Art. 17 Right to erasure (right to be forgotten) (74.4%):

You also have the right to request deletion of your personal data.

Personal Data (99.6%):

Because we generally do not collect personal identifiers unless you contact us, this typically would apply to data like an email you sent us or any profile information you provided.

Organisational Measure (85.6%):

Data Security and Retention Security Measures: We take reasonable measures to protect your information from unauthorized access, alteration, disclosure, or destruction.

Organisational Measure (95.3%):

These measures include encryption of data in transit (e.g., our website is served over HTTPS), secure storage practices, and limiting access to personal data only to those in our team or service providers who need it to perform their duties.

Organisational Measure (67.9%), Personal Data (85.8%):

While we strive to use commercially acceptable means to protect your personal information, please

understand that there is no "perfect security measure" on the Internet.

Organisational Measure (85.9%):

We will do our best to prevent your information from being leaked, damaged or lost according to existing technology and provide reasonable security guarantees.

Retention (94.7%):

Data Retention: We retain the information we collect for as long as needed to provide our services and for the purposes described in this policy.

Personal Data (96.9%):

For example, analytics data may be retained indefinitely in aggregate form to observe long-term trends, but personal correspondence (like a support email you send) will be retained only as long as necessary to address your inquiry and for a short period thereafter in case of follow-up, unless longer retention is required by law.

Required Purpose (79.9%), Retention (86.1%):

If you request deletion of your personal data, we will delete or anonymize the data unless we are legally allowed or required to keep it (for example, for financial record-keeping, legal claims, or safety enforcement).

Processing (71.9%):

International Data Transfers: Your data may be transferred to and processed in the U.S.

Legal Basis (95.0%):

These countries may have data protection laws that are different from those in your country.

Contract (60.1%), Organisational Measure (93.0%):

We ensure that appropriate safeguards are in place for such transfers, for example by relying on standard contractual clauses or other legally approved mechanisms to protect your data.

Required Purpose (90.8%), Retention (66.8%):

Changes to This Privacy Policy We may update or revise this Privacy Policy from time to time to reflect changes in our practices or for other operational, legal, or regulatory reasons.

Organisational Measure (65.6%):

If we make material changes, we will post the updated policy on our website and update the "Effective Date" at the top.

Organisational Measure (93.6%):

For significant changes, we may also provide a notice within the app or via email (if you have provided one) to notify you.

Organisational Measure (81.3%):

We encourage you to review this Privacy Policy periodically to stay informed about how we are protecting your information.

Organisational Measure (80.2%):

Your continued use of the app or our services after any changes to this Policy will signify your acceptance of the updated terms.

Organisational Measure (93.2%):
