

Data Controller (99.0%), Data Processor (60.0%), Legal Basis (73.9%), Personal Data (97.0%), Processing (99.7%), Recipient (80.1%), Required Purpose (71.7%), Technical Measure (98.2%), Third Party (92.8%):

Shenzhen Wansview technology Co.,Ltd (awea, ausa, aoura or aWansviewa) is committed to protecting the users of its websites, mobile applications, products, and services (each a aWansview Servicea and collectively the aWansview Servicesa).

Consent (71.9%), Personal Data (99.7%), Processing (99.0%):

By accessing, browsing, or using the Wansview Services, including registering an account with our Wansview Services, you expressly consent to the collection, transfer, use, processing, and storage of your information (including personal information), as described in this Policy.

Consent (70.5%), Data Source (63.7%), Personal Data (99.6%):

If you register for an account within or to access a Wansview Services, we will collect some personally identifiable information from you, including your username, email address, and hashed version of the password you select.

Non-Personal Data (83.6%), Personal Data (64.5%), Processing (93.5%):

When you interact with the Wansview Services, we also receive and store certain additional types of information which, in general, do not directly identify you.

Consent (61.0%), Data Subject (91.8%), Personal Data (94.5%), Processing (99.7%), Required Purpose (95.5%):

When you access, browse, or use the Wansview Services, information will be collected, transferred, processed, stored, and disclosed in accordance with this privacy policy (aPolicya).

Automated Decision Making (96.4%), Non-Personal Data (97.3%), Personal Data (99.5%), Technical Measure (89.7%):

For example, we automatically receive and record information on our server logs from your browser or device including your IP address, browser type and language, referring/exit pages and URLs, device type, platform type, number of clicks, landing pages, cookie information, the pages you requested and viewed, the amount of time spent on particular pages, and the date and time.

Recipient (94.1%), Third Party (84.4%):

You can register for an account from our account registration system or a third-party site or service such as Facebook (aAccounta).

Personal Data (83.6%), Processing (98.2%), Required Purpose (90.3%):

When you register for an Account you may be asked to provide some personally identifiable information, such as your email address, phone number, camera SN code and a username and

password that you select.

Processing (87.3%), Third Party (98.5%):

When you provide credentials for a third-party site or service, we may use those credentials to obtain information about you from that third party.

Processing (95.4%), Required Purpose (67.3%):

In order to use certain products such as our camera products, you will need to associate the product with your Account following the directions provided with the product.

Processing (99.3%):

The Wansview App will send the information to the product by using QR code and the product will use the information to connect to the Wi-Fi network.

Processing (98.3%):

The Wi-Fi network user name and password may be saved in your Wansview Apps or your Wansview products but it will not be sent to Wansview services or Wansview.

Personal Data (98.4%):

If you send us personal correspondence, such as emails or letters, about your use of the Wansview Services, we may save the information in a profile specific to you.

Data Subject (63.4%):

Information that You Provide.

Consent (93.7%), Processing (98.4%), Third Party (68.8%):

You may choose to share information with third-parties such as social networking Sites like Facebook and WeChat (aSocial Sitesa) by asharinga videos and photos.

Third Party (74.4%):

See Section 1.4 (Information from Other Sources) and 3.5 (Social Sites) for more information.

Automated Decision Making (65.1%):

Automatically Collected Information.

Data Controller (97.7%):

We are not responsible for any problems, interruptions in access, or liability that may arise if you do not give us complete and accurate information or if you fail to update your information so that it is current.

Automated Decision Making (85.8%), Non-Personal Data (70.2%), Personal Data (86.6%):

In general, automatically collected information about the use of Wansview Services does not directly identify you and the information may include your diagnostic log information, IP address, browser type and language, referring/exit pages and URLs, platform type, number of clicks, landing pages,

cookie information, the pages you requested and viewed, the amount of time spent on particular pages, the actions performed in the Wansview App, the info(OS type/version, network, etc.) of the phone which the Wansview App was installed, and the date and time.

Processing (93.4%), Required Purpose (97.9%):

We collect this information for the purposes described in this Policy, including to better understand our customer base and to improve the quality of our Wansview Services.

Consent (89.8%):

When encountering unreliable point-to-point network conditions, the Wansview camera product may opt to relay videos through our servers to the mobile app to achieve optimal viewing experience.

Processing (71.5%):

The role of our servers is only to act as a relay agent, and they do not store video content transmitted to or through them in connection with our provision of Wansview Services.

Consent (80.0%), Required Purpose (74.1%):

If the user chooses to turn on this feature, a short video up to 10 seconds long and one or more pictures are encrypted individually and transferred to and stored on our servers when the camera has detected activity, provided that you have activated the activity alerts functionality within the Wansview App for Wansview camera product.

Automated Decision Making (76.4%), Processing (94.2%):

If you do not delete the videos stored on our servers, they shall be automatically deleted on a regular basis (typically seven days).

Technical Measure (94.0%):

(c) Cookies.

Personal Data (62.2%), Technical Measure (99.4%):

We and our third-party analytics provider use cookies to record information about your activities on the Wansview Services to remember you when you return to the Wansview Services.

Retention (71.1%):

Some cookies remain on your computer or device until you delete them.

Technical Measure (62.9%):

Others, like session ID cookies, expire when you close your browser.

Recipient (78.2%), Third Party (99.3%):

We do not control the use of cookies by third parties.

Technical Measure (94.7%):

(b) Activity Alert Video/Picture.

Technical Measure (71.5%):

(d) Pixels (aka web beacons/web bugs/JavaScript).

Processing (93.0%), Required Purpose (62.3%):

Pixels are tiny graphics with a unique identifier that are used to track how the web page is accessed.

Technical Measure (87.9%):

IF YOU DO NOT AGREE WITH THIS POLICY OR THE INFORMATION COLLECTION, USE, AND DISCLOSURE PRACTICES DESCRIBED IN THIS POLICY, DO NOT USE THE WANSVIEW SERVICES OR REGISTER AN ACCOUNT.

Processing (99.3%), Required Purpose (87.7%):

Our third-party analytics provider uses information obtained from pixels to help us improve our Wansview Services.

Consent (87.8%):

In general, Wansview does not view, monitor or in any way see your video or picture content except with your permission and authorization and only in regard to technical support issues.

Consent (61.5%), Data Source (73.6%):

With your permission, we may obtain both personal and non-personal information about you from business partners, Social Sites, and other third parties and add it to our account information or other information we have collected.

Personal Data (60.5%):

We also collect information from Social Sites when you register or log in to use our Wansview Services by using your Social Site log-in and password.

Personal Data (94.5%):

For example, our Site allows you to create an account and log in using your Facebook account credentials and, in addition to allowing you to log in to the Site and share videos with Facebook, we also use your authorization to obtain the following information from Facebook: Facebook username, first name, last name, and profile picture.

Personal Data (81.8%), Required Purpose (93.4%):

We may use your personally identifiable information (including tracking information) to manage your Account.

Legal Basis (78.2%), Processing (63.0%), Required Purpose (86.8%):

We may also use it to operate, maintain, and improve the Wansview Services (including providing you a more personal experience); communicate with you; provide you information about products and Wansview Services (including products and services of third parties); market; research

purposes; resolve disputes; collect fees owed; detect and protect against errors, fraud, and criminal activity; assist law enforcement; enforce this Policy and any the terms related to our Wansview Services; and any other purpose described in this Policy or that we describe to you at the time of collection.

Required Purpose (95.1%):

We may also send you marketing emails, surveys, or newsletters to notify you about products or services that may be of interest to you.

Consent (77.9%):

When you visit Wansview websites and use Wansview mobile applications without registering, you can browse without submitting personal information about yourself.

Personal Data (66.3%):

Retaining Your Information.

Processing (79.7%), Retention (65.1%):

In general, we will retain your information as long as legally required or allowed.

Personal Data (74.6%):

But you can delete your account information manually, and it will be purged from our system.

Legal Basis (96.8%):

To the extent that we need to transfer personal information outside your jurisdiction, whether it is transferred to our affiliates (these may include communications, social media, technology, or cloud services) or to third-party service providers, we shall do so in accordance with the applicable laws.

Organisational Measure (88.1%), Required Purpose (79.2%):

In particular, in order to ensure that all such transfers comply with applicable local data protection law, we will implement appropriate security safeguards.

Personal Data (98.5%), Right (92.6%):

You will have the right to be informed of the appropriate safeguards taken by Wansview for this transfer of your personal information.

Consent (62.6%), Data Controller (66.0%), Processing (66.9%):

For example, if you choose to use other third-party services available for this product or service (such as Amazon, Google, etc.), those third parties may be able to read information about you, information about you may also be transferred to a third-party server outside of your jurisdiction, and you agree to this kind of transfer.

Personal Data (99.8%):

As such, complying with applicable laws, we may transfer your personal data to any affiliates of the

Wansview group worldwide when processing that information for the purposes described in this Privacy Policy.

Contract (66.6%), Processing (98.9%), Scale Non-EU (73.2%):

Whenever Wansview shares personal data originating in the EEA with a third party which may or may not be a Wansview entity outside the EEA, we will do so on the basis of EU standard contractual clauses or any other safeguards provided for in the GDPR.

Scale Non-EU (96.2%):

Wansview currently has data centers in the United States.

Legal Basis (92.3%):

These overseas jurisdictions may or may not have data protection laws similar to the data protection laws in your jurisdiction.

Required Purpose (88.2%):

We will not sell or rent any of your personal information to third parties for marketing purposes.

Recipient (72.7%), Third Party (80.9%):

However, we may disclose your information to any affiliated entity or organization and to agents and service providers.

Required Purpose (99.3%):

We may also share non-identifying information with third parties for any lawful purpose, including analyzing trends, research, Wansview Services administration, tracking users movements around the Wansview Services, and to improve our business, products, and the Wansview Services.

Contract (65.9%), Processing (95.5%):

Use of information by affiliated entities and organizations will be subject to this Policy or an agreement that is at least as restrictive as this Policy.

Authority (64.0%), Legal Basis (72.0%):

In some cases, we may disclose your personally identifiable information as required by law; if we believe that disclosure is needed to protect our rights; to government regulators; to law enforcement authorities; in connection with any judicial proceeding, court order, subpoena, or legal process served on us or the Wansview Services; and to respond to a physical threat to you or another person.

Processing (77.4%):

For example, we may be required to disclose personal information to the government or third parties under certain circumstances, third parties may unlawfully intercept or access transmissions or private communications, or users may abuse or misuse your personal information that they collect

from the Wansview Services.

Processing (94.2%):

The primary mode of transmission of video from our Wansview camera products to our Wansview Apps is through a point-to-point direct connection.

Required Purpose (93.6%):

We may provide information we collect to third parties and it will, unless specifically noted otherwise in this Policy, be governed by this Policy and may only be used by those third parties to help us operate or improve our business or the Wansview Services and provide services to us.

Technical Measure (67.6%):

Google Analytics.

Personal Data (92.8%):

We use Google, a third-party analytics provider, to collect information about Wansview Services usage and the users of the Wansview Services, including demographic and interest-level information.

Non-Personal Data (79.6%), Personal Data (96.0%):

Google uses cookies and pixels to collect demographic and interest-level information and usage information from users that visit the Wansview Services, including information about the pages where users enter and exit the Wansview Services and the pages users view on the Wansview Services, time spent, browser, operating system, and IP address.

Non-Personal Data (62.7%), Personal Data (95.0%), Processing (99.3%):

Google uses the information it collects from the Wansview Services and other websites to share with us and other website operators information about users including age range, gender, geographic regions, general interests, and details about devices used to visit websites and purchase items.

Processing (85.6%):

If you would like to stop receiving marketing emails from us, please click on the unsubscribe link at the bottom of any marketing email you receive.

Processing (86.3%):

This Policy governs the information collection and disclosure practices for the Wansview Services.
