Consent (74.8%):

Submitting PII through our website is voluntary.

Consent (85.8%):

By doing so, you are giving the Department your permission to use the information for a specific, stated purpose.

Required Purpose (98.7%):

If you choose to provide us with PII through such methods as completing a web form, we will use that information to help us provide you the information or service you have requested.

Legal Basis (89.8%), Processing (94.7%):

We only share the PII you give us with another government agency if your inquiry relates to that agency, or as otherwise required by law.

Third Party (87.3%):

We never create individual profiles or give your PII to any private organizations.

Processing (78.5%):

CBP never collects information for commercial marketing.

Organisational Measure (70.4%), Personal Data (98.8%), Processing (98.5%), Required Purpose (73.9%):

If we store your PII in a record system designed to retrieve information about you by personal identifier (name, personal email address, home mailing address, personal or mobile phone number, etc.), so that we may contact you, we will safeguard the information you provide to us in accordance with the Privacy Act of 1974, as amended (5 U.S.C.

Legal Basis (84.6%):

The Act requires all public-facing sites or forms that request PII to prominently and conspicuously display a privacy notice.

Organisational Measure (73.4%):

For the general contact information that may be submitted through www.cbp.gov, we have completed a Privacy Impact Assessment (PIA) and System of Records Notice (SORN) providing details about the privacy protections and redress options available for the contact information we collect from the public.

Processing (96.2%):

The notice must address the following criteria: Legal authorization to collect information about you; Purpose for which the information will be used; Routine uses for disclosure of information outside of the Department of Homeland Security; Whether your providing the information is voluntary or mandatory under law; and Effects if you choose to not provide the requested information.

Required Purpose (94.0%):

This information may be used to distribute information to you and to perform various administrative tasks.

Organisational Measure (83.0%):

Government may monitor and audit usage of this system, and all persons are hereby notified that use of this system constitutes consent to such monitoring and auditing.

Processing (79.9%):
