

Data Controller (97.8%), Personal Data (73.2%), Required Purpose (99.8%), Technical Measure (99.0%):

Privacy Policy - Joybits Privacy Policy Last Updated: January 2024 Joybits Ltd.

Contract (73.0%), Data Controller (98.1%), Data Subject (82.0%), Organisational Measure (60.2%), Processing (97.1%), Required Purpose (86.1%):

and its Affiliates ("Joybits" or "we") are dedicated to protecting the privacy rights of our online users ("users" or "you").

Organisational Measure (67.1%), Third Party (66.8%):

Affiliates shall mean subsidiaries, parent companies, joint ventures and other corporate entities under common ownership.

Personal Data (85.6%), Processing (99.4%), Required Purpose (86.6%):

This Online Privacy Policy ("Privacy Policy") has been crafted to inform you as to the ways we collect, store, use, manage, and, in certain circumstances, share the information you provide in connection with any Joybits game or application ("Service").

Consent (96.9%), Data Source (62.6%), Processing (99.4%):

Please note that the scope of this Privacy Policy is limited to only information collected from Joybits through use of the Service.

Consent (84.3%), Organisational Measure (87.8%), Personal Data (99.7%), Processing (99.3%), Required Purpose (68.5%):

By using the Service, you agree to the collection and use of your personal information as outlined in this Privacy Policy.

Data Controller (98.3%):

We may amend the Privacy Policy from time to time, and we encourage you to consult the Privacy Policy regularly for changes.

Personal Data (97.2%), Processing (99.5%), Required Purpose (95.1%):

Information Collected and Used Joybits's primary objective in collecting user information is to provide and enhance the Service and to enable users to easily navigate and enjoy the Service.

Processing (95.2%):

When you install any of the Joybits games or applications, we may collect and record the information you provide us voluntarily through www.facebook.com ("Facebook") and/or other social network(s) in accordance with the policies and terms of Facebook and/or other social network(s).

Consent (83.1%), Non-Personal Data (75.7%), Personal Data (99.2%), Processing (97.0%), Required Purpose (62.0%), Retention (67.8%):

You can learn more about how such third-party sites or platforms process your personal data in the relevant privacy policy: Facebook: <https://www.facebook.com/about/privacy/> Game Center: <https://www.apple.com/legal/internet-services/itunes/gamecenter/> Google Play Games: <https://policies.google.com/privacy> The types of personal information collected in accordance with the activities listed above may vary depending on the activity.

Personal Data (85.6%), Processing (88.3%):

This "personal information" is defined as information about you that can be used to contact or identify you.

Non-Personal Data (70.8%), Personal Data (99.2%), Processing (98.4%), Third Party (95.4%):

Personal information may include: Your first and last name A unique pseudonymous identifier for you (User ID) Your profile picture or its URL Your user identification number of the pertinent social network, which is linked to publicly available information such as name and profile picture The login email you provided to the pertinent social network upon registration Additionally, we may acquire information from you through: Your access and participation in message boards on the Service Your email of a question to our customer support Your purchase of a virtual product of any type Other sources, including but not limited to newspapers and internet sources such as blogs, instant messaging services, other users of the Service to supplement your profile Please note that because a third party site manages the purchases of virtual goods offered by the Service, we do not have access to your credit card details and billing information.

Non-Personal Data (71.8%), Personal Data (97.7%), Processing (95.1%), Required Purpose (98.5%):

Joybits may also invite you to share non-personal information about yourself which may include but is not limited to: Your age or date of birth Your gender Information about the hardware you may own Your favorite websites, friend information (such as friends of yours that are also connected to our Service) and fan pages Your physical location and that of your access device (collectively referred to as "non-personal information") If non-personal information is collected for an activity that also requires personal information, Joybits may combine your non-personal information with your personal information in an attempt to provide you with a better user experience, to improve the quality and value of the Services and to analyze how our Service is used.

Non-Personal Data (94.3%):

The Service will also record game play information such as your high scores or game session duration.

Consent (72.0%), Third Party (95.7%):

In addition to information collected as described above, you may choose to share additional information about yourself throughout the Service, such as in games or on message boards.

Personal Data (92.0%), Required Purpose (99.1%):

We may use your name, profile picture, email address and other information to notify you of new product releases, service notifications, and to solicit your feedback and input.

Consent (68.8%):

Those emails will contain links for preference management and where appropriate, unsubscribe links should you decide you do not want to receive further emails.

Non-Personal Data (97.8%), Processing (95.6%), Required Purpose (96.9%):

Finally, any time you access the Service, we may collect aggregate information including but not limited to: Internet protocol addresses Browser type Browser language Referring / exit pages and URLs Platform type Number of clicks Domain names Landing pages Pages viewed and the order of those pages The amount of time spent on particular pages Date and time of this activity We use this aggregate information to better tailor the Service to your interests, to provide you more efficient customer support, and to overall enhance the Service.

Required Purpose (99.1%):

We may use your name, profile picture and game play information to communicate with your friends that are also connected to the Service, which you can opt out of at the bottom of this webpage.

Processing (99.0%):

Any actions you perform with other players are considered public, and are at your sole discretion.

Art. 16 Right to rectification (68.3%), Non-Personal Data (79.4%), Required Purpose (98.6%), Third Party (80.2%):

We may also disclose information about you to our partners, such as our publisher, in order to provide the Service, resolve service problems and correct errors in the Service, to communicate with you about the Service, to provide you with advertising and promotional information in connection with the Service, and to enhance your experience on the Service.

Not Required Purpose (68.9%):

However, we do not give our partners an independent right to share this information.

Art. 17 Right to erasure (right to be forgotten) (60.2%), Consent (62.4%), Contract (79.9%), Processing (89.4%), Required Purpose (99.0%), Third Party (97.4%):

Due to our contractual obligations with these third parties and the need to share information to deliver and support the Service, we cannot provide you with the opportunity to opt-out of sharing information (whether personal information or non-personal information) with these third parties.

Processing (98.4%), Required Purpose (99.9%), Third Party (62.1%):

Joybits, certain of its partners, and each of their contractors and employees may view the information that you transmit to the Service to provide the Service and otherwise perform the tasks set forth in this Privacy Policy.

Data Source (87.0%), Non-Personal Data (61.4%), Processing (70.5%), Required Purpose (96.4%), Third Party (71.7%):

These are examples of personal data that we will collect when you use the Service: Metrics and other types of statistical data, which could be derived from your use of the Services Diagnostic information concerning the Services (e.g., logs, error reports and events and the type, number, date and page relating to this information) What applications are installed on the Users' Device In all cases of data access and collection, the information you provide will not be disclosed, rented, leased, loaned, sold, or otherwise voluntarily distributed to unaffiliated third parties and will be used solely for the purpose of providing you with and improving the Service.

Personal Data (98.2%):

Collection and Sharing of Location Information In addition to other information described in this policy, we may collect and share precise location information, through methods such as mobile "SDKs".

Personal Data (74.9%), Processing (93.7%), Required Purpose (98.6%):

This location information may be used by itself, aggregated, or combined with mobile identifiers (such as IDFAs and Android IDs), and shared with third parties, for purposes related to advertising, attribution (e.g., measuring ad performance) analytics and research.

Organisational Measure (78.7%):

You can remove your consent to having your location data collected by changing the settings on your device.(Certain services may lose functionality as a result.) You can opt-out from any interest-based advertising through your device settings.

Consent (94.1%):

When you have opted out using this setting on a device, advertisers will not use in-app information collected from that device to infer your interests or serve ads to that device that are targeted based on your inferred interests.

Consent (80.0%), Recipient (85.8%), Required Purpose (95.7%), Third Party (83.7%):

Furthermore, if you have given your consent in accordance with Section 6(1)(a) of the GDPR, we share your Device identifiers to advertising network companies for the purpose of them serving behavioral advertisements to you within the App.

Processing (82.1%):

<https://www.tencent.com/en-us/privacy-policy.html> The recipients' use of the disclosed information will not be covered by this Privacy Policy.

Processing (96.7%):

If you have questions concerning the processing carried out by such third parties, you should review their privacy policy.

Data Processor (68.2%), Required Purpose (94.7%):

In connection with our processing, we use following data processors such as server hosting providers, technical service providers for supporting internal operations, user login services and analytics service providers: Tenjin, Inc.

Legal Basis (61.1%), Required Purpose (81.9%):

<https://www.tenjin.io/privacy> Facebook Analytics (Facebook, Inc.)

<https://www.facebook.com/about/privacy/> Firebase (Google LLC)

<https://firebase.google.com/support/privacy> Appfigures <https://appfigures.com/privacy> Other

Disclosure of Your Personal Information You understand and agree that we may be required to disclose any personal information if required to do so by law or in good faith believe that such disclosure is reasonably necessary to avoid liability, to comply with legal process, including but not limited to a search warrant, subpoena, statute, or court order, or to protect our rights and property, or that of the public.

Legal Basis (99.0%), Personal Data (94.8%), Processing (98.0%):

Additionally, in the event of a merger, acquisition, reorganization, bankruptcy, or other similar event, customer information may be transferred to Joybits's successor or assignee, if permitted by and done in accordance with applicable law.

Required Purpose (97.4%):

Others' Information You may decide to provide us with another person's personal information such as email address so that the person may be invited to join the Service.

Required Purpose (99.2%):

We use this information to contact and, if necessary, remind that person that he or she has been invited to join the Service or receive content from the Service.

Required Purpose (86.4%):

We may disclose such information if required to do so in order to comply with legal process, as described above.

Personal Data (84.3%), Technical Measure (92.4%):

Cookies A cookie is a small data file that we transfer to your computer's hard disk, generally to quickly identify a user's computer and to "remember" things about the user's visit, such as your preferences or a user name and password.

Processing (95.1%), Technical Measure (91.0%):

The Service sends cookies to your computer when you access or view content of a Joybits game.

Processing (81.6%), Required Purpose (89.4%):

Information contained in a cookie may be linked to your personal information for purposes such as improving the quality of our service, tailoring recommendations to your interests, and making the Service easier to use.

Third Party (98.7%):

The fact that the Service links to a website or presents a banner ad or other type of advertisement does not mean that Joybits endorses or authorizes that third party, nor is it a representation of our affiliation with that third party.

Processing (99.5%):

Data Controller Joybits processes your personal information as a controller, as defined in the GDPR.

Required Purpose (97.9%):

Our system and the third-party advertising technology may use aggregate information, non-personal information, Joybits's cookies on your hard drive and your use of the Service to target advertisements.

Required Purpose (93.8%):

In addition, advertisers may use other third-party advertising technology to target advertising on other sites.

Third Party (78.3%):

Third-Party Advertising Companies We may use third-party advertising companies to serve ads on the Service.

Required Purpose (94.3%):

Similarly, third-party advertising companies may provide us with pixel tags (also called "clear gifs" or "beacons") to help manage and optimize online advertising.

Art. 16 Right to rectification (71.0%):

Changing or Deleting Your Information You may review, update, correct or delete any personal information by changing the applicable information in your profile page on Facebook and/or other social network(s).

Organisational Measure (72.8%), Processing (96.0%):

If you want us to update, amend or delete the personal information that we have collected about you, wish to get access to the data being processed about you by us, or if you have any questions concerning the this Privacy Policy, you may contact us by email at support@joybits.org Security We have put in place reasonable technical and organizational measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration or disclosure.

Organisational Measure (72.4%):

How to exercise my rights Mandatory verification: We will need to verify your identity before processing your request.

Automated Decision Making (65.1%), Organisational Measure (74.2%):

However, because you cannot create an account with the App, and you do not provide us with any information directly, we only collect information automatically, we may use limited verification methods.

Organisational Measure (79.4%):

To verify your identity, we will generally require the matching data in our systems to the information we can process when you are making a request.

Organisational Measure (86.3%):

Also please note that email and messaging systems are not considered secure, so we discourage you from sending us personal information through these mediums.

Personal Data (94.6%):

In certain circumstances, we may decline the request, mainly where we are unable to verify your identity, for example, if you disable cookies, changed the device you used to access the App or you already requested us to delete your personal data.
