(d) We also offer information and content to academics and research partners so they can carry out studies that advance scholarship and innovation that benefit our company or mission, as well as research that fosters discovery and innovation on issues related to the public interest, general social welfare, technological development, health, and well-being.

Legal Basis (82.5%):

(e) If we believe disclosure is necessary or permitted by any relevant law, rule, regulation, or legal process, in response to a request for information.

Consent (84.1%):

(f) In connection with, or during the course of, any merger, acquisition, sale of assets or other business, other change of control transaction, or financing; between and among us and any current or future parent company, subsidiary, and/or affiliated company; and With your permission or under your direction.

Personal Data (91.2%):

Image And File Information Policy We do not collect or store any information about you in the manner specified in this Privacy Statement: (a) User may upload any files, images, videos, documents, or other Device Content that shall be accessible within User's Device only.

Personal Data (98.6%), Processing (98.6%):

(b) Files, pictures, videos, documents, or other device content that is been uploaded by the users will not be saved in the cloud or on any of the servers from the App Admin side.

Required Purpose (64.9%):

We may provide links to third-party websites, such as Facebook, as a service for the acceptance of our users.

Third Party (97.4%):

The Site may also contain advertisements from other companies.

Third Party (67.5%):

Some of these third-party sites may be co-branded with the name/logo of our affiliated entity, even though they are not operated or maintained by us.

Third Party (62.2%):

The inclusion of links or access to third-party websites does not imply that we endorse such third-party websites. We may work with businesses and people from other sources for the following reasons: To help us provide our service to you, for example, to deliver interest-based advertising based on inferred information on visit patterns, and to analyze how our service is used.

Processing (74.5%):

Users of the App should be aware that any content or information they share on the App or through third-party connections on the App may be viewed by other users and may be read, collected, and used by them.

Third Party (97.7%):

However, Information will not share any personal information of the User with any third party without the express permission of the User.

Required Purpose (94.8%), Third Party (97.8%):

The app has maintained business partnerships with external parties whose services complement our own and help us provide comprehensive and acceptable solutions to our users.

Personal Data (88.2%), Retention (83.9%):

The App may collect data and information (via third-party companies) in the form of log data on the User's phone while the App is being used.

Non-Personal Data (98.7%), Personal Data (90.3%):

The user's device's Internet Protocol ("IP") address, name, operating system version, a configuration of the App when using our Service, and the time and date of your use may all be included in this Log Data.

Processing (97.3%):

Social Sharing Features You can share actions you do on the Services with other media by using social sharing features and other integrated tools, such as the Facebook and Twitter buttons (such as "Like" or "Tweet"), which are available on the Services.

Third Party (70.5%):

Depending on the settings you establish with the provider of the social sharing feature, your use of such services permits the sharing of information with your friends or the general public.

Processing (87.4%):

Please read "Your Choices" below for additional details on how to manage the collection of location data and/or our access to other programmes on your device.

Processing (90.0%):

Please refer to the privacy policies of the organizations that provide these features for more details regarding the objectives and scope of data collection and processing in connection with those features.

Organisational Measure (87.5%):

We put in place and uphold reasonable security measures designed to prevent unauthorized access, use, disclosure, modification, or destruction of the data we collect and keep.

Organisational Measure (66.2%):

We do not collect personal information, and we employ administrative, physical, and electronic measures designed to protect your non-personal information from unauthorized access and use.

Technical Measure (78.1%):

These organizations may gather information about your use of the Services and other websites using cookies, web beacons, and other technologies.

Non-Personal Data (92.9%), Personal Data (97.7%):

This information may include your IP address, web browser, pages viewed, time spent on pages, links clicked, and conversion data.

Required Purpose (89.5%):

We and others may use this information for a variety of purposes, such as data tracking and analysis, gauging the popularity of particular content, delivering advertisements and content catered to your interests on the Services and other websites, and getting a better understanding of your online behaviour.

Legal Basis (73.9%):

Please write us at vectorartdesign72@gmail.com if you want to deactivate your account, but keep in mind that we may still keep your information on file if obliged to do so by law or for proper business needs.

Personal Data (80.8%), Processing (90.7%):

(b) Location Information When you use our mobile applications, we may, with your permission,

acquire information about your precise location.

Art. 18 Right to restriction of processing (73.5%), Organisational Measure (69.6%):

By adjusting the settings on your mobile device, you can stop the collection of this information at any time.

Required Purpose (68.8%):

(c) Native Applications on Mobile Devices Certain native applications on your mobile device, such as the camera and photo storage app and the phonebook application, can be needed in order to use some functions of our mobile applications.

Consent (88.3%):

In order to access the applications and gather information if you choose to utilize these features, we will first obtain your permission.

Technical Measure (89.0%):

(d) Cookies Most web browsers are configured by default to allow cookies.

Organisational Measure (68.6%):

You may typically opt to set your browser to delete or reject browser cookies if you'd like.

Consent (78.2%):

(e) Promotional Communications By following the instructions in such communications or sending us an email at vectordesignart72@gmail.com, you can choose not to receive promotional communications from us.

Organisational Measure (60.5%):

Children under the age of 13 must first get legally binding parental or guardian consent before using the Services for any reason (both for themselves and on your behalf).

Organisational Measure (63.8%), Personal Data (72.5%):

Without such consent, we never knowingly collect personal data from anyone under the age of 13.

Organisational Measure (66.1%):

We may also send you service-related emails or messages (for example, account verification, order confirmations, changes or updates to features of our Apps, and technical and security notices).

Organisational Measure (62.0%):

Depending on the situation, we might give you additional sorts of notice of updates or changes.
