Right (92.0%):

In order to fully understand your rights we encourage you to read this Privacy Policy.

Organisational Measure (73.1%):

Charity Dynamics reserves the right at any time and without notice to change this Privacy Policy simply by posting such changes on our Site.

Consent (93.6%), Personal Data (99.3%), Processing (99.6%):

Because we want to demonstrate our commitment to your privacy, this Privacy Policy notifies you of; What personally identifiable information of yours is collected through the Site; Who collects such information; How such information is used; With whom your information may be shared; What choices you have regarding collection, use and distribution of your information; What kind of security procedures are in place to protect the loss, misuse or alteration of information under our control; and, how you can correct any inaccuracies in your information.

Data Subject (87.3%), Personal Data (99.5%):

What Information We Collect and How We Use That Information: Our registration forms require users to give us contact information that may include name, email address, company, job title, phone, interests, and similar information.

Personal Data (98.9%), Processing (99.1%):

We do not request or store sensitive information from our visitors, such as credit card or social security numbers.

Data Source (68.0%), Personal Data (95.4%):

Internet Protocol Address: We collect an IP address from all visitors to our Site.

Automated Decision Making (96.0%):

An IP address is a number that is automatically assigned to your computer when you use the Internet.

Personal Data (99.7%):

We use IP addresses to help diagnose problems with our server, administer our Site, analyze trends, track users movement, gather broad demographic information for aggregate use in order for us to improve the site, and deliver customized, personalized content.

Required Purpose (95.7%), Technical Measure (98.1%):

Use of Cookies: Our Site may use cookies to enhance your experience while using our Site.

Processing (98.8%):

Cookies are pieces of information that some websites transfer to the computer that is browsing that Web site and are used for record-keeping purposes at many websites.

Consent (77.9%), Personal Data (84.7%):

Use of cookies makes web-surfing easier by performing certain functions such as saving your passwords, your personal preferences regarding your use of the particular website and to make sure you dont see the same ad repeatedly.

Technical Measure (76.4%):

Your browser is probably set to accept cookies.

Consent (94.0%):

If you choose to have your browser refuse cookies, it is possible that some areas of our Site will not function properly when you view them.

Personal Data (94.4%), Required Purpose (98.4%):

Security: We restrict access to personal information collected about you at our website to our employees, our affiliates employees, those who are otherwise specified in this Policy, or others who need to know that information to provide services to you or in the course of conducting our business operations or activities.

Organisational Measure (93.2%):

While no website can guarantee security, we maintain appropriate physical, electronic, and

procedural safeguards to protect your personal information collected via the website.

Organisational Measure (92.4%):

We protect our databases with various physical, technical and procedural measures and we restrict access to your information by unauthorized persons.

Organisational Measure (82.0%):

For information specifically regarding data points that we retain from Facebook or information regarding removal of Facebook data from one of our Boundless Mobile apps, please see our Boundless Fundraising Privacy Policy below.

Processing (98.4%):

Inside Charity Dynamics, data is stored in password-controlled servers with limited access.

Personal Data (97.0%):

Tell-A-Friend: If a user elects to use our referral service for informing a friend about our Site, we ask them for the friends name and email address.

Processing (99.5%):

Charity Dynamics stores this information for the sole purpose of sending this one-time email.

Required Purpose (88.0%):

Contacting the Website: If you have any questions about this Privacy Policy, the practices of this Site, or your dealings with this Site, you can contact: Charity Dynamics 6300 Bridge Point Parkway, Ste 240 Austin, TX, 78730 You can also send an email to: info@charitydynamics.com Boundless Fundraising Privacy Policy Introduction: Boundless Fundraising is an application that allows you to easily let your friends and family know about your participation in non-profit events and allow said family and friends to more easily support you with donations.

Personal Data (78.5%):

What This Privacy Policy Covers: This privacy policy covers user rights and data information pertaining to the Boundless Fundraising application provided by Charity Dynamics.

Technical Measure (61.8%), Third Party (79.6%):

It does not apply to third-party entities that Charity Dynamics does not own or control, such as Event Servers like Convio or Blackbaud, or application infrastructures like Facebook.

Personal Data (87.0%), Processing (74.0%):

Information We Receive: From You: You have the ability to update your personal and team pages with photos that are uploaded through the Boundless Fundraising mobile app.

Processing (90.9%):

Questions regarding this statement should be directed to Charity Dynamics by sending an email to

info@charitydynamics.com.

Personal Data (93.9%):

We send your photos to the Event Server.

Processing (98.4%):

However, if you would prefer not to receive cookies, you can alter the configuration of your browser to refuse cookies.

Personal Data (91.2%), Processing (91.5%):

The only information received from Facebook that we store permanently is your Facebook User ID.

Organisational Measure (69.0%):

By allowing us access to your account, you are putting your trust in us and we want you to be fully aware of what is happening to your data.

Art. 17 Right to erasure (right to be forgotten) (62.0%):

If you would like to request that we remove any stored information, please contact us at support@charitydynamics.com.

Personal Data (97.2%), Processing (62.1%), Required Purpose (87.5%):

From Google Fit, Apple Health, Garmin, FitBit, and Strava: If a user elects to connect the app to Google Fit, Apple Health or any other fitness tracking platform, the app will request activity data from these platforms to aggregate distance, duration or steps achieved and display that information publicly.

Personal Data (98.7%), Processing (90.5%), Required Purpose (90.9%):

If activity is recorded from within the app, precise location (GPS and network-based) will be accessed to collect total activity achieved.

Personal Data (87.0%):

Location data itself is never used or stored in the app.

Processing (79.2%):

From an Event Server: Most likely you are participating in an event and have set up your information online using an application hosted by an Event Server such as Convio or Blackbaud.

Personal Data (93.1%), Required Purpose (99.4%):

We receive and store your first name and last name for use in our app for the event in which you are participating.

Personal Data (81.6%):

Internally: Internally we store a record of messages and notifications generated by your accounts activity.

Personal Data (65.6%):

You should also periodically revisit this page for updates, as we reserve the right to update this page if and when the content of this policy changes.

Required Purpose (77.2%):

How We Use Your Information We receive and store your first name and last name for display purposes in our app for the event in which you are participating.

Required Purpose (84.1%):

If the mobile app has Event Day Check-in enabled, then we also store email address so that we can send you a QR code before the event to make check-in easier.

Personal Data (72.6%):

If you would like your stored event information removed, please contact us at support@charitydynamics.com.

Required Purpose (84.8%):

We do, however, reserve the right to share stored information to respond to legal requests and to prevent harm to our clients, our end users, and our company.

Legal Basis (70.4%), Scale Non-EU (96.3%):

This includes, but is not limited to, lawful bodies inside and outside of the United States.

Technical Measure (70.5%):

The term Event Server refers to the online entities that provide you with the tools to manage your online fundraising: including but not limited to, Convio, Inc., Blackbaud, Inc., DonorDrive, Classy, Neon One, or Raisin.

Processing (99.6%):

By application we refer to our Boundless Fundraising application on Facebook or iPhone or Android devices, as well as anything else that receives or transmits data.

Processing (68.0%):

By use we mean use, copy, publicly perform or display, distribute, modify, translate, and create derivative works of.
