INFORMATION COLLECTED AUTOMATICALLY Like many companies, when you visit us online, we may collect certain information automatically from your device.

Processing (99.3%), Technical Measure (99.3%):

Some of this information may be collected through the use of various technologies, including cookies.

Technical Measure (91.6%):

In addition to cookies, we may use other technologies such as web beacons or pixel tags, which can

be embedded in websites, videos, or emails.

Consent (94.0%), Non-Personal Data (98.0%), Personal Data (99.4%):

Examples of information collected by these various technologies may include IP address, browser type and version, operating system and platform, device type, unique device or user identification number, and geographic location.

Non-Personal Data (92.5%):

We may also collect information about how you have interacted with our website, including the pages accessed, links clicked, products and/or content you searched for, date, time and length of visits, and page interactions.

Personal Data (65.3%):

INFORMATION FROM CONNECTED PRODUCTS Connected products that we manufacture may collect information about your use of the products.

Consent (91.1%), Third Party (98.1%):

INFORMATION PROVIDED BY THIRD PARTY You may choose to provide information to a third party through with you access or interact with our website.

Recipient (78.2%), Third Party (98.8%):

Third parties may include service providers, social networks connected to our website, and advertising partners.

Authority (66.6%), Personal Data (96.9%), Third Party (80.1%):

Examples of information collected may include identifiers including your user ID and user name associated with that third party, as well as any information you make public using that third party.

Personal Data (98.7%):

We may also collect information you have authorized the third party to share with us (such as your user ID, billing information, public profile information, email address, birthday, pages you have liked" and other account and profile data).

Consent (69.1%), Non-Personal Data (61.7%), Processing (99.3%), Required Purpose (99.6%):

USE OF INFORMATION We use the information we collect from or about you to provide and improve the services, products, and experiences you receive from us, such as: creating and maintaining accounts; processing, fulfilling, and following up on orders; contacting and communicating with you, including for promotions, updates, and notifications; administering surveys, sweepstakes, contests, and other promotional activities or events; registering products; customizing the advertising you view and evaluating how well the advertising performs; customizing recommendations; operating and optimizing our business and products, such as by conducting

analytics and research; compiling aggregate data for internal and external business purposes; detecting security incidents, preventing potentially fraudulent, illegal or harmful activities and otherwise enforcing our Terms of Use and other policies; permitting the functionality of posting product reviews and questions and answers about products; protecting your and our rights and complying with legal obligations; other uses in accordance with our Terms of Use; and any other purpose that is disclosed to you at the time we collect the information or that is related to a request made by you.

Personal Data (99.5%), Processing (81.0%), Recipient (67.5%), Required Purpose (98.3%):

For example, we share payment information with our third party payment processor to assist us in our billing efforts, email addresses with our marketing service providers to assist with our email campaigns, and IP address, hashed emails, and advertising identifiers with service providers to assist in our advertising and marketing efforts.

Personal Data (88.4%), Recipient (95.3%), Required Purpose (99.5%):

We may share your information with our parent company or affiliate business units to facilitate business requirements.

Required Purpose (79.1%):

For example, we share order and customer information as needed for data processing and storage, making decisions about business strategy, auditing and IT purposes.

Processing (98.4%), Recipient (91.1%), Third Party (98.0%):

BUSINESS TRANSFERS Char-Broil reserves the right to transfer all of your information if we sell all or part of our business, make a transfer of assets, or otherwise might be involved in a change of control transaction, or in the event of bankruptcy, we may transfer information from or about you to one or more third parties as part of the transaction, including the due diligence process.

Consent (76.3%):

THIRD PARTIES WHEN REQUIRED BY LAW OR WHEN NECESSARY TO PROTECT YOUR OR OUR RIGHTS In some instances, Char-Broil, we may disclose information from or about you without providing you a choice.

Consent (80.6%):

PARTIES WITH YOUR CONSENT OR WHEN YOU OTHERWISE CHOOSE TO SHARE We may also share information from or about you with any party when we have your consent or when you otherwise choose to share such information.

Personal Data (99.3%):

We have no control over and are not responsible for the content of those sites or how the third

parties responsible for them collect and use your personal data.

Third Party (93.9%):

We do not endorse or make any representations about third party websites.

Third Party (88.1%):

Third party websites usually have their own privacy policies explaining how they use and share your personal data.

Processing (97.2%):

You should carefully review those privacy policies before you use these websites to make sure that you are happy with how your personal data is being collected and shared.

Organisational Measure (86.1%), Required Purpose (62.1%):

We use a variety of physical, technical, and administrative measures to safeguard information in our possession against loss, theft and unauthorized use, disclosure, and modification.

Legitimate Interest (64.9%):

For example, we take steps to limit access to sensitive information from or about you to those Char-Broil employees, agents, and contractors who have a legitimate business reason to access such information.

Not Required Purpose (82.7%):

CHILDREN Char-Broil does not sell products for purchase by children.

MESSAGING PRIVATE POLICY This Messaging Program Privacy Policy explains how Char-Broil, LLC collects and uses information about you in relation to its text message marketing program (the Messaging Service).

Required Purpose (98.1%):

We use Attentive to provide the Messaging Service to you.

Data Source (70.5%):

COLLECTION OF INFORMATION We collect various information on our behalf from and about you, including information you directly provide when you use the Messaging Service.

Automated Decision Making (62.1%), Personal Data (76.1%):

When you send messages via the Messaging Service, we will also collect your messaging history and any information included in those messages.

Technical Measure (83.7%):

We may also collect information about you using cookies or similar technologies.

Processing (99.2%):

Cookies are pieces of information that are stored by your browser on the hard drive or memory of your device.

Personal Data (99.1%):

If you participate in a contest, sweepstakes, research study, or email survey associated with the Messaging Service, we will collect basic contact information and any other information you choose to provide in connection with these activities.

Required Purpose (99.3%):

USE OF INFORMATION We use your information to deliver, analyze, maintain and support the Messaging Service.

Required Purpose (99.7%):

We may also use your information to enhance the Messaging Service features and customize and personalize your experiences on the Messaging Service.

Processing (72.8%):

SHARING OF INFORMATION We may share, transfer, or disclose your information, if you consent to us doing so, as well as in the following circumstances: Service Providers.

Required Purpose (99.7%):

We may share your information with third parties to help us provide the Messaging Service to you.

Required Purpose (82.9%):

For example, we may disclose your information in the following ways: to protect our legal rights, including those of our affiliates or partners; to protect the safety and security of our customers and consumers or third parties; to enforce our Terms of Use; to protect against fraud; and to comply with or respond to the law or legal process or a request for cooperation by a government entity, whether or not legally required.

Authority (70.0%), Legal Basis (63.4%), Required Purpose (84.1%):

We may disclose your information as we believe such disclosure is necessary or appropriate to: (i) comply with applicable law and legal processes; (ii) respond to requests from public and government authorities, including public and government authorities outside your country of residence; (iii) enforce a contract with us; (iv) protect our rights, privacy, safety, or property, and/or that of our affiliates, you or others; and (v) allow us to pursue available remedies or limit the damages that we may sustain.

Non-Personal Data (74.6%), Third Party (97.1%):

From time to time, we may share aggregate or de-identified information about use of the Messaging Service and such aggregated or de-identified information may be shared with any third party, including advertisers, promotional partners, and sponsors.

Organisational Measure (83.6%), Required Purpose (87.6%):

PROTECTION OF INFORMATION We take a variety of physical, technical, administrative, and organizational security measures based on the sensitivity of the information we collect to protect your information against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure or access.

Processing (95.2%), Retention (96.9%):

RETENTION OF INFORMATION We retain your information for as long as you participate in the Messaging Service or as needed to comply with applicable legal obligations.

Required Purpose (77.6%):

We will also retain and use your information as necessary to resolve disputes, protect us and our customers, and enforce our agreements.

Automated Decision Making (75.7%):

CHOICES AND CONTROLS Consent to receive automated marketing text messages is not a condition of any purchase.
