

Data Controller (98.2%), Data Subject (90.3%), Personal Data (80.2%), Processing (97.3%), Recipient (64.8%), Required Purpose (73.3%), Retention (74.1%):

dba Fuel Travel Privacy Policy Privacy Policy Introduction We believe the privacy and security of visitors are of paramount importance and we are committed to protecting the data you share with us.

Data Controller (86.7%), Organisational Measure (78.1%), Personal Data (75.9%):

JCH Holdco Inc.

Data Source (76.3%), Personal Data (99.7%), Processing (99.7%):

dba Fuel Travel (FUEL) processes information that can be used to directly or indirectly identify an individual (Personal Data) collected through use of its website and platform.

Not Required Purpose (60.2%), Processing (97.3%):

Any information stored on FUELS platform is treated as confidential.

Authority (60.0%), Organisational Measure (63.8%), Processing (66.8%):

All information is stored securely and is accessed by authorized personnel only.

Organisational Measure (87.9%), Processing (98.1%):

FUEL implements and maintains appropriate technical, security and organizational measures to protect Personal Data against unauthorized or unlawful processing and use, and against accidental loss, destruction, damage, theft or disclosure.

Organisational Measure (63.8%), Third Party (85.5%):

FUEL cannot guarantee that unauthorized third parties will not be able to defeat our security measures.

Consent (73.7%), Processing (97.1%):

Collection and use By downloading and using this App, you consent to the collection and use of your Personal Data as described herein.

Personal Data (78.7%):

You acknowledge that you provide your information at your own risk.

Data Subject (61.9%), Processing (98.6%):

FUEL may collect, record and analyze information of Users of this App.

Personal Data (99.1%), Processing (95.4%), Technical Measure (98.2%):

We may record your IP address and use cookies.

Consent (76.1%), Personal Data (84.9%):

Furthermore, FUEL may collect and process any Personal Data that you volunteer to us in our Apps forms, such as request forms, reservation bookings, and newsletter signup forms.

Data Source (87.9%), Personal Data (83.9%), Processing (99.3%):

If you provide FUEL with your social media details, FUEL may retrieve publicly available information about you from social media.

Personal Data (97.9%):

Such Personal Data may include your IP address, first and last name, full mailing address, email address, telephone number, data for social networks, and your areas of interest for example.

Non-Personal Data (97.0%), Personal Data (97.5%), Processing (99.0%):

FUEL gathers data about usage of the App, including information such as the numbers of users, Geo-location data, length of time spent, and screens viewed.

Personal Data (82.1%):

Users should be aware that in booking a stay at a Property using the App, they could be disclosing information that could make them personally identifiable to Property agents and staff.

Data Subject (92.2%), Recipient (87.7%):

FUEL created this mobile application (App) for use by hotels, resorts, and vacation rental companies (Property) and their guests or potential guests (Users).

Personal Data (98.9%), Processing (80.6%):

The security and privacy protection implemented on the FUEL App and booking systems does not cover this type of transfer or disclosure of personal information.

Processing (99.1%), Required Purpose (99.7%):

Purpose of collecting personal data FUEL uses the collected data to communicate with Users, to customize content for Users, and to improve the Users experience by analyzing how Users navigate the App.

Recipient (93.4%), Required Purpose (98.2%):

Sharing personal data FUEL may also share such information with a Property, service vendors or contractors in order to provide a requested service or transaction or in order to analyze the Users behavior on its App.

Technical Measure (89.9%):

Cookies Cookies are small pieces of information sent by a website to a Users hard disk.

Consent (62.7%), Processing (74.2%):

By continuing to use the App, you agree to the placement of cookies on your device.

Consent (74.5%), Required Purpose (60.1%):

If you choose not to accept our cookies, we cannot guarantee that your experience will be as fulfilling as it would otherwise be.

Required Purpose (87.8%):

We may also place cookies from third parties for functional and marketing purposes.

Legal Basis (82.8%), Retention (92.7%):

Retention and deletion FUEL will not retain data longer than is necessary to fulfill the purposes for which it was collected or as required by applicable laws or regulations.

Retention (80.7%):

For User data, FUEL will have control for collecting data, and the duration for which the Personal Data may be kept.

Legal Basis (91.0%), Retention (68.5%):

When a Propertys account is terminated or expired, all Personal Data collected through the platform will be deleted, as required by applicable law.

Consent (61.2%):

If you do not agree with the terms set out herein, please do not download or use the App.

Organisational Measure (79.3%):

If someone does not agree with this privacy policy, they should refrain from using our App or booking.

Right (85.5%):

We reserve the right to change our privacy policy as necessity dictates.

Consent (66.3%), Processing (82.8%), Required Purpose (74.2%):

Our Legal Obligation to Disclose Personal Information We will reveal a Users personal information without his/her prior permission only when we have reason to believe that the disclosure of this information is required to establish the identity of, to contact or to initiate legal proceedings against a person or persons who are suspected of infringing rights or property belonging to FUEL or to others who could be harmed by the Users activities or of persons who could (deliberately or otherwise) transgress upon these rights and property.

Legal Basis (79.0%):

We are permitted to disclose personal information when we have good reason to believe that this is legally required.
