Data Controller (66.7%), Data Source (70.8%), Non-Personal Data (68.8%), Third Party (67.2%):

This Privacy Policy applies to information we collect when you use our websites, mobile applications and other online products and services (collectively, the Services).

Consent (96.1%), Personal Data (73.1%), Processing (93.2%), Required Purpose (72.6%), Technical Measure (63.3%), Third Party (99.2%):

This Privacy Policy does not apply to the information collected from: (1) web-based applications that are based on our mobile applications but are published by third parties, (2) mobile applications that we distribute on behalf of third parties and which are hosted and operated by such parties, or (3) the on-line submission of resumes and employment applications in connection with the Jobs section of our website.

Consent (62.4%), Data Source (60.5%), Organisational Measure (98.0%), Processing (74.8%):

If we make changes, we will notify you by revising the date at the top of the policy and, in some cases, we may provide you with additional notice (such as by adding a statement to our homepage or mobile applications or by sending you an email notification).

Consent (86.5%), Data Controller (97.6%):

We may change this Privacy Policy from time to time.

Personal Data (97.8%), Required Purpose (81.2%):

For example, we collect information when you create an account, manage your user profile, participate in any interactive features of the Services, request our e-newsletter or other marketing communications, participate in a promotion or survey, request customer support or otherwise communicate with us.

Consent (86.7%), Data Subject (71.1%), Non-Personal Data (66.8%), Personal Data (98.7%), Required Purpose (85.6%):

The types of information we may collect include your name, email address, postal address, photograph, avatar, password, forum posts and comments, messages between users and other

contact or identifying information you choose to provide.

Personal Data (98.3%), Required Purpose (94.4%):

Prize winners of contests or sweepstakes may also have to provide their Social Security Numbers, which are used exclusively for prize fulfillment and related tax purposes.

Automated Decision Making (97.0%), Non-Personal Data (90.8%), Personal Data (95.5%):

Information We Collect Automatically When You Use the Services When you access or use our Services, we automatically collect information about you, including: **Device Information:** We collect device-specific information when you access our Services from a mobile device, including your hardware model, operating system and version, unique device identifiers, mobile network information and country.

Non-Personal Data (97.6%), Personal Data (88.9%):

Use Information: We collect information about your use of the Services, including the type of browser you use, access times, pages viewed, game play activity, interactions with other players, your IP address and the page you visited before navigating to our Services.

Technical Measure (98.3%):

Information Collected by Cookies and Other Tracking Technologies: We use various technologies to collect information, and this may include sending cookies to your computer or mobile device.

Processing (95.4%), Required Purpose (82.6%):

Cookies are small data files stored on your hard drive or in device memory that helps us to improve our Services and your experience, see which areas and features of our Services are popular and count visits.

Technical Measure (99.1%):

We may also collect information using web beacons (also known as tracking pixels).

Required Purpose (93.7%), Technical Measure (99.4%):

Web beacons are electronic images that may be used in our Services or emails and help deliver cookies, count visits, understand usage and campaign effectiveness and determine whether an email has been opened and acted upon.

Consent (89.9%), Personal Data (91.0%):

Other Information Collected with Permission: Our mobile applications that are distributed through various app stores may also request permission to automatically collect other information from your mobile device, including your email address.

Data Source (77.4%), Processing (98.8%):

Information We Collect From Other Sources We may also obtain information from other sources and

combine that with information we collect through our Services.

Personal Data (98.6%):

For example, if you create or log into your account through a social media site, we will have access to certain information from that site, such as your name, account information, profile picture, phone number, email address, gender, date of birth and friends lists, in accordance with the authorization procedures determined by such social media site.

Required Purpose (98.6%):

Collection of Information Information You Provide to Us We collect information you provide directly to us.

Data Source (69.0%), Processing (93.1%), Required Purpose (99.1%), Third Party (66.4%):

Use of Information We may use information about you for various purposes, including to:

- Provide, maintain and improve our Services;
- Provide and deliver the products and services you request and send you related information, including confirmations and invoices;
- Send you communications about products, services, offers, promotions, rewards, and events offered by Active Invasion and other companies, and provide news and information we think will be of interest to you;
- Send you technical notices, updates, security alerts and support and administrative messages;
- Respond to your comments, questions and requests and provide customer service;
- Monitor and analyze trends, usage and activities in connection with our Services;
- Personalize and improve the Services and provide advertisements, content, suggested connections or features that match user profiles or activities;
- Process and deliver contest entries and rewards;
- Link or combine with information we get from others to help understand your needs and provide you with better service; and Carry out any other purpose for which the information was collected.

Consent (88.0%), Processing (99.1%), Required Purpose (89.0%):

Sharing of Information We may share information about you as follows or as otherwise described in this Privacy Policy:

- With vendors, consultants and other service providers who need access to such information to carry out work on our behalf;
- With other users of the in connection with the social features of the Services.

Non-Personal Data (94.5%):

For example, your username, profile picture and the virtual content you have accumulated in a game may be visible to other users of that game.

Data Source (63.8%):

We encourage you to review the Privacy Policy whenever you access the Services to stay informed about our information practices and the ways you can help protect your privacy.

Consent (78.2%), Legal Basis (95.0%), Processing (94.7%):

- In response to a request for information if we believe disclosure is in accordance with any applicable law, regulation or legal process, or as otherwise required by any applicable law, rule or regulation; If we believe your actions are inconsistent with the spirit or language of our user agreements or policies, or to protect the rights, property and safety of Active Invasion or others; - In connection with, or during negotiations of, any merger, sale of company assets, financing or acquisition of all or a portion of our business to another company; or - With your consent or at your direction, including if we notify you through our Services that the information you provide will be shared in a particular manner and you provide such information.

Non-Personal Data (86.5%):

We may also share aggregated or de-identified information, which cannot reasonably be used to identify you.

Processing (94.9%):

Social Sharing Features The Services may offer social sharing features and other integrated tools (such as the Facebook Like button), which let you share actions you take on our Services with other media, and vice versa.

Processing (94.0%):

For more information about the purpose and scope of data collection and processing in connection with social sharing features, please visit the privacy policies of the entities that provide these features.

Required Purpose (97.9%):

Analytics, Advertising and Other Services Provided by Other Companies We may allow third parties to serve advertisements in connection with our Services, to provide analytics services and provide you with other services, such as rewards programs and tournaments.

Non-Personal Data (92.5%), Personal Data (98.3%):

These third parties may use cookies, web beacons, your account information (that you set up with these third parties) and other technologies to collect information about you on our Services and other websites and online services, such as your IP addresses, identifiers associated with your mobile device or applications on the device, the browsers you use to visit our Services, pages viewed, time spent on pages, links clicked, and conversion information.

Required Purpose (98.3%):

This information may be used by Active Invasion, and these other companies and their customers and clients, to analyze and track data, determine the popularity of certain content, deliver advertising

and content targeted to your interests, and better understand your usage.

Consent (64.0%):

Some of these third-party analytics and advertising services offer you a choice to opt out the collection of and/or sharing of this information; links to the opt-out mechanisms for the third parties that offer such a choice can be found in the Your Choices section below.

Technical Measure (96.7%):

This Privacy Policy does not apply to, and we are not responsible for, third-party cookies, web beacons, or other tracking technologies.

Organisational Measure (91.0%):

Security Active Invasion takes reasonable measures to help protect information about you from loss, theft, misuse and unauthorized access, disclosure, alteration and destruction.

Consent (80.3%), Technical Measure (78.4%):

If you prefer, you can usually choose to set your browser to remove or reject browser cookies.

Organisational Measure (78.9%), Required Purpose (78.2%):

Push Notifications With your consent, we may send push notifications (or alerts) to your mobile device to provide game activity information, service updates, promotional communications and other related messages.

Organisational Measure (62.5%):

You can deactivate push notifications by changing your notification settings via your device.

Personal Data (65.2%):

If you opt out, we may still send you transactional or relationship messages, such as those about your account or our ongoing business relations.
