Required Purpose (62.5%), Right (70.4%):

It explains what these technologies are and why we use them, as well as your rights to control our use of them.

Data Controller (81.2%), Processing (98.2%):

Please use the menu at the top of the page to view our products.

Personal Data (99.7%), Processing (98.4%):

In some cases we may use cookies to collect personal information, or that becomes personal information if we combine it with other information.

Processing (82.9%), Required Purpose (87.3%), Third Party (65.9%):

Cookies are widely used by website owners in order to make their websites work, or to work more efficiently, as well as to provide reporting information.

Third Party (98.5%):

Cookies set by parties other than us are called "third party cookies".

Required Purpose (93.5%):

Some cookies are required for technical reasons in order for our Websites to operate, and we refer to these as "essential" or "strictly necessary" cookies.

Required Purpose (85.5%):

Other cookies also enable us to track and target the interests of our users to enhance the experience on our Websites.

Processing (95.7%), Required Purpose (95.2%), Third Party (99.4%):

Third parties serve cookies through our Websites for advertising, analytics and other purposes.

Consent (80.2%), Right (63.5%):

You have the right to decide whether to accept or reject cookies.

Right (63.4%):

You can exercise your cookie rights by setting your preferences.

Consent (96.3%), Required Purpose (65.2%):

If you choose to reject cookies, you may still use our Websites though your access to some functionality and areas of our Websites may be restricted.

Consent (78.5%):

You may also set or amend your web browser controls to accept or refuse cookies.

Technical Measure (62.2%):

Cookies set by us are called "first party cookies".

Required Purpose (92.5%):

Essential Website Cookies: These cookies are strictly necessary to provide you with services available through our Websites and to use some of its features, such as access to secure areas.

Required Purpose (84.5%):

Performance and functionality cookies: These cookies are used to enhance the performance and functionality of our Websites but are non-essential to their use.

Non-Personal Data (71.6%), Required Purpose (99.4%):

Analytics and customisation cookies: These cookies collect information that is used either in aggregate form to help us understand how our Websites are being used or how effective our marketing campaigns are, or to help us customise our Websites for you.

Required Purpose (82.3%):

Advertising cookies: These cookies are used to make advertising messages more relevant to you.

Required Purpose (88.8%):

They perform functions like preventing the same ad from continuously reappearing, ensuring that ads are properly displayed for advertisers, and in some cases selecting advertisements that are

based on your interests.

Required Purpose (90.0%):

Social networking cookies: These cookies are used to enable you to share pages and content that you find interesting on our Websites through third party social networking and other websites.

Required Purpose (90.1%):

Third party cookies enable third party features or functionality to be provided on or through the website (e.g., advertising, interactive content, and analytics).

Required Purpose (85.4%):

Cookies are not the only way to recognize or track visitors to a website.

Technical Measure (98.5%):

What about other tracking technologies, like web beacons?

Technical Measure (74.4%):

Cookies are small data files that are placed on your computer or mobile device when you visit a website.

Required Purpose (77.9%):

These are tiny graphics files that contain a unique identifier that enable us to recognise when someone has visited our Websites or opened an e-mail including them.

Required Purpose (92.7%):

The parties that set these third-party cookies can recognise your computer both when it visits the website in question and also when it visits certain other websites.

Required Purpose (99.3%):

This allows us, for example, to monitor the traffic patterns of users from one page within a website to another, to deliver or communicate with cookies, to understand whether you have come to the website from an online advertisement displayed on a third-party website, to improve site performance, and to measure the success of e-mail marketing campaigns.

Required Purpose (96.3%):

In many instances, these technologies are reliant on cookies to function properly, and so declining cookies will impair their functioning.

Processing (75.2%), Required Purpose (91.8%):

Websites may also use so-called "Flash Cookies" (also known as Local Shared Objects or "LSOs") to, among other things, collect and store information about your use of our services, fraud prevention and for other site operations.

Required Purpose (99.8%):

Third parties may serve cookies on your computer or mobile device to serve advertising through our Websites.

Required Purpose (99.5%):

These companies may use information about your visits to this and other websites in order to provide relevant advertisements about goods and services that you may be interested in.

Processing (70.9%), Required Purpose (95.7%), Technical Measure (95.1%):

They may also employ technology that is used to measure the effectiveness of advertisements.

Required Purpose (96.3%):

This can be accomplished by them using cookies or web beacons to collect information about your visits to this and other sites in order to provide relevant advertisements about goods and services of potential interest to you.

Personal Data (93.8%), Processing (98.5%):

The information collected through this process does not enable us or them to identify your name, contact details or other details that directly identify you unless you choose to provide these.

Scale EU (62.8%):
