Required Purpose (95.7%):

Read on for a more detailed explanation of the various reasons we use your information: 1 Deliver Services.

Required Purpose (93.2%):

Deliver the Software and Services to you and maintain, improve the quality and operation of the Software and Services, ensure their optimal functionality and operation.

Required Purpose (96.0%):

2 Maintain Relationship.

Required Purpose (99.4%):

Identify, establish and manage your account and our relationship with you.

Required Purpose (93.2%):

4 Customize Content.

Required Purpose (99.6%):

(i) To improve and customize the Software and Services; (ii) To provide you personalized content,

including through the delivery of targeted interest-based advertisements from us or our partners.

Organisational Measure (84.5%), Processing (96.9%), Required Purpose (94.7%):

If any new purposes for processing your information arise we will let you know before we start to process information on that other purpose by introducing the corresponding changes to this Privacy policy.

Personal Data (95.9%), Processing (88.9%):

As part of our privacy measures, we implement certain rules designed to avoid the unintentional collection of PII such as email addresses, social security numbers, phone number, credit card numbers etc.

Required Purpose (85.8%):

Such rules are based on known field types, parameters, values and algorithms but they are not foolproof and hence the Software and Services may sometimes, unintentionally, collect unwanted information.

Required Purpose (98.9%):

We regularly examine and update these rules to avoid this happened.

Consent (70.5%), Legal Basis (64.1%), Personal Data (98.7%), Required Purpose (89.3%):

If you located in the EEA, as required by law, you hereby grant your consent to us to use or process your personal information only for the purpose described above once you use the Software or the Service.

Consent (87.2%):

And you may withdraw your consent at any time by contacting us.

Processing (97.0%):

Sharing Information with Third Parties We will not share any PII that we have collected from you except for the following events: 1.

Authority (88.3%), Required Purpose (99.7%):

If we are required by law to disclose your information, we may share your information with law enforcement or other competent authorities and any third party, as may be required (e.g., to detect, prevent or otherwise address fraud, security, or technical issues; to respond to claims or satisfy any legal process, subpoena, or governmental request; or to protect the rights, property, or personal safety of the teamas users, its partners, or the general public); 2.

Processing (98.2%):

In the event the team goes through a business transition such as a merger or acquisition by another company, consolidation, change of control, reorganization, or sale of all or a portion of its assets,

your information will be among the assets transferred.

Personal Data (68.0%):

While it is not our intention to collect any personally identifiable information (aPIIa) (except for those set forth in this Privacy Policy), the data collected may include PII.

Processing (98.2%):

Data Protection All confidential data stored in your device and transmitted to our cloud services is encrypted and has restricted access to the corresponding usage.

Processing (95.1%):

Change of Control If we sell or otherwise transfer part of the whole of products or our assets to another organizations, data received from or about our users may be among the items sold or transferred.

Organisational Measure (85.9%):

If a parent or guardian becomes aware that his or her child has provided us with information without his/her consent, he or she should promptly contact us and we take reasonable steps to ensure that such information is deleted from our files.
