

Consent (98.3%), Data Controller (96.1%), Legal Basis (90.9%), Organisational Measure (87.4%), Personal Data (60.3%), Processing (69.3%), Required Purpose (98.6%):

CustomApp Privacy Policy This website is owned and operated by CustomApp (Pty) Ltd and will be referred to as "We", "our" and "us" in this Internet privacy policy.

Consent (93.0%), Data Source (63.4%), Data Subject (77.4%), Legal Basis (95.8%):

By using this site, you agree to the internet privacy policy of this website ("the website"), which is set out on this website page.

Personal Data (99.8%), Processing (99.3%):

The internet privacy policy relates to the collection and use of personal information you may supply to us through your conduct on the website.

Art. 17 Right to erasure (right to be forgotten) (70.2%), Processing (98.6%), Right (94.9%):

We reserve the right, at our discretion, to modify or remove portions of this internet privacy policy at any time.

Organisational Measure (65.5%), Processing (97.3%), Third Party (93.6%):

We do not make any representations about third party websites that may be linked to the website.

Data Subject (78.9%), Processing (99.5%):

We recognise the importance of protecting the privacy of information collected about visitors to our website, in particular information that is capable of identifying an individual ("personal information").

Processing (95.8%):

This internet privacy policy governs the manner in which your personal information, obtained through the website, will be dealt with.

Processing (83.3%), Required Purpose (66.6%):

This internet privacy policy should be reviewed periodically so that you are updated on any changes.

Personal Data (99.6%):

Personal information 1.1.

Consent (68.2%), Processing (80.6%), Retention (73.4%):

Personal information about visitors to our site is collected only when knowingly and voluntarily submitted.

Processing (85.0%), Required Purpose (99.7%):

For example, we may need to collect such information to provide you with further services or to answer or forward any requests or enquiries.

Legal Basis (84.7%):

It is our intention that this policy will protect your personal information from being dealt with in any

way that is inconsistent with applicable privacy laws in South Africa.

Processing (80.2%):

We also collect, store and use personal information such as: 1.2.1.

Non-Personal Data (95.0%):

Information relating to your computer such as geographical data, network locations, domain names, connection types and speed, operating systems, browsers and versions, screen colours and resolution, flash and java versions, source of referral and number of page views.

Data Source (88.7%), Personal Data (99.6%):

Information you provide us to give you an estimated insurance quotation such as first name, surname, addresses, contact numbers, email addresses, ID numbers and insured item's details.

Personal Data (89.2%):

Information you provide to join our mailing list such as first name, surname, email and contact numbers.

Data Source (63.2%), Processing (99.2%), Technical Measure (91.3%):

Cookies A cookie stores information from the web browser that was sent to the web server and is stored on your local computer.

Processing (92.0%):

This is then used by the server when you revisit a website.

Technical Measure (99.1%):

We may use persistent and session cookies on our website.

Required Purpose (84.1%):

This is used to improve user experience on our website.

Required Purpose (98.3%), Technical Measure (99.1%):

We use Google Analytics to track and analyse the use of this website.

Technical Measure (94.0%):

The Oracle DMP creates profiles through the use of cookies, cross-device/cross-context technology (such as statistical IDs), or other unique identifiers provided to us by customers (such as mobile-device IDs) to learn about your journey across the [Name of Client Website] website.

Required Purpose (98.4%):

This information is used in order to help us show you more relevant marketing content.

Required Purpose (65.9%):

Use of information Personal information that visitors submit to our site is used only for the purpose for which it is submitted or for such other secondary purposes that are related to the primary

purpose, unless we disclose other uses in this internet privacy policy or at the time of collection.

Required Purpose (96.4%):

We use your personal information to give you estimation on your insurance premium with CustomApp (Pty) Ltd.

Consent (87.0%), Processing (72.6%), Third Party (98.2%):

We will not without your express consent share your information with any other third parties for any advertising purposes.

Required Purpose (93.9%):

Collecting information on registered members As part of registering with us, we collect personal information about you in order for you to take full advantage of our services.

Consent (67.5%), Processing (65.3%):

Registration is completely optional.

Personal Data (95.4%):

Registration may include submitting your name, email address, address, telephone numbers, policy numbers and ID numbers.

Processing (87.6%):

You may access this information at any time by logging in and going to your account.

Processing (97.0%):

Disclosure Apart from where you have consented or disclosure is necessary to achieve the purpose for which it was submitted, personal information may be disclosed in special situations where we have reason to believe that doing so is necessary to identify, contact or bring legal action against anyone damaging, injuring, or interfering (intentionally or unintentionally) with our rights or property, users, or anyone else who could be harmed by such activities.

Required Purpose (97.1%):

We may engage third parties to provide you with goods or services on our behalf.

Required Purpose (94.9%):

In that circumstance, we may disclose your personal information to those third parties in order to meet your request for goods or services.

Organisational Measure (96.2%):

Security We strive to ensure the security, integrity and privacy of personal information submitted to our sites, and we review and update our security measures in light of current technologies.

Processing (87.3%):

Unfortunately, no data transmission over the Internet can be guaranteed to be totally secure.

Organisational Measure (71.3%), Processing (86.7%):

However, we will endeavour to take all reasonable steps to protect the personal information you may transmit to us or from our online products and services.

Organisational Measure (68.6%):

Once we do receive your transmission, we will also make our best efforts to ensure its security on our systems.

Data Processor (83.5%):

In addition, our employees and the contractors who provide services related to our information systems are obliged to respect the confidentiality of any personal information held by us.

Personal Data (97.2%):

However, we will not be held responsible for events arising from unauthorised access to your personal information.

Processing (89.9%), Technical Measure (98.6%):

We make use of SSL technology to encrypt information transmitted from the website to our servers which are password protected and firewalled.

Organisational Measure (79.4%):

Access to information We will endeavour to take all reasonable steps to keep secure any information which we hold about you, and to keep this information accurate and up to date.

Organisational Measure (61.1%):

If, at any time, you discover that information held about you is incorrect, you may contact us to have the information corrected.

Third Party (98.5%):

Links to other sites We may provide links to websites outside of our websites, as well as to third party websites.

Organisational Measure (84.1%):

You may check this URL to view any changes.

Organisational Measure (80.4%):

We may also notify policy holders about changes via email.

Personal Data (97.4%):

Contact information If you have any questions relating to our privacy policy or our treatment of your personal data you may send us an email to .
