

Consent (85.9%), Data Controller (88.5%), Personal Data (99.4%), Processing (99.2%):

Except as stated in this Privacy Policy, we do not disclose any personally identifiable information about you without your permission.

Consent (61.4%), Data Controller (88.0%), Data Subject (92.8%), Organisational Measure (74.6%):

Privacy Policy Introduction We take your privacy very seriously.

Consent (64.3%), Processing (80.4%):

Your continued use of this site signifies your consent to this Privacy Policy, which may be amended from time to time.

Organisational Measure (73.2%):

If we make any material changes in this Privacy Policy, we will post an announcement on the site.

Processing (88.8%):

The information that you provided must be correct to the best of your knowledge.

Personal Data (94.3%), Required Purpose (71.1%):

Information Collected Provide no identifying information about yourself if you wish to remain anonymous.

Authority (64.7%), Required Purpose (86.9%):

This information submission system is provided to the public for the purpose of anonymously reporting known or suspected suspicious or criminal activity which has occurred, or may occur.

Authority (63.0%):

You acknowledge and confirm that the information you are providing is not urgent or requiring prompt or immediate attention, and you understand that you should call 911 or contact the appropriate authorities by phone if this is time sensitive information.

Processing (66.1%):

Emergencies This application should not be used for emergencies.

Required Purpose (94.8%):

This code can be used to check on the status of a report or to answer follow-up questions about the information that you submit.

Automated Decision Making (90.5%), Personal Data (80.4%):

To follow-up on a report you can log in to our site later using a code and password that will be assigned to you automatically after you submit your information.

Processing (67.9%):

Due to the high volume of information that is received, the recipient may be unable to reply to every

submission.

Technical Measure (96.7%):

Submission and Disposition Although we utilize physical, electronic, and administrative safeguards, including industry standard encryption, due to the nature of the Internet and SMS delivery networks, we do not guarantee 100% security or timely delivery or reception of the submitted information.

Authority (77.2%):

We do not guarantee or assume any responsibility for if, how, or when any submitted information may be reviewed or acted upon by law enforcement or public safety officials.

Processing (66.5%), Third Party (74.2%):

Because information that you submit may not be monitored by such parties on a regular basis, you should not use this service to report events presenting an immediate danger to life or property or which otherwise constitute an emergency as such reports may not receive an immediate response.

Data Source (67.8%), Non-Personal Data (62.2%), Processing (94.1%), Required Purpose (99.7%):

Use of the Collected Data We use the data collected about you and other users of the site on an aggregated basis to do such things as operate and enhance the System.

Third Party (96.9%):

We do not disclose any information which contains personally identifiable information about you to any third party.

Legal Basis (90.9%):

Special Disclosure of Information We may disclose information about you when we believe in good faith that the law requires it or for the protection of our legal rights.

Required Purpose (92.0%):

We may also disclose information in special cases when we have reason to believe that disclosing this information is necessary to identify, contact, or bring legal action against someone who may be violating our Terms and Conditions, or in order to protect someone who we believe may be in danger or at risk of harm.

Personal Data (99.1%):

You should exercise caution when deciding to publicly disclose your personal information.

Organisational Measure (88.1%), Personal Data (89.5%):

Security of Collected Information We use industry standard efforts to maintain security and confidentiality of your personally identifiable information.

Required Purpose (62.7%):

The deliberate provision of false information may be investigated and potentially prosecuted.

Organisational Measure (96.3%):

We make reasonable business efforts to protect the loss, misuse, and alteration of collected information under our control.

Processing (97.7%):
