Ownership The Application is protected by copyright, trademark, and other laws of the United States and foreign countries.

Data Controller (97.3%), Required Purpose (94.7%), Right (84.6%):

Except as expressly provided in these Terms, we (or our licensors) exclusively own all right, title and interest in and to the Application, including all associated intellectual property rights in the Application.

Personal Data (99.7%), Processing (95.9%):

Privacy LOYAL Foundry keeps your personal information private.

Automated Decision Making (72.0%), Processing (79.2%):

This means we do not share your information with anyone.

Non-Personal Data (65.5%), Personal Data (83.2%):

This includes your subscription data, reading history, topic preferences or any other personal setting or activity information you produce when using our products/apps.

Organisational Measure (83.1%):

Additionally, we take precautions to protect your information from malicious hacking by adhering to industry best practices and security standards.

Consent (95.8%), Non-Personal Data (67.5%):

However, the apps do allow you, the user, to set certain content preferences, including favorite topics, blocked sources, topics to be notified about, and related preferences.

Personal Data (99.1%), Processing (98.4%), Third Party (99.3%):

We consider these preferences your personal data, and it is never shared with any 3rd party.

Consent (72.1%), Required Purpose (92.9%), Third Party (88.0%):

If you choose to use the appas built-in commenting/community features, the app will request that you sign-in via a 3rd-party identity provider (for instance a Google, Facebook, or Twitter) so you can be authenticated to access your personal profile.

Non-Personal Data (65.9%), Processing (97.5%), Required Purpose (94.1%):

Usersa comments, posts, votes, and related community activity all need to saved in order to provide these community features.

Automated Decision Making (85.7%), Processing (98.4%):

This process is automated and does not involve humans.

Processing (99.0%), Third Party (97.5%):

LOYAL Foundry works with 3rd party advertising partners who may be collecting information per their own privacy policies.

Data Source (78.2%), Personal Data (89.9%):

This may include your mobile device identifier, a cookie identifier, or other information about your device for interest-based advertising purposes.

Processing (90.7%), Third Party (98.9%):

These 3rd parties do not get any private information from LOYAL Foundry, but they have their own collection mechanisms on which their own individual privacy policies apply.

Processing (78.2%), Third Party (93.3%):

These parties includes Facebook, Google, Twitter, Teads, and other advertising companies, which could be added/removed from time to time.

Personal Data (97.9%):

As noted, LOYAL Foundry does not sell any personal information.

Legal Basis (98.8%):

However, under some laws in some territories (for instance, CCPA), letting 3rd party advertisers display ads as described above might technically constitute such a sale.

Non-Personal Data (92.4%), Personal Data (98.8%), Required Purpose (99.1%):

These companies may use aggregated information (not including your name, address, email address or telephone number) about your visits to this and other Web sites in order to provide advertisements about goods and services of interest to you.

Consent (87.7%), Processing (76.9%):

If you would like more information about this practice and to know your choices about not having this information used by these companies, please see: https://www.networkadvertising.org/managing/opt_out.asp Termination If you breach any of the terms of these Terms, we have the right to suspend or disable your access to or use of the Application.

Processing (88.4%):

You agree that we have no responsibility or liability for the deletion of, or the failure to store or to transmit, any Content and other communications maintained by the Application.

Data Controller (93.6%):

You acknowledge that Apple has no obligation whatsoever to furnish any maintenance and support

services with respect to the Application.

Organisational Measure (71.9%):

We make no warranty that the Application will meet your requirements or be available on an uninterrupted, secure, or error free basis.

Legal Basis (96.4%), Organisational Measure (79.2%):

We make no warranty regarding the quality of any products, services or Content provided through the Application or the accuracy, timeliness, truthfulness, completeness or reliability of any Content provided through the Application. Additionally, in the event of any failure of the Application to conform to any applicable warranty, you may notify Apple, and Apple will refund the purchase price for the Licensed Application to you; and that, to the maximum extent permitted by applicable law, Apple will have no other warranty obligation whatsoever with respect to the Application.

Legal Basis (84.9%):

These Terms will be governed by and construed in accordance with the laws of Israel, without regard to or application of conflicts of law rules or principles.

Authority (76.0%):

You and Company irrevocably submit any and all disputes arising with respect to these Terms to the sole jurisdiction of the competent courts of Tel Aviv.

Authority (75.1%):

If any part of these Terms is determined to be invalid or unenforceable by a court of competent jurisdiction, that provision will be enforced to the maximum extent permissible and the remaining provisions of these Terms will remain in full force and effect.

Data Controller (64.4%):

Third Party Beneficiary Apple, and Apple's subsidiaries, are third party beneficiaries of these Terms, and upon your acceptance of the Terms, Apple will have the right (and will be deemed to have accepted the right) to enforce the Terms against you, as a third party beneficiary thereof.

Contract (66.0%):

a We have a written agreement with Intuizi, Inc.

Data Controller (90.9%):

LOYAL Foundry, Inc.

Processing (94.5%), Required Purpose (94.1%):

(a) Intuizi Agreement) to process data we receive from you for the purpose of verification and device authentication across the internet and to better understand your interests for advertising targeting, research, and/or improving our products and services.

Organisational Measure (71.6%), Personal Data (65.7%), Processing (60.5%):

Before sending data to Intuizi, we de-identify all of our data by encrypting any information that is linked or can be reasonably be used by Intuizi or a third party to link to an identified or identifiable consumer (e.g.

Personal Data (95.1%):

no home addresses, driver's license or state identification number, passport information, financial account number, login credentials, payment card information, MAIDs, universal IDs, IP addresses, email addresses or other personal data are sent to Intuizi).

Organisational Measure (69.9%):

Our Intuizi Agreement prohibits Intuizi or any third party from attempting to re-identify the sources of our de-identified data.

Automated Decision Making (81.2%), Legal Basis (80.0%), Processing (91.8%):

If you assert a right provided by our Privacy Policy or applicable State or Federal regulation to confirm, correct, delete, copy, opt-out, revoke consent or otherwise, we observe that request and our actions immediately and automatically flow to our data processed by Intuizi.

Personal Data (99.1%):

Intuizi does not allow personally identifiable information (e.g.

Personal Data (98.7%), Processing (99.6%):

To further enhance privacy protections, Intuizi's platform will not show results derived from de-identified data where the source data could be deemed as sensitive data, including but not limited to data revealing racial or ethnic origin, genetic or biometric data, religious beliefs, physical or mental health status, including gender-affirming treatments and reproductive or sexual health care; sex life or sexual orientation; status as transgender or non-binary; national origin; citizenship or immigration status; genetic or biometric data; data collected from a known child; and geolocation data linked to an identifiable consumer.

Non-Personal Data (71.7%), Required Purpose (78.8%):

Our Intuizi Agreement allows Intuizi to create anonymous data (data that cannot be reasonably linked to an identifiable consumer by anyone, including us) to show on an aggregated basis, including visitation to locations, and application usage.

Contract (92.1%), Organisational Measure (80.0%):

This data cannot be linked to any consumer by any party and Intuizi has contractual and technological limitations to ensure all Intuizi platform data remains anonymous.

Contract (72.0%), Legal Basis (78.8%):

A Lastly, our Intuizi Agreement requires Intuizi to cooperate with us to comply with our obligations with Federal or State privacy and data protection regulations regarding fulfilling consumer rights requests, ensuring data processing security, and conducting data impact assessments.

Legal Basis (98.8%), Processing (67.5%), Right (77.6%):

California Consumer Privacy Act Notice Last updated: 12/2/2014 a This California Consumer Privacy Act Notice explains how we collect, use and disclose personal information relating to California residents covered by the California Consumer Privacy action of 2018 asamended by the California Privacy Rights Act of 2020 (collectively, the aCCPAa).
