NEW PRIVACY POLICY This were our old policy.

**Personal Data (79.9%), Processing (99.4%):**

With this in mind, we're providing this Privacy Policy to explain our practices regarding the collection, use, and disclosure of information that we receive through our apps.

**Data Controller (92.2%), Data Subject (84.5%), Non-Personal Data (78.1%), Organisational Measure (61.1%), Personal Data (61.1%), Processing (98.0%), Required Purpose (85.7%), Technical Measure (98.5%):**

Please wait PRIVACY POLICY FOR APPS This privacy policy governs your use of this software applications ("Application") for mobile devices, PC and tablets that was created by ANDREA TESTA (RoboBot Studio).

**Data Processor (70.4%), Processing (95.7%), Required Purpose (73.4%):**

2) INFORMATION AND DATA WE COLLECT FROM YOU The Application obtains the information you provide when you download the Application for Ads purpose and analytics usage.

**Required Purpose (93.2%):**

Additional informations are required in order to create an account.

**Non-Personal Data (62.2%), Personal Data (83.1%), Processing (90.6%), Required Purpose (96.1%):**

2.1 Technical Information And Data We collect technical data necessary for you to use our App and additional technical data that enables us to maintain and analyze the functioning of the App, to personalize the content of the App, and to display advertisements.

**Automated Decision Making (67.6%), Non-Personal Data (92.3%), Personal Data (81.1%), Retention (67.2%):**

We automatically obtain certain information about your computing device, including: - Country code; - IDFAs, IDFAVs, Advertising IDs; - Language; Locale (specific location where a given language is spoken); - Time zone, session start/stop time, - Network status (WiFi, etc.), browser plug-in types

and versions; - User agent string (UA), platform, SDK version, timestamp; - Technical device information (e.g.

**Non-Personal Data (98.3%), Personal Data (98.8%), Processing (62.5%), Technical Measure (90.3%):**

device model and name, operating system name and version, CPU information, storage size, screen size, firmware, software, mobile phone carrier, Internet service provider, API key identifier for application, International Mobile Equipment Identity (IMEI) on Android, Android ID, Android Serial No); 2.2) Advertising And Application Usage Information And Data When you use our Apps, we may collect additional information by using device identifiers that permit identification of your device.

**Processing (86.9%), Required Purpose (87.9%):**

Such information is used for advertising and analytics purposes.

**Non-Personal Data (95.3%), Personal Data (95.9%), Processing (98.9%), Retention (87.4%):**

The information collected includes: - Which advertisements are shown; - Length of time an advertisement is visible and the size of the advertisement; - Advertisement response (if any), including clicks on ads; - Angle of view; - Application usage information, (how often you use the app, for how long you use the app, the events that occur within the app, in-app location, in-app purchases you make and their value, aggregated usage, performance data, life time value of user etc.).

**Personal Data (99.5%):**

2.3) Personal Information We do not collect any personal information about you through our Apps, with the sole exception of persistent identifiers (such as IDFA, IDFV, Advertising ID).

**Personal Data (65.6%):**

Persistent identifiers are identifiers that do not identify you personally, but may uniquely identify your device.

**Personal Data (98.9%):**

Some legislation (such as US) may treat such information that uniquely identifies your device as personal information.

**Consent (78.6%), Legitimate Interest (66.8%), Non-Personal Data (86.7%), Personal Data (99.7%), Processing (99.1%):**

We may ask you to submit and we may process other non-personally identifiable information that may be personal to you such as your nickname, age range, year of birth and gender.

**Required Purpose (99.5%):**

We will use such information only to personalize the content of the App.

**Processing (99.3%), Third Party (97.7%):**

This information is not stored in our information systems nor shared with third parties.

**Consent (98.5%):**

2.3.1) Account Registration (Optional) Account Registration with us is optional.

**Personal Data (98.5%):**

When you register an account with us and use the Application, you generally provide (a) your name or nickname, email address or username, password.

**Not Required Purpose (60.7%):**

We do not share this information with anyone and we do not use your email for any commercial, marketing or other purposes.

**Required Purpose (79.4%):**

The account is mainly used to allow you to synchronize purchases made, or upgrades earned while using our apps, in your different devices where you may want to use the app.

**Processing (69.4%), Retention (82.7%):**

Unused accounts are deleted after two years.

**Retention (65.1%):**

Once your account has been deleted, you will get an email which warn you about it.

**Data Subject (71.7%), Required Purpose (77.1%):**

2.3.2) Face detection feature In some of our apps, like 'AgeBot: How old am I', users can upload a photo inside the app to discover an estimation of their age.

**Personal Data (63.7%):**

We do not save in our system users faces photos or share it with others.

**Data Controller (98.8%), Required Purpose (92.9%):**

3) HOW WE MAY SHARE YOUR INFORMATION TO THIRD PARTIES We cannot provide all services necessary for the successful operation of the Apps by ourselves.

**Data Processor (63.6%), Third Party (95.8%):**

We must therefore share collected information with third parties, including analytics providers, tracking providers, third party advertising providers and other third party service providers that support the Apps (collectively referred to as 'Partners').

**Required Purpose (98.6%):**

We may share information that can be used to personally identify your device (e.g.

**Personal Data (94.1%), Required Purpose (89.1%):**

persistent identifiers such as IDFA, IDFV, advertising ID and IP address) for the purposes of

delivering our services, displaying advertisements, conducting analysis and research and for measuring our and our Partners's advertising campaign performance.

**Data Controller (95.1%), Required Purpose (94.4%):**

We may share such information to: - OUR ANALYTICS PROVIDERS: For some Apps we use third party analytics such as Flurry Analytics, HockeyApp and Firebase Analytics for the purposes of delivering our services, conducting analysis and research.

**Processing (98.8%), Third Party (90.3%):**

To get more information about how your data is being collected and processed you can visit the site 'How Google uses data when you use our partners' sites or apps' located at [www.google.com/policies/privacy/partners/](http://www.google.com/policies/privacy/partners/).

**Technical Measure (86.6%):**

Additionally we have also integrated Google Play Developer Console data like Impressions, Downloads, and Traffic Sources into a Google Analytics account to see how many times people viewed or downloaded our apps from Google Play.

**Processing (85.1%):**

The device data we share with such providers are encoded.

**Processing (88.5%):**

The providers may assign a random ID to these data and they are not able to match it back to You.

**Processing (91.3%), Required Purpose (90.0%), Right (97.0%), Third Party (95.4%):**

Third party analytics providers have the right to process the data in accordance with their privacy policies (<http://www.google.com/intl/en/policies/privacy/#nosharing>) and such collection and processing is limited to the disclosure in aggregated manner, for the purposes of showing trends about the use of their services, for advertising services and marketing purposes.

**Contract (82.7%), Third Party (80.2%):**

- OUR CLOUD SERVICE PROVIDERS: We store information we collect from you on servers provided by our third party cloud service providers such as Microsoft Azure Mobile Services; - THIRD PARTY ADVERTISING PARTNERS: We have contracted with certain third party advertising networks that assist us in delivering advertising to you that allows us to continue offering the Apps for free or at low cost.

**Authority (75.0%), Legal Basis (90.6%):**

We reserve the right to disclose your information (including personally identifiable information) in response to law, legal process, litigation, and/or requests from public and governmental authorities within or outside your country of residence.

**Required Purpose (97.4%):**

We may also disclose information about you if we determine that for purposes of national security, law enforcement, or other issues of public importance, disclosure is necessary or appropriate.

**Required Purpose (96.5%):**

We may also disclose information about you if we determine that disclosure is reasonably necessary to enforce our terms and conditions or to protect our operations, users or user experience.

**Processing (99.3%), Recipient (70.3%):**

Additionally, in the event of a reorganization, merger or sale we may transfer any and all information (including personally identifiable information) we collect to the relevant third party.

**Organisational Measure (88.5%):**

We strive to commit our Partners to using the information solely for the purposes as stated in this Privacy Policy.

**Organisational Measure (68.9%):**

Notwithstanding the above, we cannot guarantee that our Partners will adhere to the contractual obligations or acceptable business practices.

**Required Purpose (82.5%), Third Party (71.5%):**

In order to enable advertising we allow our advertising partners to collect online identifiers (such as Advertising ID on Android and IDFA on iOS) that might be considered as personal information under some legislations, but they should use it solely for the purposes of contextual advertising.

**Required Purpose (97.5%):**

For some territories, we may use and share with our advertising partners technical and advertising and application usage information we collect from you (please see Information and Data We Collect From You Section of this Privacy Policy) in order to enable our advertising partner to deliver, target and optimize third party advertising in our Apps, so that the advertisements you see are more relevant to you and are based on your app and device usage, online behavior and interests (this is commonly referred to as online behavioral or interest based advertising, i.e.

**Legal Basis (95.3%):**

We will always follow applicable legislation and accepted market practices, thus we will not use and share information for the purposes of behavioral advertising for users who did not pass the age gate in our Apps and for those who opted-out of IBA.

**Consent (98.5%):**

Account Registration with us is optional and only available in some apps.

**Consent (94.6%):**

For opting out from sharing your information and data for the purposes of behavioral advertising please visit Opt-Out Section of this Privacy Policy.

**Personal Data (92.2%), Right (89.6%), Scale EU (84.4%), Scale Non-EU (95.0%):**

GDPR If you are a resident of the European Union (aEUa), United Kingdom, Lichtenstein, Norway, or Iceland, you have additional rights under the EU General Data Protection Regulation (the aGDPRa) with respect to your Personal Data.

**Consent (69.2%), Organisational Measure (73.9%):**

We are working on an update for all our apps and games in order to improve the explicit consent required for the GDPR.

**Organisational Measure (63.8%):**

Until we have completed the update, we will not show personalized advertising for all European users.

**Personal Data (96.3%):**

We do not process payments for in-app purchases nor have access to your credit card information.

**Processing (67.1%):**

Any post-purchase processes are controlled by the app store and are subject to specific terms of such app store.

**Organisational Measure (76.1%), Retention (72.8%):**

7) DELETION OF INFORMATION When information is no longer needed, we shall delete it using reasonable measures to protect the information from unauthorized access or use.

**Organisational Measure (75.9%), Required Purpose (71.0%):**

We provide physical, electronic, and procedural safeguards to protect information we process and maintain.

**Organisational Measure (71.0%), Required Purpose (96.4%):**

For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application.

**Required Purpose (95.4%):**

10) CHANGES TO OUR PRIVACY POLICY We will occasionally update this Privacy Policy as necessary to protect our users, furnish current information, and respond to legal and technical changes.
