Organisational Measure (67.5%), Personal Data (99.8%), Processing (99.5%), Required Purpose (66.7%):

This Privacy Policy describes how we collect, use, and share personal information from our branded websites, mobile apps, connected TV apps, and other digital properties to which this Privacy Policy is posted (collectively, the Services).

Data Source (77.1%), Processing (80.3%):

Except as expressly provided in this Privacy Policy, it does not apply to information you provide to us offline or through other means.

Data Controller (96.6%), Legitimate Interest (77.3%):

(together with its affiliates, TEGNA we, us or our) is a national media company that owns and operates broadcast media channels, such as local television and radio stations, as well as certain

other lines of business.

Right (89.0%):

Your Privacy Rights.

Consent (74.9%), Legal Basis (96.8%), Right (96.3%):

See the Your Privacy Rights section below for information about rights granted by state privacy laws.

Legal Basis (87.6%), Processing (96.3%), Scale Non-EU (92.9%):

California Notice at Collection.

Right (68.2%), Scale Non-EU (77.6%):

California residents can find important information regarding the personal information we collect and their privacy rights in the Your Privacy Rights section below.

Non-Personal Data (71.3%), Personal Data (99.0%):

We may collect some or all of the following types of personal information about you that you provide to us when you use the Services: Contact data, such as your first and last name, email address, mailing addresses, phone number, professional title and/or company name.

Personal Data (92.4%), Required Purpose (64.1%):

Registration data, such as information that you submit when you complete an online registration form to access and use certain features of our Services (e.g., our email newsletters), sign up for an audiocast or podcast, or enter contests, sweepstakes, or promotions.

Processing (83.6%):

Communications that we exchange when you contact us with questions, feedback, or otherwise.

Personal Data (82.5%), Processing (84.2%), Required Purpose (67.9%):

Marketing data, such as the email address or contact details that we use to send marketing communications to you, your marketing preferences, and information about your responses to our marketing communications.

Data Source (72.8%):

Data from other sources.

Art. 17 Right to erasure (right to be forgotten) (72.8%), Non-Personal Data (91.6%), Personal Data (72.8%), Processing (81.0%), Required Purpose (61.0%), Third Party (78.2%):

We may combine personal information we receive from you with personal information we obtain from other sources, such as: Content partners, such as internet streaming platforms and networks with which Premion has relationships, which provide us information about their streaming audiences devices and viewing activity, which we use to help our advertisers deliver advertising that is more

likely to be relevant to their viewers interests.

Third Party (80.1%):

Business partners, such as joint marketing partners and event co-sponsors.

Personal Data (99.5%), Processing (95.6%):

Table of Contents Personal Information We Collect How We Use Your Personal Information How We Share Your Personal Information Retention Your Choices Other Sites and Services Security International Data Transfers Children Changes to this Privacy Policy Your Privacy Rights Additional Information for California Residents How to Contact Us Personal Information We Collect Information you provide to us.

Automated Decision Making (97.1%), Processing (99.5%):

Data collected automatically.

Third Party (87.2%):

Data providers, such as information services and data licensors.

Non-Personal Data (96.1%), Personal Data (99.6%), Processing (82.5%):

We, our service providers, and third-party partners may automatically log information about you, your computer or mobile device, and your activity over time on the Services and other online services, such as: Device data, such as your computer or mobile device operating system type and version number, manufacturer and model, browser type, screen resolution, IP address, unique identifiers (e.g., Apples ID for Advertising or Googles Advertising ID), general location information (such as city or state), and precise geolocation (if you permit our Services to access it from your device settings).

Non-Personal Data (79.4%), Personal Data (88.4%):

Online activity data, such as the website you visited before browsing to our website, pages, or screens you viewed on the Services, how long you spent on a page or screen, navigation paths between pages or screens, information about your activity on a page or screen, access times, and duration of access.

Technical Measure (98.5%):

Cookies.

Technical Measure (99.4%):

Some of our automatic data collection is facilitated by cookies and other technologies.

Retention (72.5%):

Cookies are small data files placed on your computer when you visit a site.

Personal Data (97.3%), Required Purpose (99.1%):

We may set cookies when you use the Services to track user trends and patterns, help you navigate between pages efficiently, remember your preferences and generally improve your browsing experience.

Third Party (95.9%):

Cookies used on the Services may also be set by analytics service providers and advertising partners.

Personal Data (91.5%), Required Purpose (96.9%):

In addition to cookies, the Services and our emails may use pixel tags (also known as web beacons and clear GIFs) to compile statistics about use of the Services, measure the success of our marketing campaigns, and indicate whether recipients of our emails open or click links within them.

Required Purpose (96.6%):

We may use your personal information to: provide, operate, and improve the Services; communicate with you about the Services, including by sending you announcements, updates, and support and administrative messages; and provide support for the Services, and respond to your requests, questions, and feedback.

Required Purpose (89.8%):

Research and development.

Required Purpose (98.0%):

We may use your personal information to administer surveys and other market research and for other research and development purposes, including to analyze and improve the Services and our business.

Non-Personal Data (97.4%), Processing (77.3%):

As part of these activities, we may create anonymous data (including aggregated and/or de-identified data) from personal information we collect.

Organisational Measure (67.4%), Processing (73.4%):

We convert personal information we collect into anonymous data by removing information that makes the data personally identifiable to you.

Organisational Measure (80.3%), Required Purpose (71.6%):

We will maintain and use deidentified information in deidentified form and not attempt to reidentify it, except for purposes of testing to ensure that the information has been adequately deidentified.

Recipient (69.2%), Required Purpose (96.2%), Third Party (98.9%):

We may use this anonymous data and share it with third parties for our lawful business purposes, including to analyze and improve the Services and promote our business.

Required Purpose (63.2%):

How We Use Your Personal Information We use your personal information for the following purposes and as otherwise described in this Privacy Policy or at the time of collection: Service delivery.

Legal Basis (96.1%):

We may send you TEGNA-related and or other marketing communications via email and other channels as permitted by law.

Required Purpose (98.9%):

We also work with third-party advertising partners who use cookies and other technologies to help us advertise our services.

Consent (74.0%):

To learn more about your choices in connection with advertisements, please see the section below titled Advertising choices.

Required Purpose (94.2%):

Covering Fort Smith, Fayetteville, Bentonville, and all of Northwest Arkansas and the River Valley.

Required Purpose (71.3%):

Compliance and operations.

Authority (86.0%), Legal Basis (92.7%), Processing (90.9%), Required Purpose (97.5%):

We may use your personal information to: operate our business; comply with applicable laws, lawful requests, and legal process, such as to respond to subpoenas or requests from government authorities; protect our, your or others rights, privacy, safety, or property (including by making and defending legal claims); enforce the terms and conditions that govern the Services; and prevent, identify, investigate and deter fraudulent, harmful, unauthorized, unethical or illegal activity, including cyberattacks and identity theft.

Recipient (78.7%):

Our corporate parent, subsidiaries, and affiliates, for purposes consistent with this Privacy Policy.

Data Processor (72.4%):

Companies and individuals that provide services on our behalf or help us operate the Services or our business, such as customer service and support providers; technology providers (including technology support, web hosting providers, email and text communications providers, and mobile app developers); shipping and fulfillment service providers; survey and market research providers; advertising and marketing partners; and analytics services providers.

Third Party (87.9%):

Business Partners.

Third Party (97.5%):

Third parties with which we co-sponsor events or promotions, with which we jointly offer products or services, or whose products or services may be of interest to you.

Required Purpose (82.6%):

Professional advisors, such as lawyers, auditors, bankers, and insurers, where necessary in the course of the professional services that they render to us.

Authority (71.8%), Recipient (67.3%), Third Party (76.9%):

Law enforcement, government authorities, central banks and private parties, as we believe necessary or appropriate for the compliance and operations purposes described above.

Recipient (75.1%):

Acquiring and other relevant parties (and their advisors) to business transactions (or potential transactions) involving a corporate divestiture, merger, consolidation, acquisition, reorganization, sale or other disposition of all or any portion of the business, assets, or equity interests in TEGNA or our affiliates (including, in connection with a bankruptcy or similar proceedings).

Processing (90.0%), Third Party (84.3%):

Please keep in mind that whenever you voluntarily make your personal information available for viewing by third parties on our Services, that information may be seen, collected and used by others besides us.

Consent (70.6%), Required Purpose (97.4%), Retention (86.7%):

Retention The length of time we retain particular categories of personal information is determined based on whether it is sufficient to fulfill the purposes for which we collected it, including to satisfy legal, regulatory, accounting, or reporting requirements, establish or defend legal claims, enforce our agreements, resolve disputes or fraud prevention.

Retention (85.3%):

We may either delete or anonymize personal information we no longer require.

Right (94.2%):

Your Choices Your privacy rights.

Consent (98.0%), Organisational Measure (64.2%):

You can make certain requests regarding your personal information as described in the section below entitled Your Privacy Rights. Opt-out of marketing emails.

Organisational Measure (68.1%):

You may opt out of marketing-related emails by following the opt-out or unsubscribe instructions at

the bottom of the email.

Personal Data (99.4%):

You must register with us to receive this service, which may require providing us your name, telephone number, and other personal information.

Consent (79.9%):

You can cancel or modify your alerts by accessing your account through the Services or by texting STOP to the number associated with the text news alert.

Consent (73.8%):

You can limit use of your information for targeted advertising by: Browser settings.

Required Purpose (98.2%):

We need to collect personal information to provide certain Services.

Required Purpose (77.4%):

If you do not provide the information requested, we may not be able to provide those Services.

Third Party (99.2%):

Other Sites and Services The Services may contain links to other websites and online services operated by third parties.

Third Party (99.1%):

These links are not an endorsement of, or representation that we are affiliated with, any third party.

Third Party (96.4%):

We do not control third party websites or online services, and we are not responsible for their actions.

Third Party (89.4%):

We may share with our partners information you provide, or that is collected, in the course of visiting any pages that are made available in cooperation with our partner.

Technical Measure (75.0%):

We employ organizational, technical and physical safeguards designed to protect the personal information we collect.

Scale Non-EU (91.5%):

International Data Transfers Our Services are intended to be used only by residents of the United States.

Processing (96.3%):

We are headquartered in the United States, and your personal information may be transferred to the United States or other locations outside of your state, province, or country where privacy laws may

not be as protective.

Processing (85.5%):

If we become aware that we have inadvertently received personal information from a user under the age of 18 as part of the Services, we will delete such information from our records.

Right (85.3%):

Changes to this Privacy Policy We reserve the right to modify this Privacy Policy at any time.

Organisational Measure (77.8%):

If we make material changes to this Privacy Policy, we will notify you by updating the date of this Privacy Policy and posting it on the applicable Service(s).

Personal Data (99.6%):

For purposes of this section, personal information has the meaning given to personal data, personal information or similar terms under the applicable privacy laws of the state in which you reside.

Processing (97.6%):

You have the right to know what personal information we have collected about you, including the categories of personal information, the categories of sources from which the personal information is collected, the business or commercial purpose for collecting and any selling or sharing personal information, the categories of personal information that we sold or disclosed for a business purpose, and the categories of third parties to whom we disclosed, sold or shared your personal information (or if not maintained, a list of the categories of third parties to whom we have disclosed any individual's personal information).

Art. 15 Right to access by the data subject (79.8%):

You can request a copy of certain personal information that we have collected about you in a structured, machine-readable and commonly used format.

Art. 17 Right to erasure (right to be forgotten) (75.4%):

You can ask us to delete certain personal information that we maintain about you.

Art. 16 Right to rectification (67.7%):

You can ask us to correct inaccurate personal information that we maintain about you.

Processing (94.6%):

Opt-out of processing/sharing personal information for targeted advertising purposes.

Consent (65.0%):

You can access this Privacy Policy online at www.teгна.com/privacy-policy as well as from the websites of our affiliates.

Legal Basis (94.1%):

Some state laws grant residents rights regarding certain types of profiling that will have a legal or similarly significant effect on them, including the right to opt-out of that profiling.

Legal Basis (89.8%):

TEGNA is the controller of your personal information covered by this Privacy Policy for purposes of applicable privacy laws.

Consent (73.8%):

Revoke consent.

Consent (72.3%):

If we ask for your consent to process your personal information and you give it, you may revoke your consent.

Technical Measure (77.6%):

Either of these actions will stop the processing/sharing for targeted advertising facilitated by cookies or similar technologies.

Technical Measure (80.8%):

The request will apply only to the browser and the device from which the request is submitted, and will not stop processing/sharing that is not facilitated by cookies or other web technologies.

Personal Data (77.7%):

For example, if our advertising partners use your email address for targeted advertising, we may need to ask you what your email address is to stop that use.

Required Purpose (62.0%):

We may need to verify your identity to process your information, access, deletion, and correction requests, and we reserve the right to confirm your residency so we know which state law applies.

Required Purpose (60.5%):

In some cases, the partner may collect information from you directly, in which cases the privacy policy of our partner applies to the partners use of your information.

Organisational Measure (70.7%):

For example, we may require authentication into your account on the Services, government identification, a declaration under penalty of perjury or other information, where permitted by law.

Right (68.3%):

You may exercise your privacy rights described above as follows: You can request to exercise your information, access, deletion, and correction rights by: calling us toll free at 1-888-TEGNAPR (1-888-834-6277) emailing privacy@tegna.com visiting this link.

Consent (81.9%):

The rights described above are subject to exemptions and, in certain cases, we may decline your request as permitted by law.

Personal Data (91.3%):

When sending your appeal, please include your name, contact information, details of the original request, the date of our response, and any reason you believe the denial should be reconsidered.

Legal Basis (77.9%):

We will review your appeal and respond in writing within the timeframe required by the law in the state where you live.

Processing (95.9%):

We may also collect other categories of personal information for uses in accordance with this Privacy Policy or otherwise described at the time of collection.

Personal Data (99.5%):

Examples of data considered sensitive in at least one state include data revealing racial or ethnic origin, religious/philosophical beliefs, a mental or physical health condition/treatment/diagnosis, data related to pregnancy and reproductive health, genetic data, biometric data, sex life/sexuality/sexual orientation, status as transgender or nonbinary, personal data of a known child under 18, union membership, citizenship or citizenship/immigration status, status as victim of a crime, online account credentials, precise geolocation data, government-issued IDs, financial account data, and the contents of mail/email/text message communications.

Personal Data (60.5%):

Children Our services are not intended for children under the age of 18, and we do not knowingly collect any personal information from a child under 18.

Organisational Measure (62.9%):

You may always contact us to request to withdraw or revoke such consent if you are unable to easily do so via other mechanisms presented in the Service.

Legal Basis (87.1%):

Additional Information for California Residents This section provides disclosures required by California law about information practices currently and during the past 12 months.

Processing (97.7%):

Personal Information that We Collect, Use and Disclose.

Processing (82.7%):

You agree that if you provide this sensitive data to us, you affirmatively confirm that you have freely given your informed, unambiguous agreement to our use and disclosure of this data for the

purposes explained at the time of collection or otherwise as described in this Privacy Policy.

Recipient (60.4%):

We may also disclose personal information to professional advisors, authorities and others, and business transferees as described above in the How we Share Your Personal Information section of this Privacy Policy.

Third Party (62.1%):

Advertising partners.

Personal Data (99.5%):

Use of Sensitive Personal Information To the extent we offer user account creation for the Services and you create an account on a Service, the username and password for your Service account, and your devices precise geolocation when you grant us access to it, are considered sensitive personal information under the CCPA.

Legal Basis (98.8%):

Sale of Personal Information We do not sell personal information of California residents as sell is defined under the California Consumer Privacy Act (CCPA), except to the extent that the sharing of personal information for targeted advertising described above constitutes a sale of personal information.

Legal Basis (74.5%), Personal Data (93.3%):

Under Californias Shine the Light Law (California Civil Code Section 1798.83), California residents may also ask companies with whom you have formed a business relationship primarily for personal, family or household purposes to provide the names of third parties to which they have disclosed certain personal information (as defined in the Shine the Light Law) during the preceding year for their own direct marketing purposes.

Personal Data (97.1%):

For all requests, you must put the statement Shine the Light Request in the body of your request, and provide your first and last name.

Scale Non-EU (90.6%):

Additional Information for Oregon and Minnesota Residents Oregon and Minnesota residents can request a list of specific third parties, other than natural persons, to which we have disclosed your personal information (or if we do not maintain one, a list of the third parties to which we have disclosed personal information of any relevant state resident).
