Privacy Policy - MobileUp Software Skip to content Solutions Event Experience Member Experience Markets Platform Platform Overview Partner Programs Resources Client Stories Blog Contact Us X Learn More Privacy Policy March 28, 2024 At MobileUp, we care about the privacy of your data and are committed to protecting it.

Art. 17 Right to erasure (right to be forgotten) (88.9%), Personal Data (98.3%), Processing (99.4%), Required Purpose (84.9%):

Our Privacy Policy is intended to help you understand what information we collect, maintain, or process, why we collect, maintain, or process it, what we do with your information, and how you can update, manage, export, or delete your information.

Data Controller (94.8%), Personal Data (72.8%), Processing (99.5%), Required Purpose (63.6%):

SCOPE This Privacy Policy (Policy) is incorporated into MobileUps Terms of Service and End User License Agreement (the Terms of Service) and applies to the information obtained or processed by use through your use of MobileUps Website, Software, or Services (Information) as described in this Policy.

Personal Data (99.5%), Processing (95.0%), Required Purpose (88.0%):

When you interact with MobileUps Website, Software, or Services, MobileUp may collect, maintain, or process Information that, alone or in combination with other data, could be used to identify you (Personal Data).

Processing (98.3%):

Some of the Information we collect, maintain, or process is stored in a manner that cannot be linked back to you (Non-Personal Data).

Personal Data (90.8%):

Username, Password, E-mail Address, and Contact Preferences.

Personal Data (94.7%), Processing (98.9%):

When you create an account or log in to your account(s) that is associated with MobileUps Website, Software, or Services, you are providing us with certain Personal Data, which may include your username, password, e-mail address, phone number, or other contact information depending on your organization and how your organization uses our Software.

Data Source (74.1%):

In addition, when we write your organization, we're referring to the organization to which the Software you are using is branded.

Processing (88.1%), Required Purpose (70.5%):

Additionally, your organization, of which you are an Authorized User, may have also provided MobileUp with Personal Data that you previously provided to your organization.

Personal Data (91.7%):

Payment Information.

Personal Data (99.2%):

Depending on how your organization uses our Software, payment information may be required to complete various transactions (membership, renewals, event registration, etc.) on our Software.

Data Controller (92.7%), Required Purpose (71.1%):

Throughout this Privacy Policy, when we write MobileUp, we, us, or our, we're referring to Essenza Software, Inc., a Kansas corporation, dba MobileUp Software.

Required Purpose (96.0%):

We only use this information to enable and such transactions.

Data Source (89.5%):

We also collect, maintain, or process content you create, upload, or receive from others while using MobileUps Website, Software, or Services.

Personal Data (98.1%), Processing (98.5%):

This includes things like messages you post or receive within, photos, documents, comments you make on discussion or wall threads, or other content or information uploaded entered, or otherwise transmitted by you in connection with your use of MobileUps Website, Software, or Services.

Automated Decision Making (95.0%), Processing (99.4%):

Information MobileUp collects, maintains, or processes automatically as you use our services.

Non-Personal Data (66.5%), Processing (94.9%):

We automatically collect, maintain, or process certain information about the devices you use to access MobileUps Website, Software, or Services.

Processing (98.0%):

The information collected includes: Location Information.

Personal Data (93.3%):

MobileUp uses your location information to provide a better user experience through notifications, event registration, or event check-in.

Personal Data (97.4%):

Your location may be determined with varying degrees of accuracy by: (i) GPS, (ii) IP address, or (iii) information about things near your device, such as Wi-Fi access points, cell towers, or Bluetooth devices.

Personal Data (84.0%):

Our ability to collect location data depends in part on your device and account settings.

Processing (86.8%):

Our servers automatically collect data when you access or use our Website, Software, or Services and record the data in log files.

Non-Personal Data (95.9%), Personal Data (93.6%):

This log data may include the IP address, date and time of use, information about your browser configuration, information about your mobile device configuration, and cookie data.

Required Purpose (95.5%), Third Party (79.6%):

We may also obtain from our third-party partners or service providers to analyze how users use our Website, Software, or Services.

Required Purpose (99.0%):

We use this information to better understand how users use our Website, Software, or Services and to improve the same.

Data Source (83.6%), Non-Personal Data (82.1%), Personal Data (91.3%):

Device data are from your computer or mobile device, such as the type of hardware and software you are using, as well as unique device identifiers for devices that are using MobileUps Website, Software, or Services.

Technical Measure (97.8%):

Cookies.

Required Purpose (94.9%):

Cookies are small files stored on your device and used by web browsers to deliver personalized content and remember logins and account settings.

Required Purpose (95.4%), Technical Measure (99.0%):

MobileUp uses cookies and similar technologies to collect usage and analytic data that helps us to continue providing our Website, Software, or Services to you.

Required Purpose (83.9%):

MobileUp uses the Information we collect, maintain, or process for the following purposes: Provide Services.

Required Purpose (97.4%):

We use your information to administer our Website, Software, or Services, authenticate users for security purposes, provide personalized features and access, process transactions, display user content associated with your account, and update your information in the database of your organization of which you are an Authorized User.

Required Purpose (85.5%):

Maintain & Improve Services.

Required Purpose (97.2%):

We also use your information to make improvements to our services.

Required Purpose (82.8%):

For example, which features or functionality within our Software or Services are the most used so we can focus on improving the same.

Consent (91.5%), Required Purpose (76.9%):

Develop New Services.

Required Purpose (98.5%):

We use your information in existing services to help us develop new ones.

Required Purpose (76.9%):

For example, understanding how people engaged with one another within our groups module helped us to design and launch our discussions module.

Required Purpose (99.3%):

We use your information to enable your organization or other Authorized Users to communicate with you through our Software.

Required Purpose (99.7%):

In addition, we may also use the information we collect, maintain, or process to communicate with you about your use of our Website, Software, or Services, product announcements, or software updates.

Required Purpose (93.7%):

We will also use this information to respond to any requests for assistance, including providing account verification support if you're having difficulty accessing your account.

Non-Personal Data (82.5%), Required Purpose (97.0%):

We use your information to calculate aggregate statistics on the number of devices using our Website, Software, or Services in order to help us understand how our services are used.

Processing (98.5%):

MobileUps employees do not monitor or view your user generated content stored in or transferred through our Website, Software, or Services.

Legal Basis (82.2%), Legitimate Interest (74.2%), Processing (88.2%), Required Purpose (80.4%), Right (96.0%):

However, such user generated content may be viewed under the following circumstances: MobileUp believes our Terms of Service have been violated and confirmation or investigation is required; In order to respond to a request for user support; MobileUp determines that we have an obligation to do so as provided for within the Terms of Service; In order to protect the rights, property, or personal safety of MobileUp and its users; or To comply with our legal obligations, such as responding to warrants, court orders, or other legal processes.

Personal Data (92.4%), Required Purpose (85.9%):

MobileUp only discloses your Information to third-parties under the following circumstances: When MobileUp uses service providers who assist us in meeting business operation needs, including hosting, delivering, or improving our Software or Services.

Required Purpose (73.4%):

We also use service providers for specific services and functions, including email communication, customer support services, payment processing, cloud storage, and analytics.

Authority (86.6%), Consent (87.4%), Legal Basis (89.1%), Organisational Measure (84.0%), Processing (96.7%), Required Purpose (96.1%):

These service providers have access, process, or store your Information to the extent necessary to perform their duties to us; When MobileUp has your explicit consent to share your Information; When MobileUp believes it is necessary to investigate potential violations of our Terms of Service, to enforce our Terms of Service, or when we believe it is necessary to investigate, prevent, or take action regarding illegal activities, suspected fraud, or potential threats against persons, property, or the systems on which we operate our Website, Software, or Services; When MobileUp determines that the access, preservation, or disclosure of your Information is required by law to protect the rights, property, or personal safety of MobileUp and users of our Website, Software, or Services, or to respond to lawful requests by public authorities, including national security or law enforcement requests; or When MobileUp needs to do so in connection with a merger, acquisition, bankruptcy, reorganization, sale of some or all of our assets or stock, public offering of securities, or steps in consideration of such activities (e.g., due diligence).

Processing (95.5%):

INFORMATION ACCESS AND DISCLOSURE Does MobileUp share my Information?

Processing (92.2%):

In these cases, some or all of your Information may be shared with our transferred to another entity, subject to this Policy.

Personal Data (80.2%):

Additionally, we may disclose non-Personal Data publicly and to third-parties.

Required Purpose (93.5%):

MobileUp does not share your Information with third-parties for the purpose of enabling them to deliver advertisements to you.

Third Party (71.0%):

Third-Party Applications and Plugins Depending on your use of our Website, Software, or Services, third-parties such as Zendesk, Google, Pardot, or Access Development may process your information.

Consent (88.4%), Data Processor (75.7%), Required Purpose (76.0%):

Additionally, your organization may choose to use the services of a third-party payment processor or payment gateway to process payments within our Software.

Required Purpose (98.4%):

In the event your organization has made such a choice, your Information may be transferred to such third-party payment processor or payment gateway in order to facilitate any payments or transactions made through our Software.

Third Party (87.3%):

MobileUp may also contact you with information about products or services from our business partners.

Legal Basis (75.4%), Right (63.6%):

Note that while MobileUp will not contact end users of an organization with the information referenced above, MobileUp does reserve the right to contact such end users in the event of a security breach or if required to do so by law.

Personal Data (98.9%):

MobileUp does not knowingly collect, maintain, or process personal information from children under the age of 13.

Organisational Measure (96.0%), Processing (86.3%):

If MobileUp determines that we have collected, maintained, or processed personal information from a child younger than 13, we will take reasonable measures to remove that information from our systems.

Legal Basis (81.0%), Processing (95.9%), Scale Non-EU (73.4%):

Information submitted to MobileUp will be transferred to, processed, and stored in the United States unless otherwise required by law.

Consent (61.8%), Processing (98.2%), Scale Non-EU (74.0%):

If you post or transfer any Information to or through our Website, Software, or Service, you are agreeing to such Information, including any Personal Data or user generated content, being hosted and accessed in the United States.

Personal Data (95.7%):

Does MobileUp review user generated content?

Organisational Measure (85.5%), Technical Measure (94.8%):

All Information is stored using best practices in either Microsoft Azures SQL Server, with automatic geo-redundancy and security monitoring, or Amazon Web Services, which uses Amazon GuardDuty to provide continuous Security Monitoring & Threat Detection.

Organisational Measure (82.9%):

MobileUp is committed to protecting the security of your Information and takes reasonable precautions to protect it.

Processing (70.2%):

However, data transmissions over the internet, whether wired or wireless, cannot be guaranteed to be 100% secure.

Personal Data (97.4%):

As a result, MobileUp cannot ensure with 100% certainty the security of Information you transmit to us, including Personal Data or user generated content.

Required Purpose (81.2%):

In order to minimize the security risk to your Information, MobileUp uses industry-standard encryption to protect your data in transit.

Technical Measure (97.7%):

This is commonly referred to as transport layer security (TLS) or secure socket layer (SSL) technology.

Technical Measure (85.0%):

Once we receive your data, we protect it on Microsoft Azure or Amazon Web Services servers using a combination of technical, physical, and logical security safeguards.

Organisational Measure (71.5%):

The security of the data stored locally in any of our Software installed on your devices requires that

you make use of the security features of your device.

Organisational Measure (67.3%):

Any capitalized terms not defined herein shall have the meaning ascribed to them in the Terms of Service.

Personal Data (98.1%):

Additionally, we may attempt to contact you through the email address that you have provided to us.

Right (62.6%):

Depending on where you live, you may have a legal right to receive such notices in writing.

Processing (79.2%):

You should keep in mind that no Internet transmission is ever completely secure or error-free.

Legitimate Interest (78.0%), Required Purpose (84.5%), Retention (94.7%):

Although you can delete your Information at any time by deleting your account as described above, MobileUp may keep some of your Information for as long as reasonably necessary for our legitimate business interests, including fraud detection and prevention or to comply with our legal obligations including tax, legal reporting, and auditing obligations.

Organisational Measure (63.4%):

In the event MobileUp or your organization deletes your account, then you may contact MobileUp or your Organization to request deletion of your data.

Legitimate Interest (81.6%), Processing (93.0%), Required Purpose (62.9%):

MobileUp and the General Data Protection Regulation (GDPR) MobileUp uses, processes, and stores Personal Data, including those listed in the What information does MobileUp collect, maintain, or process about me? section above, as necessary to perform our obligations to you or your organization, and based on our legitimate interests in order to provide the various services through our Website, Software, or Services.

Required Purpose (81.3%):

We use your information to ensure that our Website, Software, or Services are working as intended (e.g., tracking outages or troubleshooting issues that you or your organization report to us).

Required Purpose (71.2%):

In some cases, MobileUp may process Personal Data pursuant to legal obligations or to protect your vital interests from those of another person.

Scale EU (71.6%):

Individuals located within the European Union (EU) have certain rights in respect to their personal information, including the right to access, correct, or delete Personal Data we process through your

use of our Website, Software, or Services.

Personal Data (63.3%):

Correct or delete your Personal Data.

Consent (88.4%), Organisational Measure (63.6%):

MobileUp promises to only send promotional communications to users located in the EU upon obtaining prior consent, and you may withdraw your consent at any time by clicking the unsubscribe link found within MobileUp communications and changing your contact preferences.

Authority (66.4%), Legal Basis (96.6%), Lodge Complaint (79.5%):

If you're based in the EU and think that we haven't complied with data protection laws, you have a right to lodge a complaint with your local supervisory authority.

Data Subject (74.4%):

Role as a Data Controller and Data Processor Under the GDPR, MobileUp acts as a Data Controller and as a Data Processor.

Required Purpose (84.6%):

As MobileUp continues to grow, we may need to update this Policy in order to keep pace with changes in our Website, Software, or Services, our business, and laws applicable to us and you.
