Privacy Policy EnJen Games Home Games About us Privacy Policy Last updated August 12th 2024 EnJen Games Privacy Policy At EnJen Games FZE (EnJen Games or we / our) data protection and confidentiality is a high priority.

Art. 16 Right to rectification (73.0%), Data Subject (95.2%), Organisational Measure (65.2%), Personal Data (99.8%), Processing (99.6%), Right (96.7%):

This Privacy Policy explains how personal information about you is collected, shared and used by EnJen Games and how you can exercise your privacy rights.

Consent (98.3%), Data Controller (97.3%), Non-Personal Data (94.1%), Organisational Measure (73.1%):

We may amend and/or update this Privacy Policy from time to time by posting a new version in response to changing legal, technical or business reasons and developments.

Organisational Measure (96.1%):

If we make material changes, we will notify you by revising the date at the top of the notice and, depending on the specific amendments, we may provide you with additional notice.

Organisational Measure (80.2%), Right (79.1%):

We encourage you to review the Privacy Policy whenever you access our Services to stay informed about our information practices and the ways you can help protect your privacy.

Processing (95.0%), Required Purpose (63.1%), Technical Measure (75.9%), Third Party (91.6%):

Information we collect Information you provide to us We collect information you provide voluntarily to us, such as when you communicate with us via third party social media sites, request customer support, send us an email or otherwise interact with us.

Consent (96.9%), Personal Data (99.6%), Required Purpose (69.6%):

The types of information we may collect about you include your name, social networking screen names or IDs, email address and any other information you choose to provide.

Automated Decision Making (77.2%), Legal Basis (98.2%):

Information we collect automatically When you access or use our Services, we automatically collect certain information from you and/or your device (which may be considered personal information under applicable data protection laws).

Consent (74.0%), Legal Basis (97.3%), Legitimate Interest (83.5%), Non-Personal Data (81.5%), Personal Data (90.6%), Required Purpose (95.3%):

We collect this information with your either your explicit consent in accordance with GDPR article 6(1)(a) or as part of our legitimate interest in accordance with GDPR article 6 (1)(f)., including:

Device information: about the device you use to access our Services, including information about the devices type, software and hardware, Media Access Control (MAC) address and other unique device identifiers (such as Device ID and Advertising ID), device token, mobile network information and time zone.

Personal Data (95.2%), Required Purpose (78.6%):

Location information: We collect location information in order to comply with legislation and policies that apply to your area.

Third Party (84.5%):

However, neither we nor our partners collect location information more granular than city level without your explicit consent.

Personal Data (63.6%):

Consumption information: about your consumption habits relating to your use of our Services, including which purchases you make with both virtual and real currencies.

Processing (60.3%), Technical Measure (98.0%):

Other Information: collected by cookies and other tracking technologies: we use various technologies to collect information, and this may include sending cookies to your computer or mobile device.

Processing (96.7%), Required Purpose (97.2%), Technical Measure (92.8%):

Cookies are small data files stored on your computers hard drive or in device memory that help us to improve our Services and your experience and see which areas and features of our Services are popular.

Technical Measure (99.4%):

We may also collect information using web beacons (also known as tracking pixels).

Art. 17 Right to erasure (right to be forgotten) (63.6%), Processing (78.8%), Required Purpose (94.2%), Technical Measure (99.4%):

Web beacons are electronic images that may be used in our Services or emails and help deliver cookies, count visits, and understand usage and campaign effectiveness.

Required Purpose (88.5%), Third Party (99.2%):

Ad Networks We may feature advertising in our Services via showing third party advertisements in our Services, as well as advertise our own Services via third parties.

Processing (98.4%), Required Purpose (82.9%), Third Party (63.9%):

EnJen Games may disclose your personal information to advertising networks for the purpose of their direct marketing.

Personal Data (98.0%), Required Purpose (89.0%), Third Party (67.4%):

Thus, we may send your advertising ID and IP address to ad networks to enable our partners to serve appropriate ads in accordance with GDPR article 6(1)(f).

Required Purpose (64.2%):

These identifiers are used by ad networks for a number of purposes, in addition to targeted advertisement, thus we encourage you to check the Privacy Policies of our partners.

Legal Basis (96.1%):

These advertising networks may be located in countries outside EU/EEA that have less restrictive data protection legislation.

Legal Basis (94.1%), Processing (99.0%):

For such advertising networks in countries outside EU/EEA, the legal basis for the transfer is always in accordance with one of the lawful instruments set forth in GDPR article 44-50.

Legal Basis (91.3%), Non-Personal Data (61.7%), Required Purpose (83.0%):

This Privacy Policy applies to personal information that we collect when you use our mobile game applications, forums, websites and other online products and services (collectively, the Services) or when you otherwise interact with us.

Required Purpose (83.8%):

We may allow third parties to provide analytics services in connection with our Services.

Non-Personal Data (90.5%), Personal Data (94.6%), Required Purpose (90.2%), Technical Measure (97.7%):

These entities may use cookies, web beacons and other tracing technologies to collect information about your use of our Services, including your IP address, MAC address, device identifiers, software and hardware information, browser information, time zone and usage information.

Required Purpose (93.0%):

This information may be used by EnJen Games and others to, among other things, analyse and track data, determine the popularity of certain content, deliver advertising and content targeted to your interests and better understand your activity on our Services.

Technical Measure (76.8%):

Third-party ad serving and analytics technologies are integrated into our Services, so if you do not want to be subject to these technologies, do not use or access our Services.

Processing (91.2%), Required Purpose (99.8%):

Our Services may also integrate third party Application Program Interfaces (APIs) and/or SDKs, which allow others to collect and process information about you, including but not limited to your geo-location information, to provide you with targeted advertisements, offers and other content.

Processing (89.7%):

You always have the ability to control the collection and use of your geo-location information .

Required Purpose (99.6%), Third Party (83.4%):

Ad networks may use information about you, such as your advertising ID, to identify users who are likely to have an interest in our services and display advertising to them.

Required Purpose (87.0%):

They may also use this information to identify whether you are an existing user of our services and exclude you from further advertising of our services.

Required Purpose (95.7%):

How we use your information We may use information about you for various purposes, including to: Provide, maintain and improve our current Services; Develop new Services; Provide and deliver the products and services you request and send you related information; Respond to your comments, questions and requests and provide customer service and support; Communicate with you about products, services, offers, promotions and events offered by EnJen Games and others, and provide news and information we think will be of interest to you; Personalise and improve our Services with the use of profiling to provide targeted advertisements, content or features; Monitor and analyse trends, usage and activities in connection with our Services; Carry out any other purpose for which the information was collected.

Personal Data (87.4%):

However, we do not request or intend to collect any special categories information such as information on health, race, religion, political opinions, sexual preferences or orientation.

Processing (72.1%):

Be cautious when sharing this information about yourselves (or others) in our Services.

Legal Basis (78.1%):

How we may disclose your information We may share information about you as follows or as otherwise described in this Privacy Policy: With other users of our Services; In response to a request for information if we believe disclosure is in accordance with any applicable legal requirement; If we believe your actions are inconsistent with the spirit or language of our user agreements or policies, or to protect the rights, property and safety of EnJen Games or others; With your consent or at your direction.

Non-Personal Data (89.1%):

We also may share aggregated information or otherwise anonymised information, which cannot reasonably be used to identify you.

Processing (94.1%):

Your personal information collected via and/or by EnJen Games may be stored anywhere in the world and may be transferred to, and processed in, countries other than the country of which you are a resident.

Organisational Measure (85.7%):

When we transfer your personal information internationally, EnJen Games takes steps to ensure that adequate safeguards are in place to protect your personal information and it is treated securely, lawfully and in accordance with this Privacy Policy.

Legitimate Interest (76.2%), Processing (86.4%), Retention (95.8%):

Data retention We retain your personal information collected as described in this Privacy Policy for as long as needed to provide you the Services or we have a legitimate business reason to do so.

Organisational Measure (94.2%):

Security We have implemented security measures to ensure that our internal procedures meet our high security policy standards.

Organisational Measure (89.1%):

Accordingly, we strive to protect the quality and integrity of your personal information.

Legal Basis (88.8%), Right (61.6%):

Your data protection rights You are at any time entitled to be informed and/or access the personal information about you that we process, but with certain legislative exceptions.

Art. 21 Right to object (79.9%), Data Source (67.8%), Personal Data (93.6%), Processing (97.9%), Right (61.3%):

You have the right to: i) object to the collection and further processing of your personal information; ii) have your personal data updated, rectified, erased or blocked; iii) receive information about you that you have provided to us; iv) opt out of certain uses and disclosures of your personal information; and v) have your personal information transmitted to another data controller (data portability).

Right (75.1%):

In order for you to exercise your data protection rights we are obliged to verify your identity.

Data Subject (60.8%):

Your continued use of the Services shall mean your acceptance of the changes to this Privacy

Policy.

Consent (75.4%), Retention (91.2%):

If you want us to update, amend or delete the personal information that we have collected about you, wish to get access to the data being processed about you, or if you have any questions concerning the this Privacy Policy, you may contact us by email at contact@enjengames.com

Withdrawal of consent You may, at any time, withdraw any consent you have given, and we will no longer process your personal information, unless we can continue the processing based on another purpose.

Personal Data (98.5%):

When we no longer have ongoing legitimate business reason to process your personal information, we will delete your data.

Consent (76.7%):

If you wish to withdraw your consent, you can withdraw it in the game via the settings menu or by contacting us using the contact information below.

Personal Data (98.4%):

If you are under 13, please do not send any information about yourself to us, including your name, address, telephone number, or email address.

Required Purpose (96.6%):

Partners EnJen Games currently work with the following third parties to, among other things, provide ads, analytics, crash reporting, and improvement of our services.
