Those partners may use your Non-Personal Information to serve you tailored advertisements outside of our Websites/Apps: please note that this sharing is limited to anonymous, aggregated Non-Personal Information only and we will not share your Personal Information with advertisers without your prior consent.

Consent (77.1%), Processing (94.8%), Third Party (70.1%):

If you decide to use such features, it may allow the sharing and collection of Personal Information and Non-Personal Information both to and from such third-party social networks.

Processing (98.0%):

aWe will not store your credit card information.

Required Purpose (66.6%), Third Party (67.0%):

In order to process credit card payments, we will use the service of a secure third-party credit card processor.

Required Purpose (81.5%):

These purposes may include credit card processing, prize delivery, marketing assistance, customer service, and data analysis.

Non-Personal Data (74.8%), Processing (96.5%):

In addition, Non-Personal Information and Usage Data in aggregated, anonymous form may be shared with third parties who assist us with our operations such as administration, analytics, research, optimization, and advertising.

Processing (99.5%):

aWe may disclose your Personal Information or other information collected if required by law or court order, if the information relates to actual or threatened harmful conduct, to investigate and/or take action against illegal activity, suspected abuse or unauthorized use of the Websites/Apps, or to protect the property or safety of others.

Personal Data (91.9%), Processing (89.3%), Recipient (72.4%):

in connection with any sale of our company or any line of business (including the assets relating thereto), customer information generally is one of the transferred business assets, and such customer information (including your Personal Information) will be transferred or sold to the acquirer in the event of any such sale or disposition of any or all of our business.

Processing (84.5%), Technical Measure (62.2%), Third Party (99.0%):

ADVERTISING: Ads appearing on our services (Games/Apps or Website) may be delivered to Users by advertising partners (Third party), who may set cookies.

Personal Data (66.6%), Required Purpose (60.4%):

These cookies allow the ad server to recognize your Device each time they send you an online advertisement to compile non personal identification information about you or others who use your Device.

Required Purpose (89.7%):

If a user chooses to register, they can input a date of birth, username and email address to set up an account.

Required Purpose (85.3%):

The user's account is limited to participating in those aspects of the Services that are deemed to be appropriate for users; features of our Services that may involve the possibility of posting personal information, such as comments, are automatically disabled.

Processing (79.3%), Required Purpose (74.9%):

Immediately upon registration, the user's email address is turned into an encrypted format, a one-way hash, which we cannot read and which is used to authenticate the user login process.

Personal Data (97.8%), Processing (82.1%):

We do not permanently store the email addresses of users in a recoverable format because we do not retain the email addresses of users in a usable form after initial registration.

Personal Data (98.6%):

The user name of registered users is not used as a means to contact such users.

Personal Data (98.9%):

We do not collect more personal data than is necessary to respond to a question or one-off request from a user.

Consent (75.8%), Required Purpose (70.8%):

To provide parental notice or to obtain parental consent, nor do we distribute to third-party any personal information collected from children without parental consent.

Consent (70.2%):

Parents are invited to review their children's information by contacting us.

Required Purpose (83.8%):

Consent to Public Display of Data Upon Your Acceptance We may publicly display your data when you participate in-game related activities for the purposes of user identification.

Non-Personal Data (91.4%), Processing (89.5%), Third Party (69.1%):

and its affiliates may also collect, use, store, transmit and publicly display statistical data regarding game play (including scores, rankings and achievements), or identify content that is created and shared by you with other players.

Personal Data (84.8%), Processing (75.7%):

Data that personally identifies you is collected, used, stored and transmitted in accordance with this Privacy Policy.

Consent (76.5%):

Please don't use the Services if you do not agree to this Privacy Policy.

Right (94.9%):

Dreamland Games reserves the right to modify this Privacy Policy at reasonable times, so please review it frequently.
