Androcalc - Privacy Policy Privacy Policy ALL OUR FAMILY APP GAMES ARE SAFE FOR KIDS AND PARENTS This privacy policy has been compiled to better serve those who are concerned with how their 'Personally Identifiable Information' (PII) is being used online.

Legal Basis (67.4%), Required Purpose (96.5%):

PII, as described in US privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context.

Data Controller (92.4%), Data Subject (76.3%), Processing (99.3%), Required Purpose (72.9%), Third Party (61.2%):

Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

Consent (95.5%), Personal Data (99.7%):

What personal information do we collect from the people that visit our blog, website or app?

Personal Data (88.9%):

Personal information: In our ad-supported apps we use the IP address in order to show non-personalized ads.

Personal Data (99.6%), Processing (89.3%), Required Purpose (60.1%):

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information.

Processing (70.3%):

The information that we request will be retained by us and used as described in this privacy policy.

Data Controller (89.8%):

We do not knowingly collect personally identifiable information from children under 13 years of age.

Organisational Measure (64.3%), Processing (86.3%):

In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers.

Required Purpose (73.7%):

If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do the necessary actions.

Processing (98.9%), Required Purpose (78.5%), Third Party (76.7%):

Third-party disclosure Information collected directly from you through our SDK, and information

provided to us by advertising and analytics partners: Advertising ID of the device - refers to Google Advertising ID (GAID, on Android devices) or ID For Advertising (IDFA, on iOS devices).

Technical Measure (80.3%), Third Party (71.0%):

The Advertising ID is a resettable persistent identifier generated by Android or iOS that allows online advertising companies to recognize a device across non-affiliated apps.

Organisational Measure (85.9%), Third Party (86.9%):

We do not sell, trade, or otherwise transfer to outside parties your Personally Identifiable Information unless we provide users with advance notice.

Retention (95.4%), Third Party (94.7%):

This does not include website hosting partners and other parties who assist us in operating our website, conducting our business, or serving our users, so long as those parties agree to keep this information confidential.

Processing (97.4%), Required Purpose (92.5%), Right (90.4%):

We may also release information when it's release is appropriate to comply with the law, enforce our site policies, or protect ours or others' rights, property or safety.

Processing (92.5%), Required Purpose (88.1%):

However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

Technical Measure (75.0%):

<https://support.google.com/adwordspolicy/answer/1316548?hl=en> We use Google AdSense (& Admob) Advertising on our website / App.

Required Purpose (92.9%), Technical Measure (94.3%):

Google, as a third-party vendor, uses cookies to serve ads on our site.

Required Purpose (82.8%):

Google's use of the DART cookie enables it to serve ads to our users based on previous visits to our site and other sites on the Internet.

Third Party (80.8%):

Link to the privacy policy of third-party service providers used by the app: Google Play Services Admob Children's Privacy These Services do not address anyone under the age of 13.

Required Purpose (94.7%), Technical Measure (94.4%):

We, along with third-party vendors such as Google use first-party cookies (such as the Google Analytics cookies) and third-party cookies (such as the DoubleClick cookie) or other third-party identifiers together to compile data regarding user interactions with ad impressions and other ad

service functions as they relate to our website.

Consent (85.7%):

Opting out: Users can set preferences for how Google advertises to you using the Google Ad Settings page.

Legal Basis (79.0%):

California Online Privacy Protection Act CalOPPA is the first state law in the nation to require commercial websites and online services to post a privacy policy.

Processing (97.7%), Scale Non-EU (80.2%):

The law's reach stretches well beyond California to require any person or company in the United States (and conceivably the world) that operates websites collecting Personally Identifiable Information from California consumers to post a conspicuous privacy policy on its website stating exactly the information being collected and those individuals or companies with whom it is being shared.

Organisational Measure (67.3%):

You will be notified of any Privacy Policy changes: On our Privacy Policy Page Can change your personal information: By emailing us How does our site handle Do Not Track signals?

Processing (95.6%):

COPPA (Children Online Privacy Protection Act) When it comes to the collection of personal information from children under the age of 13 years old, the Children's Online Privacy Protection Act (COPPA) puts parents in control.

Authority (81.1%), Third Party (82.9%):

The Federal Trade Commission, United States' consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online.

Legal Basis (96.6%):

Fair Information Practices The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe.

Legal Basis (87.1%), Personal Data (81.0%):

Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

Legal Basis (82.0%):

In order to be in line with Fair Information Practices we will take the following responsive action,

should a data breach occur: We will notify you via email Within 7 business days We also agree to the Individual Redress Principle which requires that individuals have the right to legally pursue enforceable rights against data collectors and processors who fail to adhere to the law.

Authority (76.7%), Data Subject (83.4%):

This principle requires not only that individuals have enforceable rights against data users, but also that individuals have recourse to courts or government agencies to investigate and/or prosecute non-compliance by data processors.

Organisational Measure (88.3%):

Thus, you are advised to review this page periodically for any changes.

Organisational Measure (79.9%):

We will notify you of any changes by posting the new Privacy Policy on this page.
