Data Controller (89.0%), Non-Personal Data (75.9%), Organisational Measure (84.0%), Processing (99.5%):

The App Privacy Policy is to help you understand what, if any, data we collect as a result of you using the app and what we do with that data.

Processing (85.4%):

This allows for a download of the audio reading of the Scriptures, stories and dictionary texts to be stored on the local device and played while the app is running.

Consent (80.7%):

The user has the option to give permissions for this to happen or not.

Personal Data (86.8%), Processing (96.7%):

If analytics for the app is enabled and the device is connected to the internet, the app will connect from time to time to send usage information to analytics services such as Firebase Analytics, FCBH Analytics or Amplitude.

Processing (89.4%):

If the app does not connect to the internet, the analytic data is not collected.

Personal Data (98.0%):

PII is any information regarding a natural person, a legal person, an institution or an association, which is, or can be, identified, even indirectly, by reference to any other information, including a personal identification number.

Processing (92.9%), Required Purpose (99.8%):

Any of the information we collect from you may be used primarily to gauge how many people use the app and the approximate location where they are using it.

Required Purpose (97.6%):

Secondarily, it may be used to improve our application to better support our users, wherever in the world they are located.

Organisational Measure (91.6%):

We take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data.

Organisational Measure (85.3%):

This includes internal reviews of our data collection, storage and processing practices and security measures, and physical security measures to guard against unauthorized access to systems where we store data.

Third Party (89.3%):

We do not sell, trade, or otherwise transfer data we collect to outside parties.

Retention (89.0%), Third Party (96.3%):

This does not include trusted third parties to assist us in operating our app store, conducting our business, or servicing you, so long as those parties agree to keep all information confidential.

Consent (86.8%):
