Processing (98.7%):

The Airports Authority uses this information to help us make our on-line services more useful to visitors, to learn about the number of visitors to our websites or Apps, and to better understand the types of technology our visitors use.

Personal Data (62.6%), Technical Measure (97.1%):

Cookies The Airports Authority uses two types of "cookies," described below.

Required Purpose (79.8%):

A persistent cookie, which is stored on your hard drive and allows our websites to differentiate between new users and returning users.

Personal Data (69.9%):

Similarly, while an App is installed on your device, a unique identifier is temporarily stored on your device.

Automated Decision Making (76.8%):

The unique identifier is automatically deleted when you uninstall the App.

Data Controller (86.0%):

We use Hotjar on our websites in order to better understand our users needs and to optimize this service and experience.

Non-Personal Data (62.1%), Required Purpose (93.8%):

Hotjar is a technology service that helps us to better understand our users experience (e.g., how much time they spend on which pages, which links they choose to click, what users do and dont like, etc.) and this enables us to build and maintain our services with user feedback.

Technical Measure (78.4%):

Hotjar uses cookies and other technologies to collect data on our uses behavior and their devices.

Non-Personal Data (96.1%), Personal Data (67.0%), Processing (98.8%), Required Purpose (66.0%):

This includes a devices IP address (processed during your session and stored in a de-identified form), device screen size, device type (unique device identifiers), browser information, geographic location (country only), and the preferred language used to display our website.

Contract (91.3%):

Hotjar is contractually forbidden to sell any of the data collected on our behalf.

Personal Data (99.8%):

Personal Information The Airports Authority collects personal information (yourname, email address, credit card information, zip code, and/or telephone number) only when it is specifically and knowingly provided by you.

Legal Basis (89.2%):

The Airports Authority uses the personal information we collect solely for Airports Authority-related services, or as otherwise required by law.

Processing (93.2%):

Also, the Airports Authority will disclose personal information you provide pursuant to our Freedom

of Information Policy when the information is not exempt from disclosure by the Policy.

Processing (64.6%), Third Party (66.4%):

The Airports Authority does not give or sell the information to any private organizations, except when necessary for a purpose described in this Policy.

Required Purpose (76.9%), Third Party (76.3%):

Nor does the Airports Authority disclose personal information for third party commercial marketing, or sell data for direct mail or advertising purposes.

Data Subject (93.9%), Personal Data (94.9%):

You will have the ability to opt out of any future promotional communications from the Airports Authority at the time you submit your email address or other personal information.

Personal Data (94.0%), Processing (84.5%):

Your Rights to Personal Information about You Maintained by the Airports Authority If you wish to confirm whether the Airports Authority maintains your personal data, to request access to your personal data, to correct inaccuracies to your personal data, or request that the Airports Authority delete your personal data, you may submit such request in writing to or to Metropolitan Washington Airports Authority, ATTN: Privacy Officer, 1 Aviation Cir., Washington, D.C.

Organisational Measure (81.0%):

The Airports Authority will respond to your request in writing within 45 days of receipt, or up to 90 days upon notice to you.

Third Party (99.3%):

Links to Third Party Websites The Airports Authority websites and Apps have links to third party websites.

Third Party (92.4%):

Once you link to another site and leave an Airports Authority website or App, the Airports Authority is no longer responsible for the privacy or security of your data, and you are subject to the privacy policy of that third party website.

Organisational Measure (88.5%):

Security The Airports Authority takes security of information and systems very seriously and employs industry accepted best practices to secure its websites and all information entrusted to us.

Organisational Measure (91.0%), Technical Measure (82.7%):

Airports Authority practices include: employing internal access controls to information; encrypting sensitive data; employing password protections, firewalls, and anti-virus/anti-malware software; applying security patches; and periodically testing and upgrading security.

Organisational Measure (93.3%):

Notification of Changes The Airports Authority reserves the right to make changes to this policy at any time, without notice.

Processing (61.9%):

If the Airports Authority changes this policy, it will post any changes so that you are always aware of what information is collected, how that information is used, and under what circumstances, if any, the information is disclosed.

Organisational Measure (63.3%):

We'll do our best to deliver valuable updates and lots of great resources without invading your mailbox.

Processing (98.1%), Required Purpose (99.6%):

20001 Airport Authority utilizes cookies saved on your devices to ensure we give you the best experience and to see how people use the website.
