Art. 21 Right to object (84.9%), Legal Basis (84.6%), Legitimate Interest (81.4%), Personal Data (93.5%):

Where we have not indicated that a lawful basis other than legitimate interest applies, you are entitled to object to the processing of the persona data.

Personal Data (91.6%), Required Purpose (68.8%):

Special category personal data We do not normally process any personal data concerning your racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union

membership, and the processing of genetic data, biometric data for the purpose of uniquely identifying a natural person, data concerning health or data concerning a natural persons sex life or sexual orientation, nor any information concerning criminal convictions and offences.

Consent (77.7%), Organisational Measure (81.7%):

If any app or other service ever requires us to process such personal data, you will be informed in advance about this processing and its purpose, and we will either seek your explicit consent, or inform you of the other lawful basis for this processing and give you the opportunity to opt out.

Processing (95.7%), Scale EU (87.4%), Scale Non-EU (82.4%):

Accordingly, it is necessary for personal data processed by TDS to be routinely transferred to countries, including those within the EEA and/or the UK, and those outside the UK/EEA.

Legal Basis (96.7%):

This includes countries where the local data protection law does not give the same level of protection to the rights and freedoms of data subjects.

Authority (71.5%), Processing (96.9%), Required Purpose (81.4%):

To safeguard personal data that concerns you, and your rights in relation to that personal data and its processing, all such transfers carried out by TDS are made subject to an agreement between the TDS entities in the relevant territories that incorporates the Standard Contractual Clauses adopted by Commission Decision (EU) 2021/914 of 4 June 2021 and the UK International Data Transfer Addendum to the EU Commission Standard Contractual Clauses (UK Addendum), as issued by the Information Commissioner under S119A(1) Data Protection Act 2018.

Processing (94.4%):

International transfers of personal data TDS apps and services are provided to users worldwide through the TDS Group.

Personal Data (72.0%), Required Purpose (79.0%):

Special circumstances of processing Third-Party Service Providers We will share your information with third-party companies to perform services on our behalf, like processing payments, analyzing data, optimizing game play, e-mail delivery, hosting services, customer service and to help us in our marketing efforts, including managing and delivering contextual and tailored advertisements.

Contract (93.0%):

In some cases we also need to process the personal data pursuant to a contract with you or a third party, such as Apple or Google, or to comply with a legal obligation.

Data Processor (62.7%), Required Purpose (61.0%):

We contractually require these third-party service providers to maintain the confidentiality of the

information we share with them, and we contractually require them not use your information for anything other than to provide services on our behalf.

Personal Data (99.2%), Third Party (69.7%):

Sale or Merger In the event that TDS undergoes a business transition (including proposed transactions), like a merger, acquisition by another company, or sale of all or part its assets (like selling a game), we may disclose or transfer all of your information, including personal information, to the successor organisation in the transition.

Personal Data (97.2%), Processing (93.2%):

We will make reasonable efforts to let you and other players know (in the way described in Changes to Our Privacy Policy) of the business transition before transferring your personal information.

Automated Decision Making (76.9%), Non-Personal Data (66.4%), Processing (98.2%), Required Purpose (90.4%), Technical Measure (94.6%):

Cookies, analytics and automated information collection We and service providers acting on our behalf, like Google Analytics, store log files and use tracking technologies such as: cookies, which are small pieces of data transferred to your mobile device or computer for record-keeping purposes; web beacons, which let us know if a certain page was visited or whether an e-mail was opened; tracking pixels, which allow us or our advertising partners to advertise more efficiently and effectively; and local shared objects, also known as flash cookies, which help us to reduce fraud, remember your in-game preferences and speed up load times.

Non-Personal Data (65.0%), Personal Data (99.0%), Processing (79.1%), Technical Measure (89.2%):

We and our service providers use these log files, tags, and tracking technologies to collect and analyze certain kinds of technical information, including: IP addresses; the type of computer or mobile device you are using; your operating system version; your mobile devices identifiers, like your MAC Address, Identifier For Advertising (IDFA), and/or International Mobile Equipment Identity (IMEI); your browser types; your browser language; referring and exit pages, and URLs; platform type; the number of clicks on a page or feature; domain names; landing pages; pages viewed and the order of those pages; the amount of time spent on particular pages; and game state and the date and time of activity on our websites or games.

Personal Data (88.6%):

In some cases, we will connect this information with your social network ID or TDS user ID.

Third Party (94.4%):

This Privacy Notice covers processing by TDS itself, and members of the TDS Group which

comprises TDSs subsidiaries, parent companies, joint ventures and other corporate entities under common ownership or control and/or any of their agents, consultants, employees, officers and directors.

Personal Data (96.5%), Required Purpose (99.2%), Third Party (85.6%):

Personal data concerning you that we may process on behalf of others For a personalized advertisement experience, the advertising networks and their partners, some of which are listed below may collect or receive device information from our apps and other apps that include personal and non-personal information, such as advertising (or ad) identifiers, IP address, or other information regarding the delivery of advertisements and your interaction with them, inventory of installed apps and/or other tracking technologies to provide measurement services, personalization, ad selection, delivery, reporting, and optimize targeted ads.

Non-Personal Data (97.5%), Required Purpose (93.2%):

How We Share Your Information We may disclose or publish aggregated information (information about you and other players collectively that is not intended to specifically identify you, for example, players between the ages of 21 and 25 who live San Francisco) and other non-personal information about our players for industry analysis, demographic profiling, marketing, analytics, advertising, and other business purposes.

Third Party (65.2%):

In addition, we may share your information (which may include personal information) with third parties (in other words, parties other than TDS) or allow third parties to collect this information from our Services 13.

Third Party (88.2%):

Privacy policies of linked third-party services and advertisers Our websites and games may contain advertisements from Third-Party Services, which are companies other than TDS that may link to their own websites, online services or mobile applications.

Organisational Measure (93.5%), Processing (80.3%):

If we learn that we have inadvertently gathered personal information from a child under 13, we will take reasonable measures to promptly remove that information from our records.

Processing (96.6%):

How long we keep your information How long we retain your information depends on why we collected it and how we use it.

Retention (82.1%):

We will not retain your personal information for longer than is necessary for our business purposes

or for legal requirements.

Required Purpose (83.2%):

For instance, we may retain some information for a few years after you have closed your account with us if this is necessary to meet our legal obligations or to exercise, defend or establish legal rights.

Organisational Measure (72.2%), Required Purpose (66.3%):

Security of your information We implement security measures to help protect the security of your information both online and offline.

Organisational Measure (80.3%):

We take steps to ensure that your data is treated securely and in accordance with this Privacy Policy.

Personal Data (90.8%):

If you have an account registered directly with TDS, your profile information is protected by the password you use to access your TDS account.

Organisational Measure (70.6%):

If you forget the password to your TDS account, the Service allows you to request that instructions be sent to you that explain how to reset your password.

Organisational Measure (77.6%):

We urge you to log out of your TDS account and any social network account you have used to access our Services after you use it.

Processing (83.8%), Technical Measure (83.5%):

When you sign into your TDS account or enter payment information, we or our third party payment processor use encryption to transmit that information.

Organisational Measure (74.6%):

While we take precautions against possible security breaches of our Services and our customer databases and records, no website or Internet transmission is completely secure.

Processing (92.9%):

We cannot guarantee that unauthorized access, hacking, data loss, or other breaches will never occur, and we cannot guarantee the security of your information while it is being transmitted to our Service.

Required Purpose (69.8%):

Changes to our privacy policy We may need to update this Privacy Notice to reflect changes to our data processing practices.

Organisational Measure (73.0%):

If we do this and the changes are material, we will post a notice on tripledotstudios.com for at least 7 days before the changes are made.

Retention (62.2%):

7.

Legal Basis (81.3%):
