

Consent (91.5%), Data Controller (96.4%), Data Subject (83.3%), Legal Basis (90.6%), Personal Data (76.8%), Processing (99.5%), Required Purpose (69.6%):

To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used.

Data Controller (96.1%), Processing (90.9%), Third Party (83.9%):

The Information We Collect This notice applies to all information collected or submitted on the Instapaper website and the Instapaper applications and services for iPhone, iPad, Android, Kindle, and other devices and platforms, hereafter referred to as simply Instapaper.

Required Purpose (81.9%):

Instapaper occasionally needs to collect information for convenience, practicality, or technical requirements.

Personal Data (99.0%):

This information includes: Your chosen username, which may be your email address or name.

Required Purpose (71.9%):

A username is technically required so you can log in from multiple computers and devices.

Personal Data (97.5%), Technical Measure (81.1%):

We encourage you to use your email address to make "forgot password" functionality possible.

Art. 16 Right to rectification (66.9%), Non-Personal Data (62.6%), Personal Data (97.4%), Processing (98.1%):

A hash of your password is stored in the Instapaper database, and the plain-text password is only used for hash comparison to the stored value.

Personal Data (73.2%), Processing (78.8%):

The titles, URLs (addresses), and selected text of the pages you save to Instapaper, folder-specific bookmarklets, Instapaper applications, third-party applications using the Instapaper API, and any other means with which to add pages to Instapaper.

Data Controller (86.4%), Legitimate Interest (74.7%), Personal Data (68.9%), Processing (91.3%), Required Purpose (70.3%):

Instapaper Privacy Terms Instapaper Create Account Sign In Help & FAQ Apps How to Save Premium Blog API Press Publishers Privacy & Terms Create Account Sign In Terms Our Commitment To Privacy Your privacy is important to us.

Processing (64.6%), Required Purpose (96.3%), Third Party (86.1%):

This is technically required to generate the Text view and other indexing features for sites that require logins or accounts, such as some major newspaper publishers.

Processing (90.1%):

When HTML is saved for a page, it is only used within your account and is not revealed via social or sharing features.

Personal Data (76.5%):

Your Amazon Kindle email address, if you have enabled automatic delivery to your Kindle.

Automated Decision Making (93.0%), Processing (97.3%):

Like most Web sites, Instapaper also collects and stores information automatically and through the use of electronic tools that may be transparent to our visitors.

Non-Personal Data (74.8%), Personal Data (83.5%):

For example, we may log the name of your Internet Service Provider, your IP address, and information provided by and about your Internet browser.

Processing (97.5%):

As we adopt additional technology, we may also gather similar information through other means.

Personal Data (91.1%), Processing (78.1%), Required Purpose (83.8%), Technical Measure (98.8%):

Among other things, we may use cookies or other tracking technology for the purposes of storing your username and password hash to spare you from having to re-enter that information each time you visit.

Data Source (71.0%):

The Way We Use Information We use the information you provide to operate Instapaper's features.

Processing (97.9%), Third Party (95.5%):

We do not share this information with outside parties except to the extent necessary to accomplish Instapaper's functionality.

Personal Data (98.0%), Processing (77.3%), Required Purpose (97.9%):

We use return email addresses to answer the email we receive.

Processing (77.5%), Third Party (93.0%):

Such addresses are not used for any other purpose and are not shared with outside parties.

Non-Personal Data (93.4%), Processing (84.7%), Required Purpose (92.8%):

We use non-identifying and aggregate information to better design Instapaper, to suggest popular content to users, and to share with advertisers and publishers.

Required Purpose (99.1%):

For example: We may use aggregate information from Instapaper usage to help design new features or services for the product.

Non-Personal Data (76.0%), Required Purpose (71.5%):

We may aggregate the most popular stories during limited time periods or from certain websites in order to suggest stories for Instapaper's Editor's Picks or for users who have also saved pages from those websites.

Processing (99.0%):

When information is used in this or a similar manner, we do not disclose anything that could be used to identify the individuals on whom the information is based.

Legal Basis (90.7%), Legitimate Interest (78.2%), Processing (98.8%), Right (95.2%):

We may disclose your information in response to subpoenas, court orders, or other legal process, or to establish or exercise our legal rights or to defend against legal claims.

Third Party (63.3%):

In the future, we may sell, buy, merge, or partner with other companies or businesses.

Personal Data (99.7%), Processing (93.5%):

In such transactions, user information may be among the transferred assets.

Required Purpose (80.9%), Technical Measure (97.3%), Third Party (67.0%):

External Services External services beyond Instapaper's control are integrated with Instapaper where necessary, such as Mailgun for email sending, Crashlytics for crash reporting, ZenDesk for customer support, and Google Analytics for traffic measurement and tracking.

Third Party (67.7%):

Integrations with Google services like Analytics, YouTube, and YouTube API Services are bound to the Google Privacy Policy.

Organisational Measure (89.3%), Processing (86.3%), Required Purpose (95.8%):

Our Commitment To Data Security To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

Required Purpose (80.8%):

Please note: To ensure easy account creation, minimal customer errors, and reduced support inquiries, Instapaper accounts initially do not have passwords.

Personal Data (99.7%):

How You Can Access Or Correct Your Information You can access all your personally identifiable information that we collect online and maintain by logging into your Instapaper account on the Instapaper website at <http://www.instapaper.com/>.

Processing (67.5%):

You can correct factual errors in your personally identifiable information by changing or deleting the erroneous information, by deleting your entire Instapaper account at <http://www.instapaper.com/user/delete>, or by emailing support@instapaper.com.

Organisational Measure (72.1%):

To protect your privacy and security, we will also take reasonable steps to verify your identity before granting access or making corrections.

Processing (61.3%):

If you delete your account, all account information and saved page data is deleted from the Instapaper service immediately.

Retention (78.6%):

Due to the nature of backups and logs, deleted data may persist in backups and logs until they are deleted.

Processing (98.0%):

Instapaper makes reasonable efforts to ensure that all integrated external services are trustworthy and reputable, but Instapaper cannot be held responsible for data collection and usage by such services.

Legal Basis (79.5%), Personal Data (99.8%), Scale EU (82.9%), Scale Non-EU (91.3%):

Department of Commerce regarding the collection, use, and retention of personal information transferred from the European Union, United Kingdom, and Switzerland to the United States pursuant to the Privacy Shield.

Legal Basis (61.2%), Scale EU (81.2%):

Privacy Shield Instapaper complies with the EU-U.S.

Scale Non-EU (68.8%):

EU, UK, and Swiss individuals with inquiries or complaints regarding our Privacy Shield policy should first contact Instapaper at support@instapaper.com.

Scale Non-EU (82.4%):

Privacy Shield Framework and the Swiss-U.S.

Authority (88.6%):

Within the scope of this privacy notice, if a privacy complaint or dispute cannot be resolved through Instapaper's internal processes, the Federal Trade Commission has jurisdiction over Instapaper's compliance with the Privacy Shield.

Personal Data (99.8%), Processing (98.8%):

The Privacy Shield Principles describe Instapaper's accountability for personal data that it

subsequently transfers to a third-party agent.

Third Party (93.9%):

Under the Privacy Shield Principles, Instapaper shall remain liable if third party agents process the personal information in a manner inconsistent with the Privacy Shield Principles, unless Instapaper proves it is not responsible for the event giving rise to the damage.

Data Controller (97.0%):

If we cannot, we have selected JAMS, an independent dispute resolution provider, to handle unresolved Privacy Shield complaints.

Organisational Measure (77.9%), Third Party (65.3%):

JAMS is a US-based private alternate dispute resolution provider, and we have contracted with JAMS to provide an independent recourse mechanism for any of our users for privacy concerns at no cost to you.

Authority (92.3%), Processing (80.7%), Required Purpose (76.1%):

Note that Instapaper may be required to release the personal data of EU, UK, and Swiss individuals whose data is pursuant to the Privacy Shield in response to legal requests from public authorities, including to meet national security and law enforcement requirements.

Art. 16 Right to rectification (86.3%), Processing (64.5%):

Individuals located in the European Economic Area (EEA) have certain rights in respect of your personal information and Instapaper will provide these capabilities to all our worldwide users, including: The right of access to your personal data; The right to correct or rectify any inaccurate personal data; The right to restrict or oppose processing of personal data; The right to erase your personal data; and The right to personal data portability.

Legitimate Interest (93.9%), Processing (96.8%), Required Purpose (79.0%):

Instapaper uses, processes, and stores personal data, including those listed in the "Information We Collect" section, as necessary to perform our contract with you, and based on our legitimate interests in order to provide the Services.

Organisational Measure (60.3%):

We rely on your consent to process personal data to place cookies on your devices.

Legitimate Interest (69.3%):

In some cases, Instapaper may process personal data pursuant to legal obligation or to protect your vital interests or those of another person.

Art. 17 Right to erasure (right to be forgotten) (72.5%):

You can also remove your personal data from Instapaper by deleting your account at

<http://www.instapaper.com/user/delete>.

Authority (62.5%), Legal Basis (96.7%), Lodge Complaint (80.0%):

If you're based in the EEA and think that we haven't complied with data protection laws, you have a right to lodge a complaint with your local supervisory authority.

Organisational Measure (60.3%):

Please check this page periodically for changes.

Organisational Measure (80.2%):

Your continued use of Instapaper following the posting of changes to this policy will mean you accept those changes.

Organisational Measure (99.4%):

We will notify you before we make material changes to this policy and give you an opportunity to review the revised policy before deciding if you would like to continue to use the Services.
