

Art. 18 Right to restriction of processing (73.7%), Automated Decision Making (64.1%), Data Controller (99.6%), Legitimate Interest (67.4%), Organisational Measure (85.6%), Personal Data (81.1%), Processing (69.4%), Recipient (66.8%), Required Purpose (97.1%), Right (60.1%), Scale EU (85.2%), Technical Measure (70.1%):

Privacy GET FREE DELIVERY ON YOUR FIRST ORDER Contact uswork with buymie Privacy policy Welcome to the Buymie Technologies Limited website, Buymie.eu (and all pages attaching to and including this domain name) and our applications (each our "Platform").

Data Source (67.4%), Data Subject (88.8%), Personal Data (70.8%), Processing (98.0%), Required Purpose (90.1%):

This page (together with the documents referred to on it) tells you how we store customer data.

Data Subject (73.5%), Non-Personal Data (62.2%):

a Buymie Technologies Limited ("we", "our", "us" or "Buymie") is committed to protecting the privacy of all visitors to our website (aWebsitea) and all visitors who access our website or platform through any mobile application (together, "Site and Platform(s)").

Personal Data (94.5%), Processing (98.6%):

Please read the following privacy policy (aPrivacy Policya) carefully which explains how we use and protect your information.

Consent (95.8%), Processing (99.7%):

a By visiting and/or using our Site and Platform(s), you agree and where required you consent to the collection, use, transfer, disclosure, retention and protection of your information as set out in this policy (together with any other documents referred to on it).

Personal Data (98.4%), Required Purpose (99.2%), Retention (97.9%):

HOW WE COLLECT YOUR INFORMATION a We collect your personal information when you interact with us or use our services, such as when you use our Sites to place an order.

Consent (95.8%), Required Purpose (97.6%):

We also look at how visitors use our Sites, to help us improve our services and optimise customer experience.

Third Party (98.9%):

We also collect information from third party sites, such as advertising platforms a 3.

Personal Data (98.0%):

When you visit the Sites or make a Buymie order through the Sites, you are asked to provide information about yourself including your name, contact details, delivery address, order details and payment information such as credit or debit card information.

Data Source (71.2%), Non-Personal Data (61.1%):

We also collect information about your usage of the Sites and information about you from any messages you post to the Sites or when you contact us or provide us with feedback, including via e-mail, letter, phone or chat function.

Required Purpose (86.6%):

If you contact us by phone, we record the call for training and service improvement purposes, and make notes in relation to your call.

Data Source (78.5%), Non-Personal Data (95.9%), Personal Data (98.4%):

We collect technical information from your mobile device or computer, such as its operating system, the device and connection type and the IP address from which you are accessing our Sites.

Non-Personal Data (80.4%), Personal Data (93.2%), Technical Measure (97.7%):

We also collect technical information about your use of our services through a mobile device, for example, carrier, location data and performance data such as mobile payment methods, interaction with other retail technology such as use of NFC Tags, QR Codes and/or use of mobile vouchers.

Personal Data (63.9%), Processing (98.4%):

We collect information: when you create an account with us or you change your account settings; when you place an order with us and during the order process (including for payment and order delivery); when you contact us directly via email, phone, post, message or via our chat function; and when you browse and use our Sites (before and after you create an account with us).

Automated Decision Making (92.4%), Consent (97.0%), Processing (96.8%):

Unless you have elected to remain anonymous through your device and/or platform settings, this information may be collected and used by us automatically if you use the service through your mobile device(s) via any Buymie mobile application, through your mobile's browser or otherwise.

Consent (60.3%), Personal Data (89.2%):

We process health information about you only where you volunteer and consent to this, for example if you specify any food allergies.

Legal Basis (99.5%), Right (67.5%):

USE OF YOUR INFORMATION a We will only process the data we collect about you if there is a reason for doing so, and if that reason is permitted under data protection law.

Consent (81.9%), Contract (93.6%), Legal Basis (88.8%), Processing (97.9%), Required Purpose (94.9%):

We will have a lawful basis for processing your information: if we need to process your information in order to provide you with the service you have requested or to enter into a contract; we have your

consent; we have a justifiable reason for processing your data; or we are under a legal obligation to do so.

Required Purpose (93.6%):

Where we need to in order to provide you with the service you have requested or to enter into a contract, we use your information: to enable us to provide you with access to the relevant parts of the Sites; to supply the services you have requested; to enable us to collect payment from you; and to contact you where necessary concerning our services, such as to resolve issues you may have with your order.

Contract (74.0%), Legitimate Interest (77.2%), Organisational Measure (60.7%), Processing (90.8%), Required Purpose (96.1%), Right (92.8%), Third Party (86.6%):

We have listed these reasons below: to improve the effectiveness and quality of service that our customers can expect from us in the future; to tailor content that we or our third party advertising partners display to you, for example so that we can show you retailers which are in your area or make sure you see product advertising which is most relevant to you, based on characteristics determined by us; to enable our customer support team to help you with any enquiries or complaints in the most efficient way possible; to contact you for your views and feedback on our services and to notify you if there are any important changes or developments to the Sites or our services, including letting you know that our services are operating in a new area, where you have asked us to do so; to analyse your activity on the Sites so that we can administer, support, improve and develop our business and for statistical and analytical purposes and to help us to prevent fraud; to enforce our contractual terms with you and any other agreement, and for the exercise or defence of legal claims and to protect the rights of Buymie, retail partners, shoppers, or others (including to prevent fraud); if you submit comments and feedback regarding the Sites and the services, we may use such comments and feedback on the Sites and in any marketing or advertising materials.

Personal Data (91.1%):

We will only identify you for this purpose by your first name and the city in which you live.

Personal Data (85.5%), Required Purpose (98.6%):

We will also analyse data about your use of our services from your location data to create profiles relating to you and for you.

Personal Data (61.7%), Right (72.0%):

CONTACT DETAILS a If you have any queries or requests concerning this privacy policy or how we handle your data more generally, please get in touch with us using the following details.

Right (62.9%):

This means that we may make certain assumptions about what you may be interested in and use this, for example, to send you more tailored marketing communications, to present you with retailers that we think you will prefer, or to let you know about special offers or products which we think you may be interested in.

Right (80.2%):

You have certain rights in relation to this type of processing.

Right (82.5%):

Please see 'Your Rights' section below for more information.

Legitimate Interest (92.8%), Right (66.8%):

Where we rely on legitimate interest as a basis for processing your personal information, we carry out a balancing test to ensure that our processing is necessary and that your fundamental rights of privacy are not outweighed by our legitimate interests.

Legal Basis (92.7%):

Where we are under a legal obligation to do so we may use your information to: create a record of your order(s); comply with any legal obligation or regulatory requirement to which we are subject.

Required Purpose (99.4%):

BUYMIE FOR BUSINESS a We also process your information to determine whether you may be interested in hearing about our Buymie for Business service.

Required Purpose (70.5%):

Where we think you may be interested in our Buymie for Business service, we may contact you (by email or telephone) using the contact details you have provided to let you know about it.

Required Purpose (76.0%):

When you use Buymie for Business, then: we will process your information for the purposes set out in section 4 above.

Personal Data (99.6%), Processing (98.1%):

We will be the controller of this information; and we will also share personal data relating to your order (such as the order date and time, the payment amount and the retailer with which the order was placed) with your employer.

Recipient (71.0%):

For more information, please contact your employer.

Consent (81.4%), Technical Measure (98.9%):

COOKIES a You can set your browser to refuse all or some browser cookies, or to alert you when websites set or access cookies.

Consent (78.3%), Technical Measure (94.9%):

To review or manage your cookie consent choices and for a list of the cookies and similar technologies that we use when you visit our Websites or use our Mobile Applications as well as a description of the purposes and the duration that they will stay on your browser or device please visit the cookie preference centre.

Consent (70.4%), Legal Basis (85.7%), Required Purpose (98.7%):

DIRECT MARKETING a Where you have given your consent or where we have a justifiable reason for doing so (and are permitted to do so by law) we will use your information to let you know about our other products and services that may be of interest to you and we may contact you to do so by email or phone.

Organisational Measure (76.6%), Processing (62.8%):

AUTOMATED DECISION MAKING a We conduct fraud checks on all customers.

Required Purpose (94.7%):

We share your information with and undertake fraud checks on all customers because this is necessary for us to perform our contracted services to customers, by ensuring that the services we (and retailers) provide are duly paid for, and also so that individuals themselves are protected from fraudulent transactions on their cards.

Automated Decision Making (87.8%), Personal Data (76.0%), Processing (84.2%), Technical Measure (74.2%):

Given the volumes of customers and orders we deal with, we use automated systems including a third party fraud detection provider, which analyses your order data for called Ravelin in order to make automated decisions as to whether or not we will accept an order.

Automated Decision Making (80.6%):

When combined, these generate an automated score indicating the likelihood of a fraudulent transaction.

Organisational Measure (65.5%):

Where we believe we may detect fraudulent activity we may block you from placing an order and using our Sites.

Right (75.7%):

You have certain rights in respect of this activity - please see 'Your Rights' section below for more information.

Required Purpose (86.9%):

Our fraud detection is in place to protect all of our customers as well as Buymie.

Right (88.0%):

You have the right to contest any fraud decision made about you and to be given more information about why any such decision was made by contacting us as set out in section 1 above.

Retention (87.9%):

RETENTION OF YOUR INFORMATION a We will not retain your information for any longer than we think is necessary.

Retention (72.6%):

INFORMATION THAT WE COLLECT FROM YOU a As part of our commitment to the privacy of our customers and visitors to our Sites more generally, we want to be clear about the sorts of information we will collect from you.

Legal Basis (92.1%), Required Purpose (80.7%), Retention (84.9%):

Information that we collect will be retained for as long as needed to fulfil the purposes outlined in the aUse of my informationa section above, in line with our legitimate interest or for a period specifically required by applicable regulations or laws, such as retaining the information for regulatory reporting purposes.

Legal Basis (92.9%), Retention (67.8%):

When determining the relevant retention periods, we will take into account factors including: our contractual obligations and rights in relation to the information involved; legal obligation(s) under applicable law to retain data for a certain period of time; statute of limitations under applicable law(s); our legitimate interests where we have carried out balancing tests (see section on 'How we use your personal information' above); (potential) disputes; guidelines issued by relevant data protection authorities.

Processing (98.2%), Scale EU (82.5%):

DISCLOSURE OF YOUR INFORMATION a The information we collect about you will be transferred to and stored on our servers located within the EU.

Processing (97.7%):

We are very careful and transparent about who else your information is shared with.

Recipient (85.8%):

Sharing your information internally We share your information with other Buymie group companies only where necessary for the purposes set out in section 4.

Third Party (98.7%):

Sharing your information with third parties We share your information with third party service providers.

Personal Data (85.2%), Recipient (63.5%), Required Purpose (88.5%), Third Party (80.5%):

The types of third party service providers whom we share your information with includes: Payment providers (including online payment providers and fraud detection providers):for the purposes of providing services to us, for example when they process information such as credit card payments for us, provide support services to you or carry out fraud checks for us; IT service providers (including cloud providers): for the purposes of data storage and analysis; Retail partners: that you have placed your order with so that they can ensure high product availability, resolve issues, or improve their services; Shoppers: so they can deliver your order to you; Customer support partners: who will help us to resolve any issues you may have with our services; Marketing and advertising partners: so that they can ensure that you see advertising which is more relevant to you and send you email marketing on our behalf.

Third Party (78.1%):

You can control your email marketing preferences by: visiting our website, www.buymie.eu, or mobile application; clicking on "Account" (for our website this is under the drop-down menu); scrolling down to "Marketing Preferences".

Third Party (69.8%):

Buymie will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this privacy policy when it is transferred to third parties.

Processing (92.6%), Recipient (86.6%):

If our business enters into a joint venture with, purchases or is sold to or merged with another business entity, your information may be disclosed or transferred to the target company, our new business partners or owners or their advisors.

Legal Basis (86.9%):

We may also share your information: if we are under a duty to disclose or share your information in order to comply with (and/or where we believe we are under a duty to comply with) any legal obligation or regulatory requirement.

Required Purpose (78.7%):

This includes exchanging information with other companies and other organisations for the purposes of fraud protection and prevention; in order to enforce our contractual terms with you and any other agreement; to protect the rights of Buymie, retail partners,Shoppers, or others, including to prevent fraud; with such third parties as we reasonably consider necessary in order to prevent crime, e.g.

Third Party (74.1%):

the police.

Processing (95.8%), Scale Non-EU (93.4%):

International transfers of data In some cases the personal data we collect from you might be processed outside the European Economic Area ("EEA"), such as the United States, Armenia and the countries in which Buymie operates (which are set out on www.Buymie.eu).

Organisational Measure (60.4%):

There are therefore certain safeguards in place when your data is processed outside of the EEA.

Legal Basis (68.0%), Scale Non-EU (62.8%), Third Party (70.3%):

We ensure a similar degree of protection is afforded to it by ensuring at least one of the following safeguards is implemented: your personal data is transferred to countries that have been deemed to provide an adequate level of protection for personal data by the European Commission; we use the EU approved Standard Contractual Clauses; where your personal data is transferred to third party providers based in the US, data may be transferred to them if they have self-certified under the Privacy Shield framework in relation to the type of data being transferred, which requires them to provide similar protection to personal data shared between the EU and the US.

Processing (96.8%):

Please contact us using the contact details above if you want further information on the countries to which personal data may be transferred and the specific mechanism used by us when transferring your personal data out of the EEA.

Organisational Measure (75.5%):

SECURITY a We adopt robust technologies and policies to ensure the personal information we hold about you is suitably protected.

Personal Data (85.2%):

Where you have chosen a password that allows you to access certain parts of the Sites, you are responsible for keeping this password confidential.

Processing (96.4%):

Unfortunately, the transmission of information via the internet is not completely secure.

Processing (75.0%):

Although we will take steps to protect your information, we cannot guarantee the security of your data transmitted to the Sites; any transmission is at your own risk.

Organisational Measure (78.1%):

Once we have received your information, we will use strict procedures and security features to try to prevent unauthorised access.
