

Art. 15 Right to access by the data subject (66.1%), Consent (93.5%), Data Controller (97.0%), Data Subject (69.1%), Legal Basis (61.7%), Non-Personal Data (65.5%), Organisational Measure (97.8%), Personal Data (99.1%), Required Purpose (94.1%), Technical Measure (97.6%):

Privacy Policy - Adventure Academy Home Log In Sign Up Terms & Conditions Customer Support Log Out Skip Navigation Log Out Log In Sign Up Privacy Policy Print This Page Effective Date: December 22nd, 2022 Previous Privacy Policy: September 1st, 2020 Welcome to Adventure AcademyA, which is owned and operated by Age of Learning, Inc.

Data Controller (72.2%), Data Subject (91.4%), Organisational Measure (74.2%), Required Purpose (83.7%):

We are committed to providing children with a learning environment where every activity is just as fun as it is educational and where you can feel confident that your children's privacy is protected.

Data Controller (96.8%), Legal Basis (89.8%), Non-Personal Data (80.4%), Personal Data (78.2%), Processing (99.4%), Required Purpose (94.9%), Third Party (86.3%):

This Privacy Policy describes the ways in which Age of Learning, Inc., and its subsidiaries (collectively, we, our, us, or the Company) collect, use, and disclose information about you and the children who use your Adventure Academy account (Account), and any other websites, applications, and online services (Apps) that link to this policy (collectively, the Services).

Consent (91.2%), Personal Data (99.2%):

By using the Services, you agree to the handling of your information in accordance with this Privacy Policy.

Legal Basis (99.4%), Personal Data (99.6%), Right (65.4%), Scale Non-EU (91.4%):

Personal Information, or PI, is defined in this policy to mirror the text of the California Consumer Privacy Act (CCPA) and means information that identifies, relates to, describes, is capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular consumer or household.

Personal Data (76.6%), Required Purpose (89.5%):

We take your privacy seriously, and we never monetize your PI; we use it to enhance your experience with opportunities like special promotions and offers.

Consent (62.2%), Personal Data (96.7%), Processing (72.9%):

During Account registration, the only information we may ask you to provide about a child who will be using the Services is the child's first name (or nickname), birth month and year, and gender.

Consent (95.3%):

We also will ask you to choose an Academic Difficulty Level for each child.

Data Subject (95.8%), Non-Personal Data (77.9%), Organisational Measure (77.9%), Personal Data (81.8%), Processing (93.8%):

Other than in the places and for the purposes explicitly disclosed in this Privacy Policy, and Avatar names that are displayed when you choose to allow your Child Users to use the Services chat feature, we do not knowingly collect any PI directly from Child Users under age 13.

Personal Data (97.1%), Required Purpose (69.7%):

We do not ask for certain sensitive PI such as social security numbers, driver's license numbers, or biometric data.

Data Subject (66.9%), Personal Data (98.7%):

However, paying subscribers are asked for payment information when they subscribe.

Processing (91.2%):

This means that the product has been independently, reviewed, and certified by kidSAFE to meet certain standards of online safety and privacy.

Organisational Measure (75.9%), Required Purpose (79.4%):

Because the security of your PI is important to us, we only ask for PI where it serves a business purpose and try to limit the collection of PI to only what is necessary to accomplish those purposes.

Organisational Measure (68.1%), Processing (99.7%), Technical Measure (83.1%):

We also use commercially reasonable physical, technical, and administrative security measures designed to safeguard all information collected by the Services.

Art. 17 Right to erasure (right to be forgotten) (82.3%), Data Subject (94.8%), Processing (92.4%):

Adult Users (as defined below) may contact us, when applicable, at any time as described in Section 13 (Contact Us) to request that we provide for their review, or delete from our records, any PI they have provided about Child Users associated with their Account, or to cease collecting PI from those Child Users.

Automated Decision Making (90.5%):

For information about when we automatically delete PI due to Account cancellation or inactivity, please see Section 10 (Location of Information Processing).

Legal Basis (98.6%), Processing (80.9%):

However, we will only use or disclose this information in accordance with this policy and applicable law.

Personal Data (93.6%), Right (67.7%), Third Party (99.1%):

Table of Contents COPPA Safe Harbor Account Users Information Collection How We Use Information When We Disclose Information to Third Parties How to Access, Change, or Delete Account Information Account Cancellation and Reactivation; Data Deletion California Privacy Rights Links to Other Services Location of Information Processing Security Changes to Our Privacy Policy Contact Us 1.

Data Subject (62.6%):

Adult Users Adult Users must register for an account on behalf of the Child User.

Personal Data (99.6%):

Adult Users are asked to provide certain Personal Information about themselves when registering for any Account, including first and last name, email address, and telephone number (which is optional).

Personal Data (98.1%):

Payment information is collected from Adult Users who register for an Account, including those who purchase a Gift Account for others, unless Adult Users are purchasing through iTunes, PayPal, or other similar mechanisms with which we integrate.

Organisational Measure (66.8%), Personal Data (99.2%), Processing (95.1%), Required Purpose (89.3%), Retention (72.5%):

For your security, we do not store your complete credit card number in our databases but retain only the first six digits and last four digits so that we can identify your Account and respond to your requests and questions.

Processing (61.9%):

This section, accessible via the Menu on the Character Select section of the Services, allows Adult Users to administer their Accounts, including when they add Child Users, provide testimonials, seek customer support, or submit comments or questions.

Right (92.7%):

If you submit any information relating to other people in connection with the Services, you represent that you have the authority to do so and permit us to use the information in accordance with this Privacy Policy.

Processing (98.7%), Required Purpose (72.5%):

We encourage you to use the Services with your Child Users and to view and monitor any content and chats created, uploaded, posted, or transmitted (as applicable) by them.

Personal Data (80.4%), Processing (63.5%):

Please be aware that zone-wide chat logs will not be saved to the account and therefore will not be

available for your review.

Processing (94.9%), Retention (74.0%):

However, a Child User's chat messages to another Child User in a private chat will be stored until that chat chain is deleted.

Non-Personal Data (65.1%):

Information We Collect from Users We and our third-party service providers collect PI directly from Users of the Services in the form of the actions they take and activities (or quests) they complete when using the Services.

Non-Personal Data (76.0%), Personal Data (90.1%):

For example, from Adult Users, we may collect information about patterns of usage and order history; from Child Users, we may collect information about patterns of usage, which activities a child commences and completes, when a child starts and stops an activity, which areas of the Services the child frequents, the number of questions answered correctly or incorrectly, how many virtual coins (Coins) the child earns, what virtual items the child selects to exchange for Coins or chooses to buy from, or sell to, other Users, and the child's choice of Avatar and customization.

Non-Personal Data (96.9%), Personal Data (94.7%), Technical Measure (98.9%):

We and our third-party service providers also use a variety of technologies, such as cookies (small text files that the Services save on your computer or mobile device), to automatically collect certain technical information from your computer or mobile device over time and across different websites, including when you use the Services, such as your browser type, operating system, device type, the page served, your IP address, the approximate geolocation of your computer or mobile device, and the websites you visited prior to visiting the Services.

Personal Data (75.3%), Processing (96.9%):

When you download and use one of our Apps, we and our service providers may track and collect App usage data, such as the date and time the App on your device accesses our servers and what information and files have been downloaded to the App based on your device number.

Required Purpose (92.9%):

We and our third-party service providers may use the information collected through these technical methods for several purposes, including delivering content, tracking and enhancing our User's experience with the Services, and delivering advertising to visitors to www.adventureacademy.com when they visit other websites and applications.

Required Purpose (91.0%):

For example, when you return to the Services after logging in, cookies help the Services recognize

who you are without having to log back in.

Processing (90.5%), Required Purpose (96.5%):

The information collected through these technical methods on the child-directed portions of the Services are used only to support the internal operations of the Services.

Required Purpose (67.2%), Third Party (81.6%):

We do not allow third-party advertising networks to collect information about Users who are logged in to their Accounts.

Required Purpose (62.4%):

Cookies We use cookies, which are small text files placed on your device, to collect certain internet log information and visitor behavior information.

Personal Data (65.6%):

Please see Section 3 (Information Collection) for more information about how we safeguard payment information.

Required Purpose (97.7%):

We use cookies to recognize your device and to provide and improve our Services as described below.

Personal Data (64.7%), Required Purpose (96.9%):

We use the following cookies: Essential Cookies These cookies are essential to provide you with services available through the Services and enable you to use some of its features.

Required Purpose (76.9%):

For example, they allow you to log in to secure areas of our Services and help the content of pages you request load quickly.

Required Purpose (97.8%):

Without these cookies, the services that you have asked for cannot be provided, and we only use these cookies to provide you with those services.

Required Purpose (98.8%):

Functionality Cookies These cookies allow us to remember choices you make when you use our Services, such as remembering your language preferences, remembering your login details, and remembering the changes you make to other parts of Services which you can customize.

Personal Data (92.7%), Required Purpose (96.8%):

The purpose of these cookies is to provide you with a more personal experience and to avoid you having to reenter your preferences every time you visit our Services.

Required Purpose (97.1%):

Analytics and Performance Cookies These cookies are used to collect information about traffic to our Services and how users use the Services.

Processing (95.0%):

The information gathered does not identify any individual visitor.

Non-Personal Data (91.1%):

It includes the number of visitors to our Services, the websites that referred them to our Services, the pages they visited on our Services, what time of day they visited our Services, whether they have visited our Services before, and other similar information.

Required Purpose (99.3%):

We use this information to help operate our Services more efficiently, to gather broad demographic information, and to monitor the level of activity on our Services.

Consent (72.7%):

If you do not want the Services to collect information through cookies, you can set your web browser to reject cookies from the Services.

Processing (98.5%), Third Party (88.4%):

Social Media Cookies These cookies are used when you share information using a social media sharing button or alike button on our Services or you link your account or engage with our content on or through a social networking website such as Facebook, Twitter, or Google+.

Required Purpose (68.5%):

Except as otherwise provided in this policy, such as when a California resident has opted-out of our sharing PI for valuable consideration, by continuing to use our Services, you are accepting our use of these cookies that make advertising and communications more relevant to you and your interests and further help us to improve our Services.

Personal Data (91.7%):

If you provide us with your mobile phone number, we may send you SMS text messages about your account.

Scale Non-EU (72.7%):

or Canada) text STOP, CANCEL, or UNSUBSCRIBE in reply to any SMS text message sent by us.

Organisational Measure (67.9%), Third Party (97.2%):

How We Use Information We will never monetize the PI of any User of the Services by providing it to a third party in exchange for money, except as described in this policy in the context of a sale of the Company.

Required Purpose (96.8%):

We and our third-party service providers may use the information collected from Users as follows:

Adult User Information Information collected from Adult Users may be used: To permit you to register and use the Services, including, for example, to send you communications about Child User progress or your Account, or to allow you to provide Feedback through the Parent Section.

Processing (97.5%), Required Purpose (90.5%):

To complete and fulfill your purchase, such as to process your payments, communicate with you regarding your purchase, and provide you with related customer service.

Required Purpose (90.3%):

To respond to your inquiries and fulfill your requests, retrieve your password, or provide technical support.

Personal Data (86.8%):

External links will only be available if an Adult User enters his or her password.

Right (95.7%):

California residents have additional rights under the CCPA.

Non-Personal Data (64.2%), Required Purpose (94.9%):

Child User Information Information collected from Child Users may be used: To measure a Child User's performance in activities and to adapt a Child User's learning experience to the Child User's learning needs.

Organisational Measure (76.2%), Required Purpose (86.8%):

To analyze, provide progress reports on, or provide an assessment of a Child User's performance to the Adult User on the Account.

Authority (72.6%), Legal Basis (93.6%), Personal Data (62.8%), Required Purpose (99.4%):

Both Adult and Child User Information Information collected from both Adult and Child Users may be used: To allow us to assess and improve the Services, its educational content, and other services we provide (for example, to improve our content and User experience); to research, evaluate, and improve the educational efficacy of the Services; and to inform our understanding of the Servicesa User base To customize, adapt, and personalize Usersa viewing and content-consumption experience; for example, by measuring a Child User's performance in activities and adapting the Child User's experience to their learning needs To maintain and analyze the functioning of the Services To maintain, monitor, and/or censor Chat Content in our sole discretion to avoid any violations of this Privacy Policy, our Terms & Conditions, or any applicable law As we believe to be necessary or appropriate: (a) under applicable law, including laws outside your country of residence; (b) to comply with legal process; (c) to respond to requests from public and government authorities,

including public and government authorities outside your country of residence; (d) to detect violations of and enforce our terms and conditions; (e) to protect our operations or those of any of our affiliates, including the security of the Services; (f) to protect our rights, privacy, safety, or property, or that of our affiliates, you, or others; and (g) to allow us to pursue available remedies or limit the damages that we may sustain (collectively, (a)-(g) are Other Uses and Disclosures) 5.

Required Purpose (64.7%):

Under the kidSAFE program users can also report concerns or complaints directly to kidSAFE through this link: https://www.kidsafeseal.com/certifiedproducts/adventure_academy.html In addition, Child Users are blocked from accessing external links.

Processing (96.5%), Required Purpose (82.0%), Third Party (98.3%):

When We Disclose Information to Third Parties Information collected from both Adult and Child Users will not be disclosed except for the following purposes, which include our operations purposes: To third parties who perform certain services for us, such as process credit cards or filter Chat Content, or conduct or evaluate research (such as on the educational impact of the Services), provided that the service providers agree to keep the information confidential and use it only for purposes that are permitted by this Privacy Policy.

Processing (81.1%), Required Purpose (92.1%), Third Party (71.0%):

By continuing to use the Services, you are intentionally directing us to transmit the information submitted to us by Adult Users to our affiliates and business partners for business purposes, such as executing transactions and preventing fraud.

Authority (73.7%), Legal Basis (87.9%):

Where we believe that disclosure is in accordance with, or required by, any applicable law or legal process, including lawful requests by public authorities to meet national security or law enforcement requirements.

Legal Basis (88.8%), Organisational Measure (85.2%):

If required or permitted to do so under the law, and if deemed necessary or warranted, we may provide notice to Users prior to the disclosure.

Processing (79.7%), Recipient (91.7%), Required Purpose (86.1%):

Subject to confidentiality agreements, the terms of this Privacy Policy, and applicable law, information may be disclosed to service providers, advisers, potential transactional partners, or other third parties in connection with the consideration, negotiation, or completion of a corporate transaction in which we are acquired by or merged with another company, or we sell, liquidate, transfer, or license all or a portion of our assets in bankruptcy or otherwise.

Processing (92.5%):

This means that if some or all our assets are acquired or otherwise transferred or licensed, including in bankruptcy, that such acquirer shall be subject to the same commitments stated under this Privacy Policy.

Technical Measure (91.7%):

In addition, with respect to your Account, we may use third-party advertising networks and other affiliates in association with cookies, pixel tags, or IFrames for Adult Usersa visits to the non-child-directed portions of the Services and to (1) deliver interest-based advertising to those Adult Users, including our advertising, when those Adult Users visit third-party websites; and (2) provide us with statistics about the effectiveness of our advertising on third-party websites.

Non-Personal Data (68.6%), Processing (87.9%):

We also may disclose de-identified and/or aggregated User information for any other purpose as permissible by applicable lawafor example, the distribution of de-identified User records to outside researchers or the distribution of reports containing aggregate User demographic and traffic patternsaprovided that no individual Adult User or Child User or any specific end-user device can be readily identified.

Organisational Measure (67.4%):

How to Access, Change, or Delete Account Information An Adult User can review or change the information they provided when they registered for the Services, including by adding or removing Child Users to or from the Account, by updating information through the Servicesa Parent Section of the Services.

Organisational Measure (71.6%):

When we change or delete any PI at your request, we will make good faith efforts to make the changes in our then-active databases as soon as reasonably practicable, generally within 24a48 hours.

Organisational Measure (84.9%):

Changing setting options may not result in immediate changes to the settings, which are subject to our operations and maintenance schedules.

Legal Basis (85.7%), Legitimate Interest (94.4%):

Please note that information may remain in backup or archive records, and we may retain certain data relevant to preventing fraud or future abuse or for legitimate business purposes, such as analysis of aggregated, non-personally-identifiable or de-identified data, Account recovery, or if required by law.

Retention (93.9%):

For Accounts that have been canceled, if the account remains inactive for 24 months, we will delete all PI in our active databases associated with the account (Account Information), unless otherwise stated in this Privacy Policy.

Required Purpose (82.0%):

The 24 months is provided so that you have the ability, following cancellation of an Account or inactivity, to reactivate your Account and potentially recover previous information and resume where the Child User left off.

Required Purpose (86.1%):

We will not use Child User PI for any other purpose other than for reactivation of the Account.

Retention (62.0%):

However, we provide no guarantee, and shall have no liability or obligation to ensure that all Account Information and Services-related progress will be available or accessible or all learning or personalization features will be able to be recovered or resumed.

Personal Data (86.0%), Retention (87.4%):

Other information that Adult Users have provided, such as the Adult User's email address, the age (only year but not birthday or month), number of children associated with the Account, and the subscription price and length, will be retained for a total of 5 years following cancellation.

Non-Personal Data (73.8%):

Please see Section 5 (When We Disclose Information to Third Parties) below for more information and how we limit disclosure of Child User information.

Required Purpose (88.4%):

Upon Account cancellation, de-identified Adult and Child User information may nonetheless persist internally in our archive files or similar databases, and may still be used, on a de-identified basis, for our internal support, administrative, and record-keeping purposes including, but not limited to, allowing us to improve the Services and other services we provide through research, evaluation, and analytics as permissible by applicable law.

Required Purpose (89.5%), Retention (93.0%):

Please note that following a request to delete information or your Account under Sections 6 or 7 of this Privacy Policy, information including PI may remain in backup or archive records, and we may retain certain data if required by law, relevant to preventing fraud or future abuse, or for legitimate business purposes, such as account recovery and customer support, and all subject to our internal records retention periods.

Right (73.2%):

This section describes your CCPA rights and explains how to exercise those rights.

Scale Non-EU (72.1%):

In this section you or youa refers to California residents.

Art. 15 Right to access by the data subject (80.4%):

We are also required to communicate information about rights you have under California law, such as: Right to access Personal Information.

Art. 20 Right to data portability (72.3%):

Right to data portability.

Processing (89.6%):

You may be entitled to receive information regarding the categories of PI we collected, the sources from which we collected PI, the purposes for which we collected and shared PI, the categories of PI that we sold and the categories of third parties to whom the PI was sold, and the categories of PI that we disclosed for a business purpose in the 12 months preceding your request.

Art. 17 Right to erasure (right to be forgotten) (95.6%):

Right to deletion.

Art. 17 Right to erasure (right to be forgotten) (93.6%):

You may be entitled to request that we delete the PI that we have collected from you.

Legal Basis (99.4%):

We will use commercially reasonable efforts to honor your request, in compliance with applicable laws.

Third Party (85.4%):

Right to opt-out of certain sharing with third parties.

Organisational Measure (76.3%):

As stated in the Summary of Key Points above, we will never monetize the PI of any User of the Services by providing it to a third party in exchange for money.

Right (88.7%):

You may be entitled to receive the specific pieces of your PI we hold.

Data Subject (76.6%), Retention (68.2%):

We have collected the following categories of Personal Information from or about consumers within the last 12 months: Category Examples Collected Adult Child A.

Personal Data (98.5%):

Identifiers A real name, alias, unique personal identifier, online identifier, Internet Protocol address,

email address, telephone number, Account name, or other similar identifiers Yes Yes B.

Legal Basis (86.3%), Personal Data (99.6%):

Personal information categories listed in the California Customer Records statute (Cal.

Personal Data (98.7%):

Code A 1798.80(e)) A name, signature, social security number, physical characteristics or description, address, telephone number, passport number, driver's license or state identification card number, insurance policy number, education, employment, employment history, bank account number, credit card number, debit card number, or any other financial information, medical information, or health insurance information.

Personal Data (97.0%):

Biometric information Genetic, physiological, behavioral, and biological characteristics or activity patterns used to extract a template or other identifier or identifying informationasuch as fingerprints, faceprints, voiceprints, iris or retina scans, keystroke, gait, or other physical patterns and sleep, health, or exercise data No No F.

Inferences drawn from other Personal Information Profile information reflecting a personas preferences, characteristics, psychological trends, predispositions, behavior, attitudes, intelligence, abilities, and aptitudes Yes Yes In addition, we are required to provide you certain information about the business and commercial purposes for which we collect and share PI.

Legal Basis (92.4%), Personal Data (99.7%), Processing (68.5%), Required Purpose (97.9%):

Business and Commercial Purposes for which we use Personal Information: We may use or disclose the PI we collect from each of the Categories of PI listed above for one or more of the following purposes: To fulfill or meet the reason you provided the information; To provide, support, personalize, and develop our Services; To process your requests; To provide you with support and to respond to your inquiries, including to investigate and address your concerns and to monitor and

improve our responses; To provide customer service; To understand how Users interact with our Services; To conduct research, testing, analysis, and development; To detect security incidents and prevent fraud; To debug and repair errors; To create, maintain, customize, and secure your Account with us; To respond to law enforcement requests and as required by applicable law, court order, or governmental regulations; As described to you when collecting your personal information or as otherwise set forth in the CCPA; To advance our commercial and economic interests, such as delivering interest-based advertising of our products and services to Adult Users and analyzing the effectiveness of our advertising; and To evaluate or conduct a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all our assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which personal information held by us about our Users/consumers is among the assets transferred.

Required Purpose (97.4%):

To permanently stop receiving SMS text messages from us (if you are located in the U.S.

Contract (66.5%):

We only make these business purpose disclosures under written contracts that describe the purposes, require the recipient to keep the personal information confidential, and prohibit using the disclosed information for any purpose except performing the contract.

Third Party (76.2%):

Information Users Provide to Us As more fully set forth below, we and our third-party service providers collect information that Users provide when using the Services, including when Adult Users create an Account, sign up for Services, or contact us with a question, comment, or request, and when Child Users use the interactive chat feature through the Services.

Retention (85.7%):

We decide how long we need personal information on a case-by-case basis.

Required Purpose (92.4%), Retention (65.6%):

We may consider the following factors when making retention decisions: Whether we need to keep some of your PI to maintain your Account; Whether we are required by law to keep some types of Personal Information for certain periods of time to comply with our legal obligations; and Whether we need some of your PI for other business purposes, such as to prevent harm and ensure safety and security of our websites; investigate possible violations of our terms and conditions of use; or protect ourselves.

Authority (77.9%):

Exercising Access, Disclosure, Data Portability, and Deletion Rights To exercise the access,

disclosure, data portability, and deletion rights described above, please submit a verifiable consumer request to us by either contacting us as set forth in Section 13 (Contact Us) below, or by visiting: Privacy Portal Only you or a person registered with the California Secretary of State that you authorize to act on your behalf, may make a verifiable consumer request related to your PI.

Consent (65.3%):

This means that the product has been independently, reviewed, and certified by kidSAFE to meet certain standards of online safety and privacy, and is authorized to display the kidSAFE Seal under kidSAFEas FTC approved COPPA Safe Harbor program.

Data Subject (76.6%):

Summary of Key Points You should read this entire Privacy Policy and also our Terms & Conditions , but here are some key points: Adventure Academy is certified under kidSAFEas FTC approved COPPA Safe Harbor program.

Required Purpose (78.1%):

Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

Right (66.5%):

Non-Discrimination We fully support your privacy rights and will not discriminate against you for exercising any of your CCPA rights.

Organisational Measure (62.3%):

Notice of Financial Incentives We may offer special incentives to users who enroll in certain promotions.

Required Purpose (62.9%):

If we offer such programs, we may ask for your PI (such as your email address or certain in-game activities associated with your account) as a prerequisite to your participation in the promotion.

Personal Data (92.8%):

To participate in these email offers, you must provide a valid email address.

Consent (82.1%):

You may also withdraw from these promotions at any time by contacting us at the contact information provided in Section 13, below.

Non-Personal Data (82.8%), Personal Data (98.5%):

The value we place on the PI that we collect in connection with these promotions is calculated by determining the approximate additional spending per promotion participant, compared to individuals for whom we do not have email addresses, in-game activity history and preferences, or other

collected information.

Third Party (89.8%):

Links to Other Services In certain sections of the Services, we may include links to external websites or applications (for example, Facebook and Twitter).

Required Purpose (94.4%):

However, to protect children from accessing these external websites, an Adult User will be required to enter a valid password.

Scale Non-EU (89.5%):

Location of Information Processing The Services are controlled and operated by us from the United States.

Legal Basis (98.9%), Processing (98.6%):

Your information may be stored and processed in any country where we have facilities or in which we engage service providers, including the United States, which may have data protection laws that are different from those of your country.

Authority (89.3%):

In addition, your information may be subject to access requests from governments, courts, or law enforcement officials in countries where it may be processed, under the laws of those countries.

Organisational Measure (88.8%):

Other security safeguards include, but are not limited to, data encryption, firewalls, and physical access controls to buildings and files.

Organisational Measure (72.6%):

However, no data transmission over the Internet can be guaranteed to be completely secure.

Organisational Measure (81.9%):

If there is a breach of our security, we will notify you where required by law or deemed necessary and appropriate under the circumstances.

Organisational Measure (69.9%):

Account holders create a password in the registration process.

Organisational Measure (69.5%), Required Purpose (76.7%):

You can help protect against unauthorized access to your Account and PI by selecting and protecting your password appropriately and limiting access to your computer and browser by signing off after you have finished accessing your Account.

Personal Data (80.2%), Required Purpose (93.5%):

At registration, we assign a Member ID to each Account and use those Member IDs to authenticate

logins, allow access to the subscription content, and monitor compliance.

Required Purpose (89.7%):

The Member ID is also used to authenticate users when requesting technical support.

Required Purpose (81.5%):

Access to information is limited (through user/password credentials and two-factor authentication) to those employees who require it to perform their job functions.

Organisational Measure (91.5%):

Changes to Our Privacy Policy We constantly try to provide the best services, and accordingly our Privacy Policy will change from time to time.

Organisational Measure (70.9%):

If we update this Privacy Policy, we will notify you by posting the revised Privacy Policy on the Services, and for certain revisions that materially expand the ways in which we use or share the information previously collected from you through the Services, either display an alert next to the Privacy Policy, display an alert upon login to the Services, or directly communicate with you (e.g., via the email address associated with your Account).

Scale Non-EU (79.0%):

is in the United States of America.
