your personal information.

Personal Data (91.4%), Processing (93.7%), Technical Measure (62.4%):

When we collect or transmit sensitive information such as a credit or debit card number, we use industry standard methods to protect that information.

Personal Data (85.8%):

Ultimately, you are solely responsible for maintaining the secrecy of your passwords and/or any account information.

Processing (90.5%):

When you or we end your customer relationship with us, we will treat the information we have about you as if you were still our customer.

Processing (89.2%):

However, except as otherwise disclosed herein, our Services limit tracking to the internal uses described above.

Processing (80.6%):

In general, the Company only uses your personal information in the manner described in the Privacy Notice in effect when the Company received the personal information you provided.

Processing (64.6%):

When you use social networking platforms and plugins, you share your information with them and their privacy policy applies to disclosure of such information.

Consent (88.9%):

For revisions to this Privacy Notice that may be materially less restrictive on the Companys use or disclosure of the personal information you have already provided, the Company will attempt to obtain your consent before implementing such revisions with respect to such information.
