Legal Basis (70.1%), Required Purpose (98.1%), Right (69.5%):

to invite you to events) and to facilitate ongoing relationships with your organization; To manage any queries, complaints or claims relating to the services your organization provides to 8x8; For product development purposes, to allow us to improve our products and services or develop new products and services; Where necessary to comply with laws and regulations, under judicial authorization, or to exercise or defend the legal rights of 8x8; To help us conduct our business more effectively and efficiently or check and improve the quality of our products and/or services; To carry out research and development with various 8x8 Group Entities; To investigate violations of law or breaches of other 8x8 policies.

Legitimate Interest (82.9%), Required Purpose (70.2%):

We collect this information for our legitimate business interests, including administrative, notification and housekeeping purposes.

Legitimate Interest (97.6%):

Authors of publicly available research material 8x8 carries out research for our legitimate business interests, more specifically to improve our business and technology.

Non-Personal Data (88.7%):

If you are the author of this material then we will collect and process information about you related to

your research material such as your name, title, organization and relevant qualifications.

Data Processor (68.1%), Processing (95.7%):

We may disclose your personal information to the following categories of recipients: to our group companies, third party services providers and partners who provide data processing services to us, for example (i) to support the delivery of, provide functionality on, or help to enhance the security of our Websites or services, (ii) for quality control and assurance, or (iii) improving our services and developing new services.

Legitimate Interest (95.0%), Processing (93.3%), Required Purpose (66.6%):

We may also share personal information with such third parties where we consider that such disclosure is necessary to protect the safety or legitimate business interests of those third parties, including to investigate suspected fraud or to trace debtors.

Authority (83.5%), Consent (68.0%), Legal Basis (73.5%), Legitimate Interest (86.0%), Required Purpose (81.2%):

to any competent law enforcement body, regulatory, government agency, court or other third party where we believe disclosure is necessary (i) as a matter of applicable law or regulation, (ii) to exercise, establish or defend our legal rights, or (iii) to protect your vital interests or those of any other person; to an actual or potential buyer (and its agents and advisers) in connection with any proposed purchase, merger or acquisition of any part of our business, provided that we inform the buyer it must use your personal information only for the purposes disclosed in this Privacy Notice; to any other person with your consent to the disclosure.

Legal Basis (98.4%), Processing (99.2%):

If you are a visitor from the UK or European Economic Area, our legal basis for collecting and using the personal information described above will depend on the personal information concerned and the specific context in which we collect it.

Legitimate Interest (74.1%):

However, we will normally collect personal information from you only (i) where the processing is in our legitimate interests and not overridden by your rights, (ii) where the processing is a contractual necessity, or (iii) where we have your consent to do so.

Legal Basis (93.5%):

If we ask you to provide personal information to comply with a legal requirement or to enter into a contact with your organization, we will make this clear at the relevant time and advise you whether the provision of your personal information is mandatory or not (as well as of the possible consequences if you do not provide your personal information).

Legitimate Interest (79.4%), Required Purpose (84.8%):

If we collect and use your personal information in reliance on our legitimate interests (or those of any third party), this interest will normally be to operate our Websites or services and to communicate with you as necessary to provide our services to your organization; as well as for our legitimate commercial interests, for instance, when responding to your queries, improving our Website or services, undertaking marketing, or for the purposes of detecting or preventing illegal activities.

Legitimate Interest (78.7%):

We may have other legitimate interests and if appropriate we will make clear to you at the relevant time what those legitimate interests are.

Organisational Measure (79.8%), Required Purpose (62.0%):

We use appropriate technical and organizational measures to protect the personal information that we collect and process about you.

Organisational Measure (64.1%), Required Purpose (84.5%), Technical Measure (97.7%):

Specific measures we use include SSL encryption technology for protection of sensitive information such as payments when in transit.

Organisational Measure (65.2%), Required Purpose (72.2%):

We have industry-standard administrative, technical and physical safeguards in place to protect the confidentiality, integrity and availability of your personal information.
