Sherwin-Williams Switch Languages The Sherwin-Williams Company Privacy Policy Last Updated:

July 1, 2024 To view our California Privacy Notice, please click [here](#).

Personal Data (74.0%), Processing (99.6%), Retention (65.8%), Technical Measure (82.7%), Third Party (62.7%):

This Privacy Policy governs information collected by Sherwin-Williams or its Affiliates (as hereinafter defined), by any means, including, but not limited to, websites, mobile applications, and other online services that refer or link to this Privacy Policy, as well as information collected by other business functions of Sherwin-Williams, such as through our stores, customer loyalty programs or when you speak with a customer service representative (collectively, the Services).

Consent (94.3%), Organisational Measure (70.9%), Personal Data (86.6%), Required Purpose

(95.0%):

It is important that you read this Privacy Policy carefully because anytime you use our Services you consent to the practices we describe in this Privacy Policy.

Consent (77.3%), Legal Basis (80.7%), Organisational Measure (66.2%), Right (94.7%):

As permissible by law, Sherwin-Williams reserves the right to make changes to this Privacy Policy.

Art. 16 Right to rectification (66.5%), Consent (98.3%), Organisational Measure (73.3%):

If changes are made, updates will be reflected by the Last Updated date at the top of this Privacy Policy.

Organisational Measure (87.4%):

These changes will take effect immediately upon posting.

Organisational Measure (69.8%), Personal Data (96.4%):

By continuing to use the Services following such changes, you will be deemed to have agreed to such changes.

Third Party (99.5%):

We are not responsible for the security or privacy of any information collected by such third parties.

Legal Basis (99.6%):

We may collect additional information about you in accordance with applicable law.

Legal Basis (93.8%), Processing (99.0%):

The manner of our collection, the type of information collected, and the processing of such information may vary by jurisdiction to accommodate local legal requirements.

Personal Data (98.9%), Required Purpose (85.0%):

Information you provide us directly We collect information directly from you when you choose to register for our Services (for example, when you register for one of our loyalty programs), make a purchase, sign up to enter a promotion, submit your zip/postal code to learn more about stores near you, or otherwise provide information directly to us.

Personal Data (97.6%):

E-mail address, physical address and/or zip/postal code, and phone number.

Personal Data (99.5%):

Age or birthdate, gender, occupation, organization name, job title and other demographic information.

Non-Personal Data (91.7%):

Other information about you, your family or others (such as product interests and where you typically shop for paint and coatings products).

Processing (77.9%), Required Purpose (81.6%):

Other information provided when you contact us for customer support purposes.

Processing (89.7%), Technical Measure (99.5%):

Information we collect when you use our Services or view our online advertisements We collect information about your computer or device and your online activity, including using standard Internet technologies, such as cookies, pixels, web beacons, software development kits, local stored objects, and other similar technologies.

Art. 17 Right to erasure (right to be forgotten) (67.7%), Non-Personal Data (95.2%), Processing (92.4%), Required Purpose (95.8%), Technical Measure (95.1%), Third Party (87.4%):

The following are examples of the types of information that we collect, track, analyze, and use: Your browser type, operating system and your push notification token.

Non-Personal Data (72.8%), Required Purpose (84.5%):

Your browsing behavior on our Services, such as when and how you visit our websites or other Services, the amount of time spent viewing our online Services, the buttons and links you click, videos you watch, and where you scroll within our online Services, the search terms that you enter into our website, and the form submissions, purchases and transactions you make through the Services.

Processing (97.5%):

Text or other messages sent or shared through chat or chatbot services.

Authority (79.3%), Data Source (85.3%), Processing (98.9%):

Additional information we may collect about you We may receive information about you from publicly and commercially available sources in accordance with applicable law.

Consent (73.8%), Third Party (98.7%):

In addition, we collect other information you allow a third party to provide to us.

Processing (97.7%), Required Purpose (97.0%):

All the information we collect about you may be combined to help us enhance and improve our products and services and tailor our communications to you.

Consent (61.4%), Processing (95.4%), Required Purpose (98.6%):

Back to top Use of Information We use the information we collect about you: To provide you with services, products, or other materials you request (for example, completing a purchase, completing your registration for a loyalty program and sending you product samples).

Required Purpose (92.5%):

To communicate with or advertise to you, including about our products, services, policies, and promotions.

Required Purpose (92.6%), Third Party (78.1%):

To customize your experience with our Services, including by providing you with relevant advertising on our Services and elsewhere, such as on other websites and social media services and networks.

Required Purpose (98.7%):

To manage and improve your shopping experiences and our products, Services and offerings, including analyzing the use of our products and services, and determining the effectiveness of our advertising.

Required Purpose (98.2%), Right (95.0%):

To protect the security and integrity of our Services, as well as address information security and/or privacy issues, debug and detect security incidents or abnormalities, fulfill, respond to, and document privacy rights requests, network functioning, and troubleshooting.

Required Purpose (90.7%):

To conduct internal analyses, such as surveys, studies, market research, monitoring or analyzing trends, usage and activities.

Legal Basis (98.2%), Required Purpose (72.6%):

To comply with Sherwin-Williams' policies, industry standards and applicable laws, regulations or legal processes.

Processing (99.0%):

Back to top Sharing of Information Sherwin-Williams may disclose or share your information in the following circumstances: Affiliates.

Required Purpose (97.3%):

We share information within Sherwin-Williams among our various businesses and companies with which we share common control (together, our Affiliates), including, for example, to provide you with our product and service improvements.

Contract (93.2%), Recipient (66.0%), Third Party (93.0%):

We rely on third-party service providers to perform a variety of contractual services on our behalf.

Recipient (69.5%):

To do so, we may need to share your information with them.

Personal Data (70.6%), Required Purpose (97.3%):

For example, we may rely on service providers to fulfill our product and service requests, process your credit card and other payments, answer your questions, send e-mails on our behalf, and

analyze data to improve our products and services.

Personal Data (73.7%):

Please see Your Choices & Rights in Your Information below for information about the choices you may have in relation to our use of your information.

Legal Basis (79.0%), Legitimate Interest (89.3%), Third Party (85.7%):

There may be instances when we disclose your information to other parties: To comply with the law or respond to legal process or a request for cooperation by a government entity.

Required Purpose (97.6%):

To prevent fraud or verify and enforce compliance with the policies governing our Services.

Processing (61.2%), Recipient (68.0%), Required Purpose (60.5%):

Our Services may link to third-party websites and services that are outside our control.

Third Party (85.9%):

Other Parties When Required by Law or as Necessary to Protect Our Services.

Consent (85.0%):

Other Parties In Connection With A Proposed or Completed Corporate Transaction.

Consent (69.3%):

Other Parties With Your Consent At Your Direction.

Processing (98.4%):

In addition to the disclosures described in this Privacy Policy, we may share information about you with third parties when you consent to or request such sharing.

Processing (60.1%), Required Purpose (93.1%):

We also may share data in a manner that does not identify you (for example, information that has been aggregated with other records) for general business purposes.

Technical Measure (98.3%):

By using our online Services, you are consenting to our use of tracking technologies as described in this Privacy Policy.

Organisational Measure (77.5%):

When you use a web browser to access the Services, you may configure your browser to accept all cookies, reject all cookies, or notify you when a cookie is sent.

Technical Measure (83.0%):

The operating system of your device may contain additional controls for cookies.

Data Subject (64.5%), Processing (99.0%):

Do-Not-Track Signals and Similar Mechanisms Some web browsers may transmit do-not-track

signals to the websites and other online services with which a user communicates.

Organisational Measure (80.3%):

If and when a standard is established and accepted, Sherwin-Williams may revisit its policy on responding to these signals.

Art. 17 Right to erasure (right to be forgotten) (82.2%), Required Purpose (94.2%):

We may use pixels, for example, to count the number of users who have visited a particular web page, to deliver or communicate with cookies, and to understand usage patterns.

Required Purpose (99.5%):

We also may include pixels in e-mails to understand whether messages have been opened, acted on, or forwarded.

Required Purpose (93.8%), Technical Measure (74.5%):

Some use SDKs to associate app user activity to a particular app and to track user activity across apps and/or devices.

Third Party (97.8%):

SDKs are blocks of code that may be installed in our mobile application by third party companies with which we work.

Non-Personal Data (75.1%), Personal Data (88.4%), Required Purpose (84.3%):

SDKs help us understand how you interact with our mobile application and collect certain information about the device and network you use to access our application, such as the advertising identifier associated with your device and information about how you interact with our application.

Required Purpose (92.4%):

Performance Help us measure and understand how visitors interact with the online Services, our content, and any issues encountered to help us improve the performance of the Services.

Required Purpose (92.7%):

For example, these Cookies gain insight into how visitors use our websites so we can make improvements to usability and content.

Personal Data (76.9%), Required Purpose (93.1%):

Functionality Allow our online Services to remember choices you make (such as your user name, language, or the region you are in) to provide a more personalized online experience.

Personal Data (91.0%), Processing (72.4%):

In the event of any inconsistencies between the English-language version of this Privacy Policy and any local language version that we make available, the English-language version will prevail.

Required Purpose (87.7%):

Click the Help menu of your browser to learn more about how to change your cookie preferences.

Processing (99.5%), Required Purpose (94.0%):

Targeting/Advertising Help us and third parties provide you with relevant content and advertising by collecting information about your use of our Services and other websites and online services.

Processing (86.0%), Required Purpose (80.6%):

These Cookies may be used to deliver targeted advertising or to limit the number of times you see an advertisement.

Required Purpose (93.2%):

They also help us measure the effectiveness of ad campaigns.

Retention (79.4%):

Session Cookies terminate shortly after you terminate your internet session.

Retention (97.7%):

Persistent Cookies are stored on your device until a set expiration date.

Third Party (64.5%):

Back to top Third Parties That Provide Content or Functionality on Our Services Some of the content and functionality on our Services is provided by third parties that are not affiliated with us.

Third Party (67.1%):

Back to top Cookies, Pixels, and Other Internet Technologies We, as well as certain third parties, including those that provide content and other functionality on our Services, may use cookies, pixels (i.e., through a Meta/Facebook pixel), web beacons and other similar technologies on our online Services (referred to collectively as Cookies) and the information collected from such technologies.

Automated Decision Making (95.0%):

These and other social networking services may automatically collect information from or about your use of our Services when you use our Services while logged into the social networking services.

Third Party (93.1%):

We also offer online chat features that are supported by vendors - when you use these features, you are sharing information you provide in the chat with the vendor as well as with us.

Required Purpose (77.9%):

Some of these companies participate in industry-developed programs designed to provide consumers choices about whether to receive targeted advertising.

Required Purpose (99.7%), Technical Measure (98.4%):

Further information in local languages may be available at that site.) Our Services, including our websites, use analytics technology provided by Google Analytics to understand how users interact

with the sites, improve our web experience, and better market our products.

Consent (96.9%), Technical Measure (69.0%):

You may exercise choices regarding the use of Cookies from Google Analytics by going to <https://tools.google.com/dlpage/gaoptout> or downloading the Google Analytics Opt-out Browser Add-on.

Personal Data (99.7%), Processing (83.7%), Scale Non-EU (95.1%):

Back to top International Transfer of Data Sherwin-Williams and its service providers may collect, transfer, store and process your personal information outside of your country of residence, including to the United States.

Legal Basis (80.9%):

Please note that other countries data protection and other laws may not be as comprehensive as those in your country.

Legal Basis (98.7%), Organisational Measure (77.0%), Processing (87.9%):

In accordance with applicable law, we implement measures such as standard data protection clauses to ensure that any transferred personal information remains protected and secure.

Legal Basis (98.6%):

Back to top Collection of Information From Children We do not knowingly collect personal information online from children as defined by local law.

Personal Data (84.4%):

If we learn that a child has provided us with personal information, we will delete it or otherwise comply with applicable law.

Legal Basis (91.7%), Third Party (79.5%):

Where permitted by law, to protect the rights, property, or safety of Sherwin-Williams, or any of our respective affiliates, business partners, customers or employees.

Personal Data (67.6%):

You may also contact us at Global Privacy Portal for information about how to remove yourself from any of our mailing lists Postal mail: If you no longer wish to continue receiving commercial postal mailings from a particular Sherwin-Williams brand or group, you may follow the instructions or use the contact information contained in any such message.

Required Purpose (79.5%):

Please note that, despite your opt-out selections, where permitted by applicable laws, we may send you communications regarding transactions or services you have specifically requested or to inform you of important changes to our Services, products or policies.

Art. 16 Right to rectification (61.8%), Legal Basis (90.6%):

For example, local law may afford you the right to access, update, restrict, oppose, erase, port and/or correct inaccuracies in your personal information under our control, subject to certain exceptions prescribed by law.

Art. 16 Right to rectification (75.5%):

How We Use These Technologies Our online Services use these technologies for the following general purposes: Type of Cookie What Do They Do Examples Required Enable our online Service to work correctly.

Required Purpose (86.0%), Right (89.7%):

To enforce our legal rights.

Legal Basis (92.3%):

We will respond to requests in accordance with applicable law and subject to legal and contractual restrictions.

Organisational Measure (83.0%):

Back to top Information Security & Retention We have in place various procedures to safeguard your information, including technical, administrative and physical procedures intended to keep your information secure.

Processing (92.7%), Retention (93.5%):

In addition, we take steps to retain information about you only for so long as is necessary for the purpose for which it was collected, as required under contract, or as required by or permissible under applicable law.

Organisational Measure (79.7%):

Cleveland, OH 44115 Back to top Changes to This Privacy Policy in the Future Privacy laws and guidelines are part of a constantly changing environment.

Organisational Measure (76.0%):

We recommend that you revisit this Privacy Policy periodically to ensure that you are aware of our current privacy practices, although we may also elect to notify you by e-mail or by posting something on some or all of our Services.

Organisational Measure (71.8%):

Your continued use of our Services following any changes signifies your acceptance of these changes.

Personal Data (99.7%):

Aggregated and Non-Personal Information.

Processing (88.7%), Recipient (66.9%), Retention (66.1%):

COLLECTION, USE & DISCLOSURE OF PERSONAL INFORMATION In the past 12 months, we have collected PI about US Consumers and California B2B Contacts, and may have disclosed such PI with our affiliates, service providers, and contractors as described in the table below.

Legal Basis (94.8%), Personal Data (71.1%):

Back to top Jurisdiction-Specific Disclosures Residents of the United States This Notice supplements the other parts of our Privacy Policy, and provides additional information for US consumers (Consumers) as well as California residents who interact with us in the course of their work for another company (B2B Contacts).

Personal Data (99.2%):

The following are examples of information you may provide us directly: Name.

Personal Data (99.6%), Required Purpose (90.4%):

Code 1798.80(e)) Name, postal address, telephone number, signature, online identifier Internet Protocol (IP) address, email address, driver's license number, social security number (SSN collection limited to credit account applications), employment, employment history, bank account number, credit card number, debit card number, or other financial information Directly from you, public information, Affiliates, service providers, third parties, automatically when you use our Services We use this information for the Business Purposes of: auditing related to interactions and transactions; detecting security incidents and protecting against fraud; debugging or repair of systems; short-term transient use (for example, contextual advertising); providing services; internal tech research; and quality and safety control.

Required Purpose (98.4%):

To comply with corporate governance functions such as audits.

Third Party (96.2%):

Marketing service providers (such as ad networks, ISPs, analytics providers), service providers that otherwise help us to run our business, government entities, operating systems and platforms, social networks, collections agencies and financial institutions.

Personal Data (98.7%), Required Purpose (73.5%):

Commercial Information Purchase history, real estate ownership records, consuming histories or tendencies Directly from you, public information, Affiliates, service providers, third parties, automatically when you use our Services We use this information for the Business Purposes of: short-term transient use (for example, contextual advertising); and providing services.

Personal Data (97.0%):

Internet or Other Electronic Network Activity Information Browsing history, search history, information regarding interactions with our websites or advertisements Directly from you, public information, Affiliates, service providers, third parties, automatically when you use our Services We use this information for the same purposes listed above for Identifiers.

Consent (84.2%), Personal Data (67.5%):

Geolocation Data Physical location, movements Our mobile applications collect geolocation information when you authorize that collection.

Personal Data (79.0%):

We may also infer your geolocation from your IP address.

Required Purpose (88.2%):

We use this information for the Business Purposes of: short-term transient use (for example, contextual advertising); providing services; and internal tech research.

Legal Basis (99.1%), Personal Data (97.7%), Processing (92.4%):

Audio, electronic, Visual, Thermal, Olfactory, or Similar Information Audio recordings of customer service calls, CCTV footage Customer service calls are sometimes recorded, with customers notified at the beginning of the call.

Required Purpose (81.3%):

CCTV footage is collected for security purposes only at certain facilities, where notification signs are posted indicating this collection.

Third Party (66.6%):

Government entities, security service providers, service providers that otherwise help us to run our business.

Required Purpose (95.7%):

Professional or Employment-Related Information Professional information such as your occupation and employer Directly from you, public information, Affiliates, service providers, third parties We use this information for the Business Purposes of providing services and internal tech research.

Personal Data (99.2%), Required Purpose (92.1%):

In addition, if you apply for a credit card account with us, we may collect your employment information to enable us to provide services to you by performing the appropriate credit check and issuing your credit account.

Legal Basis (93.2%), Personal Data (93.2%), Required Purpose (97.6%), Retention (95.2%):

Among the categories of personal information listed above, the following categories of personal information we collect may be considered sensitive under some state privacy laws: Category of

Sensitive Personal Information Categories of Sources Purposes for Collection Disclosures to Service Providers and Contractors Personal Information that reveals your Social Security Number or drivers license Directly from you To extend a line of credit To process transactions related to equipment rentals Service providers that help us to run our business Personal Information that reveals an account log-in, financial account, debit card, or credit card number in combination with any required security or access code, password, or credentials allowing access to an account Directly from you To extend a line of credit Service providers that help us to run our business Personal Information that reveals your precise geolocation (location within a radius of 1,850 feet) Our mobile applications collect geolocation information when you authorize that collection Locating a store or providing other, similar services Internal tech research Service providers that help us to run our business HOW LONG WE KEEP YOUR PERSONAL INFORMATION We keep the categories of PI described above for as long as is necessary for the purposes described in this Policy or otherwise authorized by law.

Personal Data (99.3%):

Username or password.

Personal Data (91.8%):

For example, these Cookies may enable you to store your sign-in credentials and preferences so that you dont have to enter those credentials and preferences each time you log on.

Legal Basis (95.2%), Required Purpose (94.6%), Retention (81.2%):

This generally means holding the information for as long as one of the following apply: Your PI is reasonably necessary to manage our operations, to manage your relationship with us, or to satisfy another purpose for which we collected the information; Your PI is reasonably necessary to carry out a disclosed purpose that is reasonably compatible with the context in which the PI was collected; The information is reasonably required to protect or defend our rights or property (which will generally relate to applicable laws that limit actions in a particular case); or We are otherwise required or permitted to keep your information by applicable laws or regulations.

Personal Data (83.0%):

This Notice applies to Personal Information or PI which means information that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, with you.

Retention (89.0%):

Where PI is used for more than one purpose, we will retain it until the purpose with the latest period expires.

Legal Basis (89.8%):

Although we do not sell Personal Information in exchange for money, some of the ways in which we share PI for targeted advertising may be considered sales or sharing under some US state privacy laws.

Legal Basis (81.2%):

Our uses of Personal Information are not considered sales under Nevada law.

Authority (91.1%), Legal Basis (95.4%), Processing (71.0%):

Category of Personal Information Type of Disclosure Categories of Third Parties to Which the INformation Was Sold or Shared Identifiers Transferred to third parties for cross-context behavioral advertising Ad networks, search and social media platforms, and other online advertising partners Customer Records Commercial Information Internet or Other Electronic Network Activity Information Geolocation Data Inferences CALIFORNIA PRIVACY RIGHTS Under the California Consumer Privacy Act (California Civil Code Section 1798.100, et seq.), as amended by the California Privacy Rights Act (California Civil Code Section 1798.100, et seq.) (CCPA), California residents have certain rights they may exercise either independently or through an authorized agent.

Required Purpose (61.9%):

If you submit a request to know, request to delete or request to correct, you will be asked to log into your account or to provide 2-3 pieces of PI that we will match against our records to verify your identity.

Organisational Measure (84.7%):

Authorized Agents may submit requests on behalf of Consumers by following these steps and providing appropriate documentation.

Personal Data (63.0%), Processing (72.4%):

The categories of PI we have collected about you, including: The categories of sources from which the PI was collected Our business or commercial purposes for collecting, selling, or sharing PI The categories of third parties to which we disclose PI The categories of PI that we sold, and for each category identified, the categories of third parties to which we sold that particular category of PI The categories of PI that we disclosed for a business purpose, and for each category identified, the categories of recipients to which we disclosed that particular category of PI The specific pieces of PI we have collected about you.

Right (70.1%):

Right to Know You have the right to request that we provide you with the following information.

Consent (95.5%):

To opt-out, please click on the Do Not Sell or Share My Personal Information link on the homepage of the Sherwin-Williams website(s) you visit and move the indicated toggle to off. If you choose to use a browser-based opt-out signal (such as the Global Privacy Control (GPC)), you will be opted out of cookie-based sales and sharing of Personal Information for each of our websites you visit with the signal enabled.

Required Purpose (91.4%):

Under the CCPA, we may decline to delete your PI under certain circumstances for example, if we need the PI to complete transactions or provide services you have requested or that are reasonably anticipated, for security purposes, for legitimate internal business purposes, to comply with law, or to exercise or defend legal claims.

Organisational Measure (92.7%):

Where we use deidentification to satisfy a deletion request, we commit to maintaining and using the information in deidentified form and will not attempt to reidentify the information.

Art. 18 Right to restriction of processing (66.3%):

Right to Limit Use and Disclosure of Sensitive Personal Information We do not use or disclose Sensitive Personal Information for purposes to which the right to limit use and disclosure applies under the CCPA.

Consent (66.3%), Required Purpose (60.5%):

NOTICE OF FINANCIAL INCENTIVE Our PaintPerks rewards program provides benefits such as rewards points and discounts to those who choose to participate.

Personal Data (76.7%):

Category of PI Examples of PI Sources of PI Purpose for PI Collection Disclosures to Affiliates, Service Providers and Contractors Identifiers and Customer Records (This category includes Personal Information described in Cal.

Personal Data (94.9%):

Participation requires you to provide some PI, such as Identifiers, Customer Records, and Commercial Information.

Required Purpose (74.5%):

The incentives associated with our rewards program are designed to reward loyal customers based on the volume of products and services they purchase from us.

Required Purpose (62.4%):

We may collect information about you when you use our Services, make purchases, or view our online advertisements.

Scale Non-EU (86.6%):

States This section supplements the other parts of our Privacy Policy and provides additional information for consumers who reside in US States other than California.

Personal Data (97.4%):

MAKING A PRIVACY RIGHTS REQUEST If you would like to make a request relating to your Personal Information, please use our Global Privacy Portal or call 1-844-835-4134.

Organisational Measure (73.6%):

Please follow the instructions on our Global Privacy Portal and promptly respond to any follow-up inquiries so that we may confirm your identity.

Required Purpose (70.8%):

For example, if you choose to access or use social networking services, we may receive and store information that you share with us through those services.

Art. 17 Right to erasure (right to be forgotten) (79.4%):

Deletion.

Required Purpose (69.3%):

You may opt out of the following uses of your Personal Information: (a) targeted advertising; (b) the sale of Personal Information; and (c) profiling in furtherance of decisions that produce legal or similarly significant effects concerning your economic situation, health, personal preferences, interests, reliability, behavior, location, or movements.

Legal Basis (67.5%):

We do not sell Personal Information in exchange for money or engage in practices that qualify as profiling producing legal or similarly significant effects under applicable state privacy law.

Required Purpose (97.0%):

LOYALTY PROGRAM DISCLOSURES FOR COLORADO RESIDENTS The purpose of this section is to notify Colorado consumers of how we use Personal Information in connection with your participation in our PaintPerks loyalty program.

Required Purpose (73.9%):

You have the right to delete your Personal Information associated with your PaintPerks account; however if you delete your Personal Information, we will be unable to link your rewards to your account, and therefore you will be unable to receive benefits from the program.

Processing (96.8%):

We may disclose your information to a third party in the event we sell or transfer all or a portion of a business or our assets to a third party, such as in connection with a merger or in the event of a

bankruptcy reorganization or liquidation.

Required Purpose (99.1%):

Residents of any European Union Member State The legal bases for our processing activities are as follows: For our legitimate business purposes, including: to provide you with services, products, or other materials you request (for example, completing your registration for a loyalty program and sending you product samples) and to customize your experience with our Services; to manage and improve your shopping experiences and our products, Services and offerings, including analyzing the use of our products and services, and determining the effectiveness of our advertising; and to protect the security and integrity of our Services.

Authority (94.7%), Required Purpose (95.3%):

To perform our contract(s) with you, including processing your purchases and transactions, To meet our legal obligations, for example: for audit and reporting purposes; to perform accounting and administrative tasks; to respond to requests for information by competent public bodies and judicial authorities; and to enforce our legal rights and to enforce or manage legal claims.

Required Purpose (70.2%):

On the basis of your consent: to send you direct marketing messages about our products, services, and promotions; and to deliver targeted advertisements to you, both on and off the Services, including by using cookies and similar technologies, as explained below.

Consent (87.9%):

You have the right to withdraw from the financial incentive at any time by cancelling your participation in the rewards program.

Consent (80.5%):

If you withdraw certain consents, we may no longer be able to offer related services.

Authority (91.0%), Lodge Complaint (78.7%):

You may lodge a complaint with a supervisory authority if you consider that our processing of your personal information infringes applicable law.

Third Party (88.0%):

Our Services may use web analytics services, such as Google Analytics, which are provided by Google, Inc.

Third Party (96.4%):

and other third party providers.

Required Purpose (99.5%):

These services use cookies to help analyze how visitors use online services.

Processing (95.6%), Scale Non-EU (68.1%):

The information generated by the cookies about your use of the online services (including your IP address) will be transmitted to and stored by these providers, including outside the EU in third countries such as the United States which might not have data protection and other laws that are as comprehensive as those in your country.

Personal Data (98.3%):

IP address and/or device ID.

Third Party (84.8%):

If your IP address is not truncated through IP-anonymization, then the full IP address may be transferred to third party providers non-EU servers.

Required Purpose (99.4%):

These providers may use this information for the purpose of evaluating your use of the websites, compiling reports on website activity for website operators and providing other services relating to website activity and Internet usage.

Legitimate Interest (73.2%), Right (60.0%):

25,326, as amended, you can exercise your right of access every 6 months free of any charge, or more often if you have a legitimate interest to exercise such right, by providing us with any proof of your identity.

Organisational Measure (62.8%):

Besides the right of access, any Argentine resident can exercise their amendment, update or cancelation rights at any time free of any charge by providing us with any proof of identity.

Required Purpose (92.3%), Retention (81.8%), Right (76.4%):

The exercise of the rights of access, amendment, update or cancelation can be denied by us if it is needed to: (i) protect the national security, the institutional order, the public safety or third party rights; or (ii) avoid the obstruction of justice in judicial or administrative case files related to tax obligations, social security obligations, public health, criminal investigations and administrative infraction investigations as long as there is an order in the corresponding case file to avoid the exercise of any of the aforementioned rights by the data subject.
